POTTS CHANCE

God Given: The Complete Series Odette C. Bell

"This debut thriller reads like *The Devil Wears Prada* meets *Single White Female*. I couldn't put it down."—Catherine Steadman, author of *Something in the Water* and *Mr. Nobody* She's borrowed your life. But what if she decides to keep it? Glamorous Margot Jones is the fashion editor at glossy magazine *Haute*. Pregnant with her first child, Margot's carefully curated life is the object of other women's envy—who wouldn't want her successful career, loving husband, beautiful house, and stylish wardrobe? Maggie, a freelance journalist, certainly knows she doesn't measure up. But when she gets the temp job covering Margot's maternity leave, Maggie seizes the chance to live a flashier life—even if it's

only for a few months. But the simultaneous arrival of Margot's baby and a brutal end to her oldest friendship sends Margot into a spiral of insecurity and suspicion; normal preoccupations of new motherhood turn into dark and frightening paranoia. Who is the vicious online troll mocking Margot's facade of perfection and threatening to expose a dark secret she's spent years concealing? Are Maggie's newfound ambitions and plucky enthusiasm as innocent as they seem? And what happens when Margot is ready to return to her old life—especially if Maggie doesn't want to leave?

INVESTIGATION OF THE ASSASSINATION OF PRESIDENT JOHN F. KENNEDY

Odette C. Bell
Walker Easterling is a retired actor turned successful screenwriter living in the Vienna of strong coffee, fascinating friends, and mysterious cafes. When he falls in

love with Maris York, a beautiful artist who creates cities, his life becomes alive in fantastic and unsettling ways. As Walker's love for Maris grows, his life gets more and more bizarre—he discovers he can see things happening just before they happen, and at the same time feels an incredibly strong tug from his past—so a friend steers him to Venasque, an odd little man reputed to be a powerful shaman. Venasque helps Walker discover and unravel his many interconnected past lives, and it is soon clear that an unresolved conflict from these past lives has resurfaced, and now threatens to undo Walker and Maris's love. At once lyrical, frightening, funny, and sexy, *Sleeping in Flame* is a spellbinding tale where reality and fantasy merge in astonishing convolutions of magic and suspense. It confirms that Jonathan Carroll is one of the very few novelists who-by constantly surprising us—give us an

entirely new perspective on our world. It is no wonder that he is generally considered to be the most original and provocative novelist of his generation. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

"Dayspring, my dictionary tells me, is an archaic word meaning 'dawn.' But I have chosen Daysprings as the title for this collection of meditations for the several meanings in the ancient word and its components. I hope these brief reflections shed new light on old, familiar passages and illuminate the way through new ones. I also hope these pieces will prove to be springboards to new and creative meditation for readers, pastors, and preachers, and that they will find within these pieces an extra buoyancy for each day. Lastly, I hope these thoughts will flow like fresh, living waters through days of fast and feast, bringing refreshment. —from the Preface In his accompanying volume to Brightest and Best: A Companion to the Lesser Feasts and Fasts, Sam

Portaro offers meditations for each of the weekdays for the seasons of Advent, Christmas, Epiphany, Lent, Holy Week, and Easter. Following the lectionary texts for each day, he focuses on the seasonal themes of incarnation, manifestation, suffering, redemption, and resurrection, showing how the eternal truths of the gospel shed light on the ordinary and extraordinary events of our lives. Solidly grounded in the prayers and scriptures of these seasonal liturgies, Portaro's meditations bring fresh and powerful—sometimes pointed—insights for those who follow the daily readings and prayers of these days of the weeks in the church year as found in Lesser Feasts and Fasts.

The sharp edge of love... Brett MacLean was possessive. Even more since I became his. He was my desire...my ultimate pleasure...he was mine. As each day passed, he revealed a part of himself that had lain dormant. A broken childhood. A troubled man. One I was determined to help. After

JACK My life ended when I was sixteen. Not literally - I'm no ghost, I just feel like one. Byproduct of losing your pack to a plague that skips you by like you're not worth the effort. Chose all the good ones and you're what was left behind. Survivor's guilt, people call it. I just call it like I see it. I do a decent job of going through the motions. I've got a good reputation as an alpha, and everyone loves to joke about the only vegan alpha in North America. Some days even I'm convinced that this is it. As good as it gets. Then Dylan Kapernit walks into my shop and blows that theory to hell. Its like everything was gray and now there's technicolor. He pops, no matter what corner he tries to hide in. Like my eye can't help but be drawn to him, just to make sure he's alright. There's something about this widowed father that brings my protective alpha instincts surging to

the surface. In ways I've forgotten how to handle. So of course my efforts to make things better only make it all worse. Put Dylan, his whole family in danger. For a second, I forgot about the curse of being me. But I won't forget again. And I'll do whatever it takes to make it right. To make sure nothing ever threatens the man I love again. Even once I'm gone... DYLAN After my mate died, I was sure I would never love again. But I've got a track record of being wrong about everything. I thought Micah and I would grow old together. That one stupid mistake couldn't destroy my whole world. That I could be enough for my daughter, that I could make up for my past sins. I thought I was doing okay. I don't know what I believe in anymore, but I know it's not myself. Which is why I can't tell if Jack Hickam is my redemption or my punishment. One moment he's everything I thought I'd never have again, and the next he's my new greatest mistake, bringing unimaginable danger to my door. My daughter's door. Only now it seems I was wrong again, that I turned my back on the

one man who just wanted to have it. I don't know if I'm too late to fix things. I always have been before. All I know is I still have to try. This 50,000 word novel about vegan alphas, mpreg, and life after loss comes complete with a HEA no one's immune to - as long as they're over eighteen

Unseen Hands in the Affairs of Men ABC-CLIO Warren Commission Report is the result of the investigation regarding the assassination of United States President John F. Kennedy. The U.S. Congress passed Senate Joint Resolution 137 authorizing the Presidential appointed Commission to report on the assassination of President John F. Kennedy, mandating the attendance and testimony of witnesses and the production of evidence. After eleven months of the investigation the Commission presented its findings in 888-page final report. The key findings presented in this report were that President Kennedy was assassinated by Lee Harvey Oswald, that Oswald acted entirely alone and that Jack Ruby also acted alone when he killed Oswald two days later. The Commission's

findings have proven controversial and have been both challenged and supported by later studies.
