*The Rozabal Line* Harper  
Collins  
A cardboard box is found  
on a shelf of a London  
library where a copy of  
Mahabharata should have  
been. When the mystified  
librarian opens it, she

screams before she falls  
unconscious to the floor.  
An elite group calling  
itself the Lashkar-e-  
Talatashar has scattered  
around the globe, the fate  
of its members curiously  
resembling that of Christ  
and his Apostles. Their  
agenda is Armageddon. In  
the labyrinthine recesses  
of the Vatican, a beautiful  
assassin swears she will  
eliminate all who do not  
believe in her twisted

credo. In Tibet, Buddhist  
monks search for a  
reincarnation while in  
strife-torn Kashmir, a  
tomb called Rozabal holds  
the key to an ancient  
riddle. Father Vincent  
Sinclair, has disturbing  
visions of himself and of  
people familiar to him,  
except that they seem  
located in other ages. He  
goes to India to piece  
together the violent  
images burnt onto his

mind. Shadowing his  
every move is a

clandestine society, which  
would rather wipe out  
creation than allow an

ancient secret to be  
disclosed.
