Thomas Norfleet was probably born in Kent, England in about 1645. He emigrated in about 1666 and

settled in Upper Norfolk County, Virginia. Thomas Norfleet, who was born in about 1669 in Nansemond County, Virginia, was probably his son. He married Mary Marmaduke in about 1690. They had three known sons, Thomas, James and Marmaduke. Descendants and relatives lived mainly in Virginia, North Carolina, Mississippi, Kentucky, Tennessee, Illinois, Nebraska and Texas.

Sessional Papers ... of the Legislative Assembly of the Province of Ontario ...

The main driver of inequality—returns on capital that exceed the rate of economic growth—is again threatening to generate extreme discontent and undermine democratic values. Thomas Piketty's findings in this ambitious, original, rigorous work will transform debate and set the agenda for the next generation of thought about wealth and inequality.

Detailed Report of the Inspector of Insurance and Registrar of Friendly Societies

"The Papers of Thomas Jefferson is a projected 60-volume series containing not only the 18,000 letters written by Jefferson but also, in full or in summary, the more than 25,000 letters written to him. Including documents of historical significance as well as private notes not closely examined until their publication in the Papers, this series is an unmatched source of scholarship on the nation's third president"--Publisher's description.
