I remember the lights. I remember I wanted to photograph them, the way the red and blue splashed across his cold, emotionless face. But I knew even if my feet could move from the place where

they had cemented themselves to the ground and I could run for my camera, I wouldn't be able to capture that moment. I had trusted him, I had loved him, and even though my body had changed that summer, he'd made sure to help me hold on to who I was inside, regardless of how the exterior altered. But then everything changed. He stole my innocence. He scarred my heart. He took everything I thought I knew about my life and fast-pitched it out the window, shattering the glass that held my world

together in the process. I remember the lights. The passionate, desperate, hot strikes of red. The harsh, cruel, icy bolts of blue. They symbolized everything I endured that summer. And everything I would never face again.

*Le musicien, un sportif de haut niveau* Bloomsbury Publishing USA Here is a story of self-discovery, of entering adulthood and of freeing oneself. The tone is sarcastic, lucid, cruel yet realistic. On a background of R&B and funky electronic music, Nicolas argues gives us an impressive and subtle account of relations between the sexes and of examining the choices one has made in the past. From the Trade Paperback edition.

**Sinful Forever**

Jack Valentini isn't my type. Sexy, brooding cowboys are fine in the movies, but in real life, I prefer a suit and tie. Proper manners. A close shave. Jack might be gorgeous, but he's also scruffy, rugged, and rude. He wants nothing to do with a "rich city girl" like me, and he isn't afraid to say so. But I've got a PR job to do for his family's farm, so he's stuck with me and I'm stuck with him. His glares. His moods. His tight jeans. His muscles. His huge, hard muscles. Pretty soon there's a whole different kind of tension between us, the kind that has me misbehaving in barns, trees, and pickup trucks. I've never done anything so out of character—but it feels too good to stop. And the more I learn about the

grieving ex-Army sergeant, the better I understand him. Losing his wife left him broken and bitter and blaming himself. He doesn't think he deserves a second chance at happiness. But he's wrong. I don't need to be his first love. If only he'd let me be his last.
