An essential guide for guitarists at any level.

Chords at Your Fingertips L.T.P. Publications

The Blues Bag is both a songbook and an instruction book. It is, first of all, an anthology of blues songs, some of which are very well known; others have (as far as I know) never been in print before. As such, it can be used simply as a vehicle for learning new songs, and providing the words and guitar chords for songs you already know. In addition, it provides for the learning guitarist fills, introductions, and turnarounds for the songs, as well as complete instrumental breaks for the majority of the blues presented in this collection. These breaks are written out both in standard music notation and guitar tablature.

The acoustic guitar fingerstyle method Oak Publications

(String Letter Publishing). Boost your blues I.Q. with this lively, comprehensive introduction to one of America's most vital musical legacies from the origins of the blues in the rural South and early masters like Charley Patton and Blind Lemon Jefferson, to the guitars and techniques used by acoustic blues players, then and now. Leading roots-music performer and recording artist Steve James answers 50 key questions for contemporary blues guitarists and fans alike and provides invaluable reference information on essential recordings, books, websites, workshops and more. With *Inside Blues Guitar*, you'll find the right gear, repertoire and resources to play the blues and truly appreciate America's most accessible and enduring musical tradition.

Inside Blues Guitar Guitar Books

This book is the fundamental chapter of solo fingerstyle blues guitar. This first book introduces basic elements of Blues music, specifically on chord, scale, rhythm, expressions and etc to do simple practices and trials. And integrated melodic demo practices are designed in a later section, allowing readers to play real Blues through the previous elements. Two-voice fingerstyle Blues practices are available in the end. For beginner guitar-learning friends who are curious and interested in Blues music, you may be able to experience and play it through the contents of this Book ONE. If you have

more and deeper interests, you may also read the later Book TWO for playing and practices. If you want to learn more about how to enrich your fingerstyle blues guitar playing as well as improvisation, Book TWO will be your next choice.
