A Chicago attorney scours the Big Apple for a missing bride and a wedding-night murderer in a mystery that's "Miss Rice at her best" (The New Yorker). On a break from the Windy City, aspiring crime novelist Jake Justus and his wife, Helene, are acquainting themselves with Manhattan's finest cocktail lounges when they befriend Dennis Morrison, a blind-drunk groom. The handsome former male escort thought he'd found his bounty in homely heiress Bertha Lutts, but while their wedding night may have been a bust, the morning after turned out to be the real horror. It seems Bertha has vanished from their bridal suite and in her place is an unidentified beheaded woman. Having taken a shine to Dennis, Jake and Helene call on his best defense: Chicago attorney John J. Malone. Winding his way through both the city's low lives and its high society, Malone quickly discovers a link between the nameless victim, the missing

bride, and a slick gigolo: a bohemian Greenwich Village poetess who is free with her verse, knows more than she realizes, and is becoming more frightened with every New York minute. But when Dennis disappears as well, Malone's left with the itchy feeling that another dead end is right around the corner. The basis for the 1945 film starring Carole Landis and Pat O'Brien, *Having Wonderful Crime* is "a pleasure to read as pure entertainment but there's a also a wicked social voice reporting back from the eyries of the wealthy and privileged. [Rice's] observations are worthy of Tom Wolfe at his best and nastiest" (Ed Gorman). *Having Wonderful Crime* is the 3rd book in the John J. Malone Mysteries, but you may enjoy reading the series in any order.

**Blue Cat Club (Penguin Readers Easy Starts TAPE 1☐) THE BLUE CAT CLUB(PENGUIN ACTIVE READING EASYSTARTS)(CD1☐☐☐)**The Blue Cat Club Powerful war machines of the far-future collide across a barren desert world in this post-apocalyptic debut novel from award-

winning Australian author Cat Sparks. Seventeen-year-old Star and her sister Nene are orphans, part of a thirteen-wagon caravan of nomadic traders living hard lives travelling the Sand Road. Their route cuts through a particularly dangerous and unforgiving section of the Dead Red Heart, a war-ravaged desert landscape plagued by rogue semi-sentient machinery and other monsters from a bygone age. But when the caravan witnesses a relic-Angel satellite unexpectedly crash to Earth, a chain of events begins that sends Star on a journey far away from the life she once knew. Shanghaied upon the sandship Dogwatch, she is forced to cross the Obsidian Sea by Quarrel, an ancient Templar supersoldier. Eventually shipwrecked, Star will have no choice but to place her trust in both thieves and priestesses while coming to terms with the grim reality of her past-and the horror of her unfolding destiny-as the terrible secret her sister had been desperate to protect her from begins to unravel. Meanwhile, something old and powerful has woken in the desert. A Lotus Blue, deadliest of all the ancient war machines. A warrior with plans of its own, far more significant than a fallen Angel. Plans that do not include the survival of humanity.

This author's works have been praised by numerous celebrities, the most notable being Nelson Mandela who described two of his African stories as 'Wonderful', the late Princess Diana who used to read two of his books to the Princes William and Harry when they were aged 9 and 7 years, and a former Chief Inspector of Schools for The Office for Standards in Education, Children's Services and Skills (OFSTED), who described the author's writing to the press as being of 'High quality literature.'The Kilkeny Cat has been written as a trilogy. Book One deals with the theme of 'truth', Book Two with 'justice', and Book Three on the theme of 'freedom'.All three books seek to show that truth, justice or freedom cannot exist in isolation, and that the only way one can experience any one of them is when one is able to experience all three.Book Three is set in the English North and has as its backdrop, the riots that embraced this area from the 1990s onwards. Recent riots all around the country merely reflect how deeply rooted the 'gang culture' of Great Britain has since become.The trilogy is designed to show that every country on the face of the Earth exercises discrimination against some of its citizens. The nature of discrimination may subtly change and vary from one country and situation to another in both shape and form, but it will always be present in some degree for those of us who care to look.Particular forms of discrimination looked at in this trilogy include the issues of colour, race, religion, age, culture, sexism, disability, homophobia, gypsies, asylum seekers, refugees and economic migrants.These issues are looked at through the eyes of travelling cats, whose experiences mirror those of human society. Overarching all the themes of this trilogy is the issue of 'Good' versus 'Evil', where the terms 'God' and 'Satan' are used to denote opposing values, qualities and lifestyles.The speech of the cat characters who come from Jamaica is distinguished from the speech used by non-Jamaican cats by changing the word 'you' to 'ya' and its linguistic associates, and no attempt has been made to replicate the patois more commonly used by many Jamaican citizens.The Kilkeny Cat Trilogy is an allegorical story of all manner of discrimination practised throughout the world; and particularly in Ireland, Jamaica and England. Told through the eyes and experiences of travelling gypsy cats, it is a must for all cat lovers

and students of the discrimination, the 'Northern Riots', Ireland, Jamaica and Northern England and 'Good v Evil.' It is suitable for reading by teenagers and adults.

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered

23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show*'s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world.

Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.
