### Portugal in European and World History

Oxford University Press

A family of Portuguese farmers struggle to survive as world events pass them by in “a novel that resounds with relevance for our own time” (New York Times Book Review). Winner of the City of Lisbon Prize Celebrated author Jose Saramago has delighted readers around the world with his imaginative tales and evocative depictions of life in his native Portugal. His novel *Raised from the Ground* follows the changing fortunes of the Mau Tempo family—poor landless peasants not unlike Saramago’s own grandparents. Set in Alentejo, a southern province of Portugal known for its vast agricultural estates, the novel charts the lives of the Mau Tempos as national and international events rumble on in the background—the coming

of the republic in Portugal, the two world wars, and an attempt on the dictator Salazar’s life. Yet nothing really impinges on the grim reality of the farm laborers’ lives until the first communist stirrings. *Raised from the Ground* is Saramago’s most deeply personal novel, the book in which he found the signature style and voice that would win him the Nobel Prize in Literature.

*Metaphors of Oppression in Modern Lusophone Historical Drama* Editions OPHRYS

Vols. for 1969- include ACTFL annual bibliography of books and articles on pedagogy in foreign languages 1969-*Raised from the Ground* Bucknell University Press

An essential chronological framework for students of Portuguese literature.

*The National Union Catalogs, 1963-* Reaktion Books

This is the first Chronology of Portuguese Literature to be published in any language. It presents a comprehensive year-by-year

list of significant and representative works of literature published mainly in Portuguese from 1128 to the beginning of the current millennium. As a reference tool, it displays the continuity and variety of the literature of the oldest European country, and documents the development of Portuguese letters from their origins to the year 2000, while also presenting the year of birth and death of each author. This book is an ideal resource for students and academics of Portuguese literature and Lusophone cultures.

*Felizmente Há Luar! Teatro. 4a Edição, Etc* Bandanna Books

Après une introduction générale qui indique les grands courants de la littérature ibéro-américaine, on aborde l’étude des littératures de tous les pays d’Europe et d’Amérique de langues espagnole et portugaise. Pour chaque pays, on trouve une introduction, des textes choisis et une bibliographie. Cet ouvrage (1) est le résultat d’un travail d’équipe auquel ont participé des

universitaires, des critiques et des écrivains français et ibéro-américains. Ce manuel répond à un besoin croissant de connaître et d'étudier la littérature ibéro-américaine de notre temps. Il est destiné aux élèves de classes terminales des lycées et aux étudiants d'université. Il comporte une Introduction Générale qui indique les grands courants de la littérature ibéro-américaine, et une présentation des littératures de tous les pays d'Europe et d'Amérique de langues espagnole et portugaise. Il fait une place à des littératures habituellement ignorées, comme celles d'Amérique Centrale ou des Caraïbes. Pour chaque pays, quelques pages d'introduction ont pour tâche d'expliquer les liens entre l'histoire contemporaine et la création littéraire. A la suite de ces pages d'introduction, les étudiants et les professeurs trouveront pour chaque pays une bibliographie sommaire et un certain nombre de textes choisis. Chaque texte est précédé d'un bref commentaire permettant de le situer dans l'œuvre de l'auteur. Le critère qui a présidé au choix est avant tout le caractère actuel de l'oeuvre : roman, poésie, conte, et éventuellement, selon le

pays, théâtre et essai. On n'a pas oublié les jeunes écrivains de la nouvelle génération qui font une entrée en force dans les lettres ibéro-américaines. En somme, ce manuel constitue une tentative d'appréhension de l'ensemble ibéro-américain à travers son expression littéraire. L'étude de ces littératures devrait nous amener à mieux cerner le problème suivant : qu'est-ce que le monde ibéro-américain ? (1) Ecrit en espagnol ou en portugais selon le pays étudié.

The contributors to this book attempt to describe, analyze, and interpret the literary events and practices that characterize the two decades of Portuguese political and cultural life after the 1974 revolution. This significant event provides the basis for all the issues discussed in this volume and emerges as a principal agent behind Portuguese "cultural renegotiation."

Includes entries for maps and atlases.

Universidade do Porto

The most detailed and wide-ranging comparative study to date of how European literatures written in less well known languages try, through translation, to reach the wider world, rejecting the predominant narrative of tragic marginalization with case studies of endeavour and innovation from nineteenth-century Swedish women's writing to twenty-first-century Polish fantasy.

Vol. 10 includes "Tables générales des Séries de publications de Societas Scientiarum Fennica, 1838-1938."

*Felizmente Ha luar* Felizmente há luar! Lisbon's charm is legendary, but its vibrant 2,000-year history is not widely known, from its Roman legacy to its centuries under Moorish rule. Its journey from port town to Portugal's capital was not always smooth sailing--in 1755 the city was devastated by the largest earthquake ever

to strike modern Europe, followed by a catastrophic tsunami and a six-day inferno that turned sand to glass. Barry Hatton unearths these forgotten memories in a vivid account of Lisbon's colourful past and present, bringing to life the 1147 siege during the Iberian reconquista, the assassination of the king, the founding of a republic and the darkness of a modern dictatorship. He reveals the rich, international heritage of Portugal's metropolis--the gateway to the Atlantic and the unrivalled Queen of the Sea.

Despite its modest size, Portugal has played a major part in the development of Europe and the modern world. In Portugal in European and World History Malyn

Newitt offers a fresh appraisal of Portuguese history and its role in the world—from early Moorish times to the English Alliance of 1650–1900 and through the country's liberal revolution in 1974. Newitt specifically examines episodes where Portugal was a key player or innovator in history. Chapters focus on such topics as Moorish Portugal, describing the cultural impact of contact with the Moors—one of the oldest points of contact between Western Europe and Islam; the opening up of trade with western Africa; and the explorations of Vasco de Gama and the evolution of Portugal as the first commercial empire of modern times. Newitt also examines Portugal's role in the Counter-reformation, in Spain's wars in Europe, and in the Anglo-Portuguese alliance. Finally, Newitt analyzes the fall of fascism and the Portuguese decolonization within the context of larger global empires and movements. This new account of a country with a rich history shows how Portugal has moved from being the last colonial power to one of the most enthusiastic proponents of the modern European ideal.

opinion, the Guide offers a discriminating - and sometimes controversial - view of a broad range of contemporary literatures.

**National Union Catalog**

Los tiempos recientes muestran cierto mecanismo evolucionista que marca el transito del estilo y las preocupaciones de un autor a traves de distintas fases, procesos y formas de expresion. Sin ceder del todo a la nocion de no marcar distinciones jerarquicas entre los textos de un escritor en el ambito total de su obra, Costa trata de considerarla una unidad organica y la analiza de forma sistematica y objetiva. Poesia, cronica, critica literaria, cuento y teatro, explica, prepararon la entrada de Jose Saramago al territorio de la novela. Asi echa Costa por tierra la idea de que Saramago ingreso de manera tardia o reciente en el universo de la literatura.
