VOLVO Penta Workshop Manual Haynes Manuals

Diesel engines are installed in just about every yacht and in most large motorboats. This book explains how to prevent problems, troubleshoot and make repairs using safe techniques. It will help you save money on expensive bills for yard work you could do yourself. Diesels Afloat covers everything from how the diesel engine works to engine electrics, from fault finding to out of season lay-up. With this guide and your engine's manual you can be confident in dealing with any problem, and get the best performance from your boat.

Seloc's Volvo Penta Stern Drive A&C Black
