Accounting Principles, 11th Edition Wiley

Weygandt Accounting Principles starts with what students know. In the new Ninth Edition, students clearly see the relevance of accounting in their everyday lives and are therefore motivated to do the work assigned. Weygandt Accounting Principles introduces challenging accounting concepts with examples that are familiar to the student. This connection to their everyday lives helps build student motivation, a key driver of student time spent on assignments and ultimately their mastery of the concept.

Accounting Principles Wiley

For over twelve years, Weygandt, Kieso, Kimmel, Trenholm, Kinnear, Barlow Accounting Principles has been praised by both instructors and students across the country for its outstanding visual design, its carefully integrated pedagogy, and its excellent writing style and clarity of presentation. Our main focus continues to be 'Student Success in Accounting' and the new sixth edition package further enables both instructors and students to achieve successful learning outcomes. It introduces challenging accounting concepts through examples that are familiar to the student with a stepped-out pedagogy that breaks down complex topics making the material more manageable. This connection to their everyday lives helps build student motivation, a key driver of student time spent on assignments and ultimately their mastery of the concepts. Accounting Principles, Sixth Canadian Edition enables students to become independent and successful learners by including a variety of additional resources, more opportunities to use technology, and new features that empower students to apply what they have learned in the classroom to the world outside the classroom. The

seamlessly integrated digital and print resources to accompany Accounting Principles, Sixth Canadian Edition offer additional tools for both instructors and students in order to help students succeed.
