YORK PUBLIC LIBRARY AND HARVARD CRIMSON AND ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Time • Chicago Tribune • The Washington Post • NPR • Variety • Esquire • Vox • Elle • Glamour • GQ • Good Housekeeping • The Paris Review • Paste • Town & Country • BookPage • Kirkus Reviews • BookRiot • Shelf Awareness Jia Tolentino is a peerless voice of her generation, tackling the conflicts, contradictions, and

sea changes that define us and our time. Now, in this dazzling collection of nine entirely original essays, written with a rare combination of give and sharpness, wit and fearlessness, she delves into the forces that warp our vision, demonstrating an unparalleled stylistic potency and critical dexterity. *Trick Mirror* is an enlightening, unforgettable trip through the river of self-delusion that surges just beneath the surface of our lives. This is a book about the incentives that shape us, and about how hard it is to see ourselves clearly through a culture that revolves around the self. In each essay, Tolentino writes about a cultural prism: the rise of the nightmare social internet; the advent of scamming as the definitive millennial ethos; the literary heroine's journey from brave to blank to bitter; the punitive dream of optimization, which insists that everything, including our bodies, should become more efficient and beautiful until we die. Gleaming with Tolentino's sense of humor and capacity to elucidate the impossibly complex in an instant, and marked by her desire to treat the reader with profound honesty, *Trick Mirror* is an instant classic of the worst decade yet. THE BLOOD KNOT

Univ of California Press

One man stood between them and us. U.S. Marshal Jameson Arkeley—the country's foremost authority on vampires—taught police investigator and vampire fighter Laura Caxton everything she knows about monsters. After a bloody war visited upon Gettysburg by an army of vampires, Arkeley gave up his own life to save others. Except he didn't exactly die . . . Arkeley accepted the curse and is now a vampire himself. What's worse, he's the savviest vampire ever—he knows all the tricks better than anyone. Caxton is now faced with the task of destroying him. But Arkeley knows all her tactics too; after all, he taught them to her. Caxton realizes she must finish Arkeley before he succeeds in his quest to exterminate his own family, one member at a time. But even more important, she has to prevent him from becoming a beast exponentially more dangerous—a Vampire Zero. The author of *13 Bullets and 99 Coffins*, David Wellington takes the Laura Caxton series to a whole new level in this action-packed third volume.

The Betrothed Farrar, Straus and Giroux

HANDBAGGED imagines what really happened in the private meetings between two of the world's most powerful women: the Iron Lady, Margaret Thatcher, and Queen Elizabeth II. Born just six months apart, each leader has the capacity to change the world, but how the world should be changed is another story altogether. Will Mags and Liz find common ground in tumultuous times, or will the gloves come off at Buckingham Palace?

A TERRORIST, A PRESIDENT, AND THE RISE OF THE DRONE

Nilo Cruz is the most produced Cuban-American playwright in the U.S. and was the first dramatist of Hispanic descent to receive the Pulitzer-Prize. In his plays, Cruz almost always journeys back to Cuba, even when the play is not set there. Cruz is a sensualist, a conjurer of mysterious voyages and luxuriant landscapes. He is a poetic chronicler, a documentarian of the presence of Latin people in American life. He conveys the strength and persistence of the Cuban spirit through a wholly dramatic imagination. This volume also includes *A Bicycle Country* and the one-act play, *Capricho*.

Reflections on Self-Delusion Dramatists Play Service, Inc.

"Shellie and Dex meet on a plane during an airport layover in Chicago. After a quick seduction, each stranger playing a version of themselves, they have a playful yet passionate one-night stand. In the following months, their external lives with their respective partners remain the same, but the impact of their liaison soon invades their psychological landscapes. Their personal dramas unfurl simultaneously, until romantic obsession and intense loneliness drive them toward an inevitable and tragic reunion."--

All new and original to this volume, the 21 stories in *Dangerous Women* include work by twelve New York Times bestsellers, and seven stories set in the authors' bestselling continuities—including a new "Outlander" story by Diana Gabaldon, a tale of Harry Dresden's world by Jim Butcher, a story from Lev Grossman set in the world of *The Magicians*, and a 35,000-word novella by George R. R. Martin about the Dance of the Dragons, the vast civil war that tore Westeros apart nearly two centuries before the events of *A Game of Thrones*. Also included are original stories of dangerous women--heroines and villains alike--by Brandon Sanderson, Joe Abercrombie, Sherrilyn Kenyon, Lawrence Block, Carrie Vaughn, S. M. Stirling, Sharon Kay Penman, and many others. Writes Gardner Dozois in his Introduction, "Here you'll find no hapless victims who stand by whimpering in dread while the male hero fights the monster or clashes swords with the villain,

and if you want to tie these women to the railroad tracks, you'll find you have a real fight on your hands. Instead, you will find sword-wielding women warriors, intrepid women fighter pilots and far-ranging spacewomen, deadly female serial killers, formidable female superheroes, sly and seductive femmes fatale, female wizards, hard-living Bad Girls, female bandits and rebels, embattled survivors in Post-Apocalyptic futures, female Private Investigators, stern female hanging judges, haughty queens who rule nations and whose jealousies and ambitions send thousands to grisly deaths, daring dragonriders, and many more." Designed for the novice or for a course in film editing, the book is the perfect introductory text. Editing is the art of using the building blocks supplied by the writer and director to create a structurally sound and brilliant piece of cinematic dazzle. As the word is to the sentence, so the shot is to the scene, and the editor must "write" coherently. This book teaches the aspiring editor how to speak the inspiring language of images. For projects, it covers the latest version of Final Cut Express, contains structured exercises, and uses video clips on the companion DVD, to allow the reader to apply the lessons of the book in clear and entertaining ways. Solutions to exercises and PowerPoint slides are available to instructors.

Bachelorette Bachelorette

Read Julie Klausner's posts on the Penguin Blog In the tradition of Cynthia Heimel and Chelsea Handler, and with the boisterous

iconoclasm of Amy Sedaris, Julie Klausner's candid and funny debut *I Don't Care About Your Band* sheds light on the humiliations we endure to find love--and the lessons that can be culled from the wreckage. *I Don't Care About Your Band* posits that lately the worst guys to date are the ones who seem sensitive. It's the jerks in nice guy clothing, not the players in Ed Hardy, who break the hearts of modern girls who grew up in the shadow of feminism, thinking they could have everything, but end up compromising constantly. The cowards, the kidults, the critics, and the contenders: these are the stars of Klausner's memoir about how hard it is to find a man--good or otherwise--when you're a cynical grown-up exiled in the dregs of Guyville. Off the popularity of her New York Times "Modern Love" piece about getting the brush-off from an indie rock musician, *I Don't Care About Your Band* is marbled with the wry strains of Julie Klausner's precocious curmudgeonry and brimming with truths that anyone who's ever been on a date will relate to. Klausner is an expert at landing herself waist-deep in crazy, time and time again, in part because her experience as a comedy writer (Best Week Ever, TV Funhouse on SNL) and sketch comedian from NYC's Upright Citizens Brigade fuels her philosophy of how any scene should unfold, which is, "What? That sounds crazy? Okay, I'll do it." *I Don't Care About Your Band* charts a distinctly human journey of a strong-willed but vulnerable protagonist who loves men like it's her job, but who's done with guys who know more about love songs than love. Klausner's is a new outlook on dating in a time of pop culture obsession, and she spent her 20's doing personal field research to back up her philosophies. This is the girl's version of High Fidelity. By turns explicit, funny and moving, Klausner's debut shows the evolution of a young woman who endured myriad encounters with the wrong guys, to emerge with real-world wisdom on matters of the heart. *I Don't Care About Your Band* is Julie Klausner's manifesto, and every one of us can relate.

"With fearless curiosity and fun feminism, the book asks such questions as: Why do brides need their parents' permission to marry? Why don't men wear engagement rings? And why do women change their surname? With cheeky insights into the origins of Western wedding traditions (like how the wedding cake is not just dessert but a sexy fertility talisman), Majkut uncovers eye-opening truths about how social traditions impact people's lives. More than a wedding planning book, readers will learn how to modernize outdated traditions that support the wage gap, street harassment, sex and gender discrimination, and that limit reproductive rights."--Amazon.com.

David Mamet is one of America's most celebrated playwrights. The author of plays, screenplays, poetry, essays, and children's books, he has won many awards, including the Pulitzer Prize for Glengarry Glen Ross. The Obie award-winning *Sexual Perversity in Chicago* is about two office workers, Danny and Bernie, on the make in the swinging singles scene of the early 1970s. Danny meets Deborah in a library and soon they are not only lovers but roommates, and their story quickly evolves into a modern romance in all its sticky details. *The Duck Variations* is a dialogue between two old men sitting on a park bench. The conversation turns to the mating habits of ducks, but soon begins to reveal

their feelings about natural law, friendship, and death. New York magazine has called *The Duck Variations* “a gorgeously written, wonderfully observant piece whose timing and atmosphere are close to flawless.”

Speed-the-Plow is an exhilaratingly sharp, comical, disturbing play about the power of money and sex in Hollywood, and how they

corrupt two movie producers. *Speed-the-Plow* opened at Lincoln Center to sold-out seats, rave reviews and much fanfare in March 1988—starring Madonna, Joe Mantegna, and Ron Silver—and later moved to and had a long-standing run on Broadway.

for private writing classes with Leonard (JEFF GOLDBLUM), an international literary figure. Under his recklessly brilliant and unorthodox instruction, some thrive and others flounder, alliances are made and broken, sex is used as a weapon and hearts are unmoored. The wordplay is not the only thing that turns vicious as innocence collides with experience in this biting Broadway comedy.
