Look beyond the hurt and use the power of forgiveness to move forward.

Forgiveness is one of the best tools we have at our disposal to create a better life for ourselves. Leave that baggage behind as you put the past in the past—where it belongs! Forgiveness is an amazing tool—it can transform your life in just one second if you decide that you want to use its power. There’s a reason we refer to anger, resentment, and disappointment as “baggage.” We carry it everywhere we go. We’d like nothing more than to drop it on the side of the road and forget about it. But how do we do that? How do we process the past and then leave it behind? These 101 revealing true stories show you how.

Learn how to manage your hurt with or without an apology and focus on what’s really important. Read about marriages being strengthened, families getting back together, grown children coming to understand their parents, and people overcoming the worst transgressions—even crimes. These men and women walked forward light and free, and you can, too—onto the bright, warm, welcoming road ahead. And, because no one’s perfect, you’ll also learn how to apologize if you’re the one in the wrong... and how to use the power of self-forgiveness to find peace and happiness.
