study — learning the top two thousand (2000) most frequently used words will enable you to understand up to 84% of all non-fiction and 86.1% of fiction literature and 92.7% of oral speech? Those are amazing stats, and this book will take you even further than those numbers! In this book: A detailed introduction with tips and tricks on how to improve your learning! A list of 2000 of

the most common words in Spanish and their translations! An example sentence for each word - in both Spanish and English! Finally, a conclusion to make sure you've learned and supply you with a final list of tips! Don't look any further, we've got what you need right here! In fact, we're ready to turn you into a Spanish speaker... ...are you ready to get involved in becoming

one? Oxford University Press, USA This is a dictionary of Cebuano Visayan, the language of the central part of the Philippines and much of Mindanao. Although the explanations are given in English, the aim of this work is not to provide English equivalents but to explain Cebuano forms in terms of themselves. It is meant as a reference work for Cebuano speakers and

as a tool for students of the Cebuano language. There is a total of some 25,000 entries and an addenda of 700 forms which were prepared after the dictionary had been composed. This dictionary is the product of eleven years work by more than a hundred persons. The work was edited by John Wolff but the sources are entirely native, and all illustrations are composed by native speakers. To

date, this work probably represents the most authoritative dictionary of the Cebuano Visayan language. The Australian Oxford Dictionary Institute of Kiswahili Research University of Dar Es Salaam This wide-ranging dictionary contains a wealth of information on all aspects of history, from prehistory right up to the present day. Over 4,000 clear, concise entries include biographies of

key figures in world history (living and dead), separate entries for every country in the world (summarising key historical events), and in-depth entries on religious and political movements, international organizations, and major conflicts and events and their after-effects. For this new edition, existing entries have been revised and updated to reflect the very latest global events

including changes in leadership, wars, political situations, and the statistical information given for each country (population counts, currency, languages, religions). New entries have been included for key figures who have recently come to prominence and world events. The book also contains twenty-five detailed maps linked to key historical events and topics. These include the

African slave trade, the Black Death, and the Normandy campaign. Also included are over 200 country maps. The dictionary is enhanced by entry-level web links which are accessed via a dedicated companion website. Encyclopedic in scope, this ambitious A to Z provides an excellent overview of world history both for students and anyone with an interest in the subject. *Aesop's Fables* Elsevier India

This outstanding package provides the Concise Oxford-Hachette French Dictionary in both book and electronic form. The Concise Oxford-Hachette French Dictionary The dictionary provides over 175,000 words and phrases, and 270,000 translations covering all areas of the language - from general to technical, business to literary - giving a detailed

picture of French as it is used today. Innovative in-text boxes on topics such as numbers, nationalities, games and sports, and forms of address group together word patterns and expressions to help with usage, construction, and vocabulary-building. The most frequently-used words in both languages are extensively explained and exemplified while grammatical notes within

entries warn users of problem areas. Supplementary material includes: a unique guide to email and the Internet; thematic wordfinder covering all the essential vocabulary for a variety of topics; and practical help with French correspondence. The Pop-up Oxford-Hachette French Dictionary Instant translations from Internet ExplorerRG: cutting-edge iFinger technology

allows you to move your cursor over a word on your Web page and the translation is instantly displayed in a pop-up window. Easy searching in WindowsRG: highlight a word in your WindowsRG application - including email - and with one keystroke you can find the translation Useful Replace function: writing a letter in French and can't think of the right word? Type in the English word, double-

click on it, and select the appropriate translation from the entry and use the iFinger Replace function to copy it straight back into your letter. No fuss and no waiting: the dictionary automatically installs on your hard-drive and runs in the background - ready for whenever you need it Can be easily integrated with any of the iFinger Bilingual and English reference

resources which are available on CD-ROM from Oxford University Press or from <http://www.ifinger.com> System requirements PC with 166MHz Pentium-class processor. WindowsRG 95, 98, 200. or NT 4.0. 32Mb RAM. 20Mb free hard disk space. SVGA monitor, displaying 16-bit colour (64K, High colour). CD-ROM or DVD-ROM drive. Internet ExplorerRG 4.0 or 5.0 (version 5.0

supplied on the enclosed CD-ROM). Internet access (this is required to validate and register your CD-ROM). Minimum 56K modem (required to connect to the iFinger web site to purchase other titles and to download software upgrades).

The Standard of Usage in English

Wordsworth
Editions
Did you know
that 'flavour of
the month'
originated in a
marketing
campaign in
American ice-
cream
parlours in the
1940s, when a
particular
flavour would
be specially

promoted for a month at a time? And did you know that 'off the cuff' refers to the rather messy practice of writing impromptu notes on one's shirt cuff before speaking in public? These and many more idioms are explained and put into context in this second edition of the Oxford Dictionary of Idioms. This vastly entertaining dictionary takes a fresh look at the idiomatic phrases and sayings that

make English such a rich and intriguing language. A major new edition, it contains entries for over 5000 idioms, including 350 new entries and over 500 new quotations. The text has been updated to include many new idioms using the findings of the Oxford English Reading Programme, the biggest language research programme in the world. The entries are supported by

a wealth of illustrative quotations from a wide range of sources and periods. For example: 'Rowling has not been asleep at the wheel in the three years since the last Potter novel, and I am pleased to report that she has not confused sheer length with inspiration.' - Guardian, 2003. 'I made the speech of a lifetime. I had them tearing up the seats and rolling in the aisles.' - P.G.

Woodhouse, 1940. Many entries include boxed features which give more detailed background on the idiom in question. For example, did you know that 'taken aback' was adopted from nautical terminology, and described a ship unable to move forward because of a strong headwind pressing its sails back against the mast? The text has been entirely redesigned so that it is both

elegant and easy to use. Anyone interested in the quirky side of the English language will have hours of fun browsing through this fascinating and informative volume.
Merriam-Webster's Dictionary of English Usage Oxford English Dictionary
This dictionary for intermediate learners of American English is packed with features for students working at this

level. It is particularly suitable for students in English-speaking schools. Included is a mobile app for iPhone, Android, and mobile web browsers, allowing learners to check definitions and examples, and hear pronunciation, anywhere. The dictionary is ideal for intermediate-level learners of American English. It covers the words, phrases, and idioms that students at

this level need to learn and master to speak and write effective American English. It also includes a wide range of curriculum terms that students need for studying subjects through English. A wide range of vocabulary-building features, many of them with full-colour illustrations, help with learning new words. The dictionary also includes a new Visual Thesaurus, which provides

alternatives to the 50 most over-used words in English; an Activity Guide, which gives exercises in dictionary use; a Grammar reference; a Writer's Handbook, which gives guidance on spelling, punctuation, letter-writing, and CVs; a Speaker's Handbook, which gives advice on the best set phrases to use in key situations; Defining Vocabulary; Academic Word List; a List of

Headwords by Subject Area; a List of Irregular Verbs; a List of Prefixes and Suffixes. *A Dictionary of Modern Written Arabic* Longman A collection of animal fables told by the Greek slave Aesop.
