SARA MAYA

U2 John Blake

A exploration of the Beatles and U2 parallel, with a focus on the work and political interests of John Lennon and Bono.

Listening to Religion in Popular Music Bloomsbury Publishing USA

"A love story for the ages" from # 1 New York Times bestselling author Kate Fagan comes an unforgettable story about basketball and the enduring bonds between a father and daughter that "will heal relationships and hearts." (Glennon Doyle) Kate Fagan and her father forged their relationship on the basketball court, bonded by sweaty high fives and a dedication to the New York Knicks. But as Kate got older, her love of the sport and her closeness with her father grew complicated. The formerly inseparable pair drifted apart. The lessons that her father instilled in her about the game, and all her memories of sharing the court with him over the years, were a distant memory. When Chris Fagan was diagnosed with ALS, Kate decided that something had to change. Leaving a high-profile job at ESPN to be closer to her mother and father and take part in his care, Kate Fagan spent the last year of her father's life determined to return to him the kind of joy they once shared on the court. All the Colors Came Out is Kate Fagan's completely original reflection on the very specific bond that one father and daughter shared, forged in the love of a sport which over time came to mean so much more. Studded with unforgettable scenes of humor, pain and hope, Kate Fagan has written a book that plumbs the mysteries of the unique gifts fathers gives daughters, ones that resonate across time and circumstance.

Ten Years on the Road with U2 McGraw-Hill/Contemporary

For more than two decades, U2 has been in the vanguard of rock music, and Lola Cashman is one of the few ever to have been allowed into the inner sanctum of the U2 entourage. Hired by Bono to completely revamp the band's image, she came away with a rare insider's perspective. Capturing both the music and the mayhem, this is an eye-opening account of life on the road with U2. Lola Cashman is a top stylist who has worked with stars as diverse as U2, George Michael, and the Pet Shop Boys.

Last of the Moe Haircuts Omnibus Press& Schirmer Trade Books

From TV personality and radio host Bill Flanagan comes a highly entertaining time-traveling adventure novel about how the past never gives up its hold on the present and how even sixty-five-year-olds are still kids at heart. If you had the chance to live your life over again, knowing everything that you know now, would you take it? Would you still take it if it meant losing everything you have today? Would a second chance to correct every

mistake and missed opportunity be worth giving up the world you know and the life you have built? In Fifty in Reverse, fifteen-year-old Peter Wyatt does just that. In the spring of 1970, Harvard psychologist Terry Canyon is introduced to Peter, a quiet kid from a wealthy family who has been suspended from ninth grade for stripping off his clothes in Algebra class. When Terry asks Peter why he did it, the boy explains that he was trying to “shock myself awake.” It turns out that Peter believes he is a sixty-five-year-old man who went to sleep in his home in New York in the year 2020 and woke up in his childhood bedroom fifty years earlier. Hilariously depicting Peter's attempts to fit in as a fifteen-year-old in 1970 and to cope with the tedium, foolishness, and sexual temptations of high school as he tries to retain the sense of himself as a sixty-five-year-old man, Fifty in Reverse is a thought-provoking and enlightening novel about second chances and appreciating the life you have today.

ON THE ROAD WITH U2

U2 at the End of the WorldDelta

A Novel Simon and Schuster

U2 and the Religious Impulse examines indications in U2's music and performances that the band work at conscious and subconscious levels as artists who focus on matters of the spirit, religious traditions, and a life guided by both belief and doubt. U2 is known for a career of stirring songs, landmark performances and for its interest in connecting with fans to reach a higher power to accomplish greater purposes. Its success as a rock band is unparalleled in the history of rock 'n' roll's greatest acts. In addition to all the thrills one would expect from entertainers at this level, U2 surprises many listeners who examine its lyrics and concert themes by having a depth of interest in matters of human existence more typically found in literature, philosophy and theology. The multi-disciplinary perspectives presented here account for the durability of U2's art and offer informed explanations as to why many fans of popular music who seek a connection with a higher power find U2 to be a kindred spirit. This study will be of interest to scholars and students of religious studies and musicology, interested in religion and popular music, as well as religion and popular culture more broadly.

The End of Poverty Bloomsbury Publishing

This new and updated edition of U2 A Diary brings U2s story up to date with information about the band's ground-breaking film, U2 3D, recording sessions for No Line on the Horizon and the story of how the album was leaked online twice before its official release, the U2 360 world tour and Bono's back injury that forced an entire leg to be postponed and the band's struggles to decide how to follow No Line on the Horizon and the 360 Tour

with new material. Here is the complete history of U2 told exactly as it happened in day-by-day diary format. As well as following the mid-1970's birth of the band to the present day in journal form, *U2: A Diary* also includes new revelations and fresh insights into key moments of U2's development. Through interviews and extensive research, author Matt McGee sheds light on stories. Fully illustrated with pictures spanning the bands career, this is a fanatically detailed account of a legendary group's life!

[How the Beatles and U2 Changed the World](#) Pan Macmillan

Bono is one of the most influential musicians at work today. Over the past twenty-five years his band, U2, have sold a staggering 130 million albums and collected 14 Grammys. Their success has made Bono one of the most recognisable faces in the world. Here, in a series of conversations with his friend, the music journalist, Michka Assayas, Bono reflects on his transformation from extrovert singer of a small, Irish, post-punk band into an international rock star. Along the way he speaks candidly about his childhood, about his mother's death, about his Christian faith and about his difficult relationship with his father, who died recently. Bono also speaks passionately about how he has used his fame as a platform to campaign fervently on a range of global issues, and why these issues - which include the IRA ceasefire, Third World debt and, most recently, the growing AIDS crisis in Africa - are so important to each of us. Intimate, humorous, and fiercely opinionated, *BONO ON BONO* is Bono's story in his own words. It will fascinate and challenge fans of U2 and general readers alike.

A Concert Documentary HarperCollins UK

Underpinning the popularity of U2 is their passion for touring. For the first time the band has agreed to allow a book on this vital part of their creative energy to be published. Photographs are hand-picked from their archive.

Why U2 Matters to Those Seeking God Omnibus Press

THE YEAR IS 1967. In England, and around the world, rock music is exploding—the Beatles have gone psychedelic, the Stones are singing "Ruby Tuesday," and the summer of love is approaching. For Jack Flynn, a newly minted young solicitor at a conservative firm, the rock world is of little interest—until he is asked to handle the legal affairs of Emerson Cutler, the seductive front man for an up-and-coming group of British boys with a sound that could take them all the way. Thus begins Jack Flynn's career with the Ravons, a forty-year journey through London in the sixties, Los Angeles in the seventies, New York in the eighties, into Eastern Europe, Africa, and across America, as Flynn tries to manage his clients through the highs of stardom, the has-been doldrums, sellouts, reunions, drug busts, bad marriages, good affairs, and all the temptations, triumphs, and vanities that complicate the businesses of music and friendship. Spanning the decades and their shifting ideologies, from the wild abandon of the sixties to the cold realities of the twenty-first century, *Evening's Empire* is filled with surprising, sharply funny, and perceptive riffs on fame, culture, and world events. A firsthand observer and remarkable storyteller, author Bill Flanagan has created an epic of rock-and-roll history that is also the life story of a generation.

Join me on my musical journey on the road with U2 to the 75 shows I have seen since the Zoo TV tour in 1992. Meeting Bono in Jersey, hugging Larry in Baltimore, having a drink with Larry in Providence, talking with Bono in Seattle, hugging Larry again in Pittsburgh - just to name a few.

Once Upon an Alphabet Bloomsbury Publishing USA

Get an inside look at one the greatest rock bands of all time! They've frequently been described as the biggest band in the world. The Joshua Tree alone has sold more than 15 million copies worldwide. They hold the record for the most Grammy wins by a rock act. And their 360 tour, which started in 2009, attracted more than seven million fans and is one of the highest-grossing tours of all time. U2 has revolutionized the definition of rock band by staying true to its beliefs and passions, through meteoric success, public controversy, and an astounding forty-year working relationship. Now for the first time, get the complete photographic history of one of the world's most influential and legendary rock bands. Mat Snow's *U2: Revolution* is lushly illustrated with over 200 photos and 2 gatefold timelines exploring the band's incredible history. Starting with their roots in Dublin where the four teenaged friends first started playing together in Larry Mullen's kitchen, Snow follows the band through their debut album, *Boy*, their chart-topping albums of the 1980s, their record-breaking tours and global activism of the 1990s, and their reflective reconnection with core fans in the twenty-first century.

CALL ME THE SEEKER

U2 at the End of the World

Perfect for gift-giving, here is THE alphabet book to top all others, an over-sized work of brilliance from the illustrator of the #1 New York Times bestselling *The Day the Crayons Quit!* If words make up the stories and letters make up the words, then stories are made up of letters. In this menagerie we have stories made of words, made FOR all the letters. The most inventive and irresistible book of the year spans a mere 26 letters (don't they all!) and 112 pages. From an Astronaut who's afraid of heights, to a Bridge that ends up burned between friends, to a Cup stuck in a cupboard and longing for freedom, *Once Upon an Alphabet* is a creative tour de force from A through Z. Slyly funny in a way kids can't resist, and gorgeously illustrated in a way readers of all ages will pour over, this series of interconnected stories and characters explores the alphabet in a way that will forever raise the bar. In *Once Upon an Alphabet*, #1 New York Times bestseller Oliver Jeffers has created a stunning collection of words and artwork that is a story book, alphabet book, and gorgeously designed art book all in one. Praise for *ONCE UPON AN ALPHABET: An Amazon Best Book of 2014! A Publishers Weekly Best Book of the Year! A School Library Journal Best Book of the Year! A New York Times Bestseller!* * "The silly, spare, slightly surreal text occasionally rhymes and endlessly surprises. An utterly delightful alphabet book."-Kirkus Review, starred review * "With wry humor, equally droll ink illustrations, and a solid dose of alliteration, Jeffers creates delightful mini-narratives for each letter of the alphabet."-Publishers Weekly, starred review * "An altogether stimulating, surprising, and satisfying reading experience."-School Library Journal, starred review * "Whimsical, funny, occasionally tragic, and highly entertaining, this collection of (sometimes) interlocking tales is brilliantly inventive."-Horn Book, starred review "Jeffers knows how to catch the attention of his young audience while challenging their imagination, intellect and vocabulary. This whimsical exploration of letters and language begs to be read over and over again."-BookPage "Handsome, humorous and clad in bright tomato-red, [this] is the sort of book you may want to rush into the arms of imaginative, good-natured children between 4 and 10 years old. [T]his is no traditional abecedarian exercise. The stories are wonderfully varied, sometimes philosophical and often end surprisingly; the drawings are just as quirky and unpredictable."-The Wall Street Journal "[W]itty from A to Z . . . no one would blame you for having a copy even if there are no kids in the house. Think of it as Edward Gorey for the preschool set — and their hip parents."-The Washington Post

[Take Me Higher](#) Tu Books

U2 were Formed at a Dublin Secondary School by Adam Clayton, Bono, The Edge and Larry Mullen Jr. Like most bands, they wanted to be among the best in the world. By 1991, with *Achtung Baby* in the pipeline and *War*, *The Unforgettable Fire* and *The Joshua Tree* behind them, they were arguably deserving of that intention. Yet there was more to the band than the stadium records that made their fans deliriously happy and the music's creators artistically and lucratively fulfilled. Their second album, *October*, opened the four piece into a spiritual journey that fed their later work. Their double album *Rattle and Hum* proved one of the greatest torchbearers of American music of its time. And then there were *Zooropa* and *Pop* - dance oriented albums that showed the initially-punk oriented quartet exploring effects, sounds and territories that few of their contemporaries dared contemplate. That they should exist forty years after their debut is testament to the will, fortitude and versatility U2 holds. Their most recent works *Songs of Innocence* and *Songs of Experience* have proven their most reflective and perhaps their most autobiographical. What lies next for U2 only the band know, but this book delves into their past work, without leaving a passenger behind.
