An Elementary Grammar of Colloquial French on Phonetic Basis Simon and Schuster

Blending the spirit of *Eats, Shoots & Leaves* with the science of *The Language Instinct*, an original inquiry into the development of that most essential-and mysterious-of human creations: Language Language is mankind's greatest invention-except, of course, that it was never invented." So begins linguist Guy Deutscher's enthralling investigation into the genesis and evolution of language. If we started off with rudimentary utterances on the level of "man throw spear," how did we end up with sophisticated grammars, enormous vocabularies, and intricately nuanced degrees of meaning? Drawing on recent groundbreaking discoveries in modern linguistics, Deutscher exposes the elusive forces of creation at work in human communication, giving us fresh insight into how language emerges, evolves, and decays. He traces the evolution of linguistic complexity from an early "Me Tarzan" stage to such elaborate single-word constructions as the Turkish *sehirlestiremediklerimizdensiniz* ("you are one of those whom we couldn't turn into a town dweller"). Arguing that destruction and creation in language are intimately entwined, Deutscher shows how these processes are continuously in operation, generating new words, new structures, and new meanings. As entertaining as it is erudite, *The Unfolding of Language* moves nimbly from ancient Babylonian to American idiom, from the central role of metaphor to the staggering triumph of design that is the Semitic verb, to tell the dramatic story and explain the genius behind a uniquely human faculty.

DICTIONARY OF MODERN COLLOQUIAL FRENCH

Routledge

The Way of The Linguist, A language learning odyssey. It is now a cliché that the world is a smaller place. We think nothing of

jumping on a plane to travel to another country or continent. The most exotic locations are now destinations for mass tourism. Small business people are dealing across frontiers and language barriers like never before. The Internet brings different languages and cultures to our finger-tips. English, the hybrid language of an island at the western extremity of Europe seems to have an unrivalled position as an international medium of communication. But historically periods of cultural and economic domination have never lasted forever. Do we not lose something by relying on the wide spread use of English rather than discovering other languages and cultures? As citizens of this shrunken world, would we not be better off if we were able to speak a few languages other than our own? The answer is obviously yes. Certainly Steve Kaufmann thinks so, and in his busy life as a diplomat and businessman he managed to learn to speak nine languages fluently and observe first hand some of the dominant cultures of Europe and Asia. Why do not more people do the same? In his book *The Way of The Linguist, A language learning odyssey*, Steve offers some answers. Steve feels anyone can learn a language if they want to. He points out some of the obstacles that hold people back. Drawing on his adventures in Europe and Asia, as a student and businessman, he describes the rewards that come from knowing languages. He relates his evolution as a language learner, abroad and back in his native Canada and explains the kind of attitude that will enable others to achieve second language fluency. Many people have taken on the challenge of language learning but have been frustrated by their lack of success. This book offers detailed advice on the kind of study practices that will achieve language breakthroughs. Steve has developed a language learning system available online at: www.thelinguist.com.

A REFERENCE GRAMMAR OF FRENCH

Colloquial Catalan (eBook And MP3 Pack) Routledge

The ultimate girl-friendly phrasebook to give les filles américaines in Paris that certain je ne sais quoi Where but Paris would a young woman rather be sipping espresso at a sidewalk café, browsing a fashionable boutique, or strolling along a romantic riverbank hand in hand with her lover? The city of lights is every girl's dream destination, but upon arrival she doesn't want to stick out like an unrefined American. Luckily, with Parisienne French, she'll know just exactly how to speak, act, and dress like she has always lived there. Whether ordering drinks at a hip underground club, discussing Impressionism at the Musée d'Orsay or just chatting about what fashion is "in" this season, Parisienne French has the entire vocabulary and modern slang a girl needs to know. The French love their language and appreciate when foreigners take the time to know it too. With this book, the reader will be warmly welcomed to la vie parisienne.

Colloquial Tamil Ulysses Press

A Reference Grammar of French is a lively, wide-ranging and original handbook on the structure of the French language. It includes new information on register, pronunciation, gender, number, foreign words (Latin, Arabic, English, Spanish, Italian), adjectives and past participles used as nouns, texting, word order, frequency of occurrence of words, and usage with all geographical names. Examples come not only from France, but also from Quebec, Belgium and Switzerland. Readers will appreciate the initial passages illustrating the grammatical features of a given chapter. Also included is a user-friendly introduction to the French language, from its Latin origins to modern times. A full glossary explains any terms that might confuse the less experienced reader, and the index leads the student through the detailed labyrinth of grammatical features. This handbook will be an invaluable resource for students and teachers who want to perfect their knowledge of all aspects of French grammar.

The Unfolding of Language McGraw-Hill Education

Learn the slang words, modern phrases, and curses they definitely never taught you in French class with this super-handly and hilariously improper English-French phrasebook. You already know enough French to get by, but you want to be able to tell those inside jokes, greet your friends in a laid-back manner, and casually pick someone up at a bar. From "what's up?" to "Wanna go home with me?" Dirty French will teach you how to speak like you're a regular on the streets of Paris. But you'll also discover material that goes beyond a traditional phrasebook, including: Hilarious insults Provocative facts Explicit swear words Themed French cocktails And more! Next time you're traveling or chatting with your friends in "the language of love," pick up this book, drop the textbook formality, and get dirty!
