The Macquarie Dictionary of English for the Fiji Islands is a guide to how English

is spoken in Fiji. The dictionary includes 18,000 carefully selected words, detailing English as it is spoken in Fiji, including common Fijian, Hindi and other words which are used daily when Fiji's citizens speak their common language. Included is the meaning, pronunciation, and often the derivation of words.

*With Examples of Common and Peculiar Modes of Expression and Uses of Words; Also, Containing Brief Hints on Native Customs, Proverbs, the Native Names of Natural Productions, and Notices of the Is* John Benjamins Publishing

This volume in memory of Terry Crowley covers a wide range of languages: Australian, Oceanic, Pidgins and Creoles, and varieties of English. Part I, Linguistic Description and Typology, includes chapters on topics such as complex

predicates and verb serialization, noun incorporation, possessive classifiers, diphthongs, accent patterns, modals in Australian English and directional terms in atoll-based languages. Part II, Historical Linguistics and Linguistic History, ranges from the reconstruction of Australian languages, to reflexes of Proto-Oceanic, to the lexicon of early Melanesian Pidgin. Part III, Language Development and Linguistic Applications, comprises studies of lexicography, language in education, and language endangerment and language revival, spanning the Pacific from South Australia and New Zealand to Melanesia and on to Colombia. The volume will whet the appetite of anyone interested in the latest linguistic research in this richly multilingual part of the globe.

*A Fijian and English and an English and Fijian Dictionary ... and a Grammer of the Language ...* Ams PressInc  
The Southeast Asia Program, Cornell University, recommends this book as the most up-to-date lexicographic source for the language, a reliable, practical guide that includes helpful notes on word usage and Fijian culture.  
*A Fijian and English dictionary* Glasgow : W. Guthrie ; obtainable from the Government Printer ; Suva, Fiji  
This comprehensive compilation presents the available reports on the medicinal use of Fijian plants in an attractive and readable form using 'everyday' terms as much as possible. The book covers the origin and dispersal

of plants, literature, use of medicinal plants within traditional Fijian culture, diseases of Fiji, and medicinal chemicals from plants. Four hundred and fifty plant species are described. The entries for species are arranged by plant family, and give current botanical name, Fijian or local name, brief botanical notes, medicinal uses and chemistry. Separate indexes to plant species and Fijian names are provided, as well as a glossary of medicinal and botanical terms. This book may point the way to plants from which new and effective cures might be obtained.

*Language Description, History and Development* CSIRO PUBLISHING Pacific Languages introduces readers to the grammatical features of Oceanic, Papuan, and Australian languages as well as to the semantic structures of these languages. For readers without a formal linguistic background, a brief introduction to descriptive linguistics is provided.

**Fijian and English Practical Dictionary, with Hand-book and**

**Grammar** University of Hawaii Press In *The Ways of the Word*, Garrett Stewart steps aside from theory to focus on the sheer pleasure of attentive reading and the excitement of recognizing the play of syllables and words upon which the best literary writing is founded. Emerging out of teaching creative writing and a broader effort to convene writers and critics, Stewart's "episodes in verbal attention" track the means to meaning through the byways of literary wording. Through close engagement with literary passages and poetic instances whose imaginative demands are their own reward, Stewart gathers exhibits from dozens of authors: from Dickinson, Dickens, and DeLillo to Whitman, Woolf, and Colson Whitehead. In the process, idiom, tense, etymology,

and other elements of expressive language and its phonetic wordplay are estranged and heard anew. The Ways of the Word fluidly and intuitively reveals a verbal alchemy that is as riveting as it is elusive and mysterious.

### Macquarie Dictionary of English for the Fiji Islands

This work is directed to those who want to learn more about the Fijian language. It is intended as a reference work, treating in detail such tropics as verb and noun classification, transitivity, the phonological hierarchy, orthography, specification, possession, subordination, and the definite article (among others). In addition, it is an attempt to fit these pieces together into a unified picture of the structure of the language.
