The wood. The  
thorns. The  
nails. Christ's  
sacrifice has  
defined the  
very essence  
of mankind's  
faith for the  
past 2000  
years. And  
now, Max  
Lucado invites  
you to  
examine the  
cross,

contemplate  
its purpose,  
and celebrate  
its significance  
with He Chose  
the Nails. With  
his warm,  
caring style,  
Max examines  
the symbols  
surrounding  
Christ's  
crucifixion,  
revealing the  
claims of the  
cross and  
asserting that  
if they are  
true, then  
Christianity  
itself is true.  
The

supporting  
evidence  
either makes  
the cross the  
single biggest  
hoax of all  
time, or the  
hope of all  
humanity

Do you ever  
feel like a  
second-class  
citizen in this  
world? Do you  
wonder how  
God could  
possibly use  
you to change

lives? For women in Bible times, these weren't even questions they thought about. Being overlooked, marginalized, having your contributions discounted because you're a woman...it's just the way things were. In this 10-lesson workbook, Max Lucado tells some of his favorite accounts of women in Scripture and the remarkable way God broke down cultural barriers to use

them in the unfolding of His story. You will discover... Sarah, the woman whom God promised would give birth to a nation, but who tried to rush things when God's promises didn't seem to be coming to pass. Rahab, a prostitute in the Canaanite city of Jericho, who would save herself and her family through her faith in the one true God of the Israelites. Abigail, a woman forced to play peacemaker

by the barbaric behavior of her husband. Esther, a young queen whom God placed in the Persian court for "such a time as this" to prevent the genocide of the Jewish people. Mary, the young virgin pledged to Joseph, whom God would choose to give birth to Jesus, the promised Messiah who would save the world. The Samaritan Woman, who would meet this Messiah at a well one day. His words

would forever  
after change  
her life. The  
Canaanite  
Woman, who  
made God  
smile with her  
wit and faith,  
and who  
received from  
Jesus an  
answer to her  
prayer. Mary  
of Bethany, a  
friend of Jesus  
who witnessed  
the  
resurrection of  
her brother,  
Lazarus, and  
then anointed  
Christ in  
anticipation of  
his death and  
resurrection.  
Mary  
Magdalene,  
who followed  
Jesus despite  
the injustice of  
a world that  
judged her for

her past and  
said she would  
always be  
considered a  
failure.  
Sapphira, a  
woman in the  
early church  
who, along  
with her  
husband,  
made the  
unfortunate  
(and deadly)  
decision to lie  
to the Holy  
Spirit. These  
stories show  
us there is a  
God who sees  
us where we  
are and loves  
us for who we  
are. He is the  
one who  
hovers over all  
the pages of  
the Bible,  
shaping lives,  
rescuing  
hearts,  
healing

sicknesses,  
raising what  
was dead to

Fear may fill

heart. Each

reasons for  
fear. Layoffs

Slowdowns in  
the economy.  
Health scares.  
Division.  
Oversized and  
rude, fear  
herds us into  
the prison of

our anxious minds and keeps us from the freedom Christ offers. New York Times bestselling author and pastor Max Lucado invites us to turn to faith, not fear, as our default reaction to the threats of life. In this book, Max will help you: Find freedom from the fear of insignificance. Take comfort that the Lord will never leave your side. Unleash your worries and become filled with peace. Today, learn to trust

more and fear less. Unshakable Hope Thomas Nelson You know your Goliath. You recognize his walk, the thunder of his voice. He taunts you with bills you can't pay, people you can't please, habits you can't break, failures you can't forget, and a future you can't face. But just like David, you can face your giant, even if you aren't the strongest, the smartest, the best equipped, of the holiest.

David. You could read his story and wonder what God saw in him. His life has little to offer the unstained, straight-A saint. He fell as often as he stood, stumbled as often as he conquered. But for those who know the sound of Goliath, David gives this reminder: Focus on giants -- you stumble; focus on God -- your giants tumble. If you're ready to face your giants, let his story inspire you. The same

God who helped him will help you. 365 Days of Prayer for Women  
 Thomas Nelson Inc  
 The power of the gospel to transform individual lives has been evident throughout New Testament history. But what of the darkness and poverty that enslave entire nations? Miller builds a powerful, convincing thesis that God's truth can free whole societies from deception and poverty.

Excellent study of worldviews!  
**Suffering Is Never for Nothing**  
 Thomas Nelson  
 The author paints a picture of Christ's calm in what he calls "the second most stressful day in the life of our Savior." He shows the secret of transforming panic into peace, stress into serenity, and chaos into control.  
**STRONG FAITH**  
 Thomas Nelson  
 Are you ready

for eternity? If so, are you helping others get ready for that journey into eternity that each of us must take? As believers, we all know we should tell others about the Lord, but we often don't know how. This practical book will give you ideas for starting conversations, examples of witnessing situations, and answers to common questions. It will help motivate and equip you to reach both friends and strangers for

Jesus for the rest of your life! Book jacket.

## **BECAUSE I LOVE YOU**

Thomas Nelson  
Does life feel futile? Your failures fatal? And the grave the final stop? If so, there is a truth greater than all the losses and sorrows of life that can be discovered in the life, death, and resurrection of Jesus Christ. This truth was all realized in the course of a single day. A single Friday. All accomplished

during six hours, one Friday. In Six Hours One Friday you will delve deeply into the meaning of Jesus' last hours on the cross. Through his death, your life has purpose and meaning. You are forgiven and loved by a Savior who died for you. And an empty tomb proclaims that death does not have the final word. In this book, pastor and New York Times bestselling author Max Lucado

encourages us that Jesus bring us: Peace where there should be pain. Confidence in the midst of crisis. Hope that defies despair. Does death have the last word? Jesus winks as he answers, "Not on your life."

Hard times come for all in life, with no real explanation. When we walk through suffering, it has the

potential to devastate and destroy, or to be the gateway to gratitude and joy. Elisabeth Elliot was no stranger to suffering. Her first husband, Jim, was murdered by the Waoroni people in Ecuador moments after he arrived in hopes of sharing the gospel. Her second husband was lost to cancer. Yet, it was in her deepest suffering that she learned the deepest lessons about God. Why doesn't God

do something about suffering? He has, He did, He is, and He will. Suffering and love are inexplicably linked, as God's love for His people is evidenced in His sending Jesus to carry our sins, griefs, and sufferings on the cross, sacrificially taking what was not His on Himself so that we would not be required to carry it. He has walked the ultimate path of suffering, and He has won victory on our

behalf. This truth led Elisabeth to say, "Whatever is in the cup that God is offering to me, whether it be pain and sorrow and suffering and grief along with the many more joys, I'm willing to take it because I trust Him." Because suffering is never for nothing. *Six Hours One Friday* Thomas Nelson  
In *Seven Men*, New York Times bestselling author Eric Metaxas presents

seven exquisitely crafted short portraits of widely known—but not well understood—Christian men, each of whom uniquely showcases a commitment to live by certain virtues in the truth of the gospel. Written in a beautiful and engaging style, *Seven Men* addresses what it means (or should mean) to be a man today, at a time when media and popular culture present

images of masculinity that are not the picture presented in Scripture and historic civil life. This book answers questions like: What does it take to be a true exemplar as a father, brother, husband, leader, coach, counselor, change agent, and wise man? What does it mean to stand for honesty, courage, and charity? And how can you stand especially at times when the culture and the world

run counter to those values? Each of the seven biographies represents the life of a man who experienced the struggles and challenges to be strong in the face of forces and circumstances that would have destroyed the resolve of lesser men. Each of the seven men profiled—George Washington, William Wilberforce, Eric Liddell, Dietrich Bonhoeffer, Jackie

Robinson, John Paul II, and Charles Colson—call the reader to a more elevated walk and lifestyle, one that embodies the gospel in the world around us.

### **Discipling Nations**

Thomas Nelson Publishers Francis Schaeffer was a well-known, extremely influential apologist and thinker who made his mark defending orthodox truth in the face of strong opposition. He was foremost in the vocation of apologetic ministry, and he was a

brilliant man whom God used mightily during the decades of the 1960s, 70s, and 80s. In Truth with Love, Bryan Follis explores the theology and thinking that fueled the ministry of Francis Schaeffer, from his Reformed position to his understanding of fundamentalism. Follis examines Schaeffer's apologetic argument and the role of reason in his discussions and writings. The position

Francis Schaeffer took against modernism and its applicability in this day of postmodernism are studied as well. This book is a beneficial resource for any Francis Schaeffer fan and any minister, teacher, or student who appreciates truth and its defense in the face of different kinds of opposition.
