An intense psychological thriller for readers of I Am Watching You, The Luckiest Girl Alive, and All the Missing Girls. Two missing girls. Thirteen years apart. Olivia Shaw has been missing since last Tuesday. She was last seen outside the entrance of her elementary school in Hunts Point wearing a white spring jacket, blue jeans, and pink boots. I force myself to look at the face in the photo, into her slightly smudged features, and I can't bring myself to move. Olivia Shaw could be my mirror image, rewound to thirteen years ago. If you have any knowledge of Olivia Shaw's whereabouts or any relevant information, please contact... I've spent a long time peering into the faces of girls on missing posters, wondering which one replaced me in that basement. But they were never quite the right age, the right look, the right circumstances. Until Olivia Shaw, missing for one week tomorrow. Whoever stole me was never found. But since I was taken, there hasn't been another girl. And now there is.

KNOCKIN' ON EVIL'S DOOR Werewolves. Trolls. Sea Monsters. Rain of toads. Skyquakes. Sunnydale is being besieged by dark forces. But even with Buffy providing her unique style of damage control while Giles is hospitalized out of town, it's more than one Slayer can handle -- especially since the abominations are coming from a centuries-old portal through time and space. Somehow, the hell-hole must be found and corked at its source. For Buffy, Angel, and the rest of her gang, that means a road trip to Boston where an ailing Gatekeeper resides over a supernatural mansion that has been, until recently, holding the world's worst monsters at bay. Once there, Buffy discovers the catastrophic truth: the magical structure houses thousands of rooms, all of which are doorways to limbo's "ghost roads," and all of which may bring her face-to-face with the most nefarious forces in hell and on earth -- forces bent on horrific plans far worse than the Slayer ever imagined.

THE REBEL KILLER (JACK LARK, BOOK 7)

St. Martin's Press

With shades of E. Lockhart's *We Were Liars* and Courtney Summers's *Sadie*, this dark and twisted mystery set in a divided Maine seaside town simmers with unresolved tensions and unpredictable truths. Everyone in Tenney's Harbor knows about the Garrison tragedy. How an unexplained fire ravaged their house, killing four of the five family members. But what people don't know is who did it. All fingers point at Pearl Haskins' father, who was the caretaker of the property, but Pearl just doesn't believe it. Leave it to a town of rich people to blame "the help." With her disgraced father now trying to find work in between booze benders, Pearl's future doesn't hold much more than waiting tables at the local country club, where the wealthy come to flaunt their money and spread their gossip. This year, Tristan, the last surviving Garrison, and his group of affluent and arrogant friends have made a point of sitting in Pearl's section. Though she's repulsed by most of them, Tristan's quiet sadness and somber demeanor have her rethinking her judgments. Befriending the boys could mean getting closer to the truth, clearing her father's name, and giving Tristan the closure he seems to be searching for. But it could also trap Pearl in a sinister web of secrets, lies, and betrayals that would leave no life unchanged...if it doesn't take hers first.
