JUAREZ AYDIN

A Novel/ Notion Press

In this contemporary YA for fans of Becky Albertalli, one girl decides it's time to be really be herself--but will that cost her the best friend who once meant everything to her? Ever since her mom died and her family moved to a new town four years ago, sixteen-year-old Vetty Lake has hidden her heart. She'd rather keep secrets than risk getting hurt--even if that means not telling anyone that she's pretty sure she's bisexual. But this summer, everything could change. Vetty and her family are moving back to her old neighborhood, right across the street from her childhood best friend Pez. Next to Pez, she always felt free and fearless. Reconnecting with him could be the link she needs to get back to her old self. Vetty quickly discovers Pez isn't exactly the boy she once knew. He has a new group of friends, a glamorous sort-of-girlfriend named March, and a laptop full of secrets. And things get even more complicated when she feels a sudden spark with March. As Vetty navigates her relationship with Pez and her own shifting feelings, one question looms: Does becoming the girl she longs to be mean losing the friendship that once was everything to her?

A Lie Someone Told You about Yourself

Bloomsbury Publishing USA

If you've never had friends, you've never really lived Geet, one of the most unpopular girls in college, is best friends with the beautiful and sought-after Shibani. To win the popularity vote, Geet

takes the help of college hottie Rudra, who agrees to act as her 'boyfriend'-he sees an opportunity to get closer to Shibani. Little does he know that Shibani has been harbouring feelings for someone else all along. As misunderstandings and jealousies take centre stage, Geet must make a decision that will affect not just her own life, but also those of her loved ones. *She Swiped Right into My Heart* is a story about love-gained and lost-and the healing power of friendship.

If your past could be erased, would you erase it? Sadly, you have no choice in this matter because I, your past, am invincible. If you think you can escape me, you're already doomed. Rahul, an intelligence officer on a secret mission, is undercover at a major's house. In the process, he falls in love with the major's daughter, Akriti, unknowingly putting her in danger. To protect her, Rahul decides to hide her at his parents' house. However, estranged from his family for years, he must first make amends with them. Just when he thinks he has found a haven for Akriti, she goes missing. That's when a research wing officer is put on the job, and Rahul realizes she is someone who seems all too familiar. Or is she really?

I Can't Believe You Said That!

Penguin Metro Reads

New York Times bestselling author Donald Miller uses the seven universal elements of powerful stories to teach readers how to dramatically improve how they connect with customers and grow their businesses. Donald Miller's StoryBrand process is a proven solution

to the struggle business leaders face when talking about their businesses. This revolutionary method for connecting with customers provides readers with the ultimate competitive advantage, revealing the secret for helping their customers understand the compelling benefits of using their products, ideas, or services. Building a StoryBrand does this by teaching readers the seven universal story points all humans respond to; the real reason customers make purchases; how to simplify a brand message so people understand it; and how to create the most effective messaging for websites, brochures, and social media. Whether you are the marketing director of a multibillion dollar company, the owner of a small business, a politician running for office, or the lead singer of a rock band, Building a StoryBrand will forever transform the way you talk about who you are, what you do, and the unique value you bring to your customers.

ALL THE INVISIBLE THINGS

Random House India

Storytelling, a tradition that built human civilization, may soon destroy it. Humans are storytelling animals. Stories are what make our societies possible. Countless books celebrate their virtues. But Jonathan Gottschall, an expert on the science of stories, argues that there is a dark side to storytelling we can no longer ignore. Storytelling, the very tradition that built human civilization, may be the thing that destroys it. In *The Story Paradox*, Gottschall explores how a broad consortium of psychologists, communications specialists, neuroscientists, and literary quants are using the scientific method to study how stories affect our brains. The results challenge the idea that storytelling is an

obvious force for good in human life. Yes, storytelling can bind groups together, but it is also the main force dragging people apart. And it's the best method we've ever devised for manipulating each other by circumventing rational thought. Behind all civilization's greatest ills—environmental destruction, runaway demagogues, warfare—you will always find the same master factor: a mind-disordering story. Gottschall argues that societies succeed or fail depending on how they manage these tensions. And it has only become harder, as new technologies that amplify the effects of disinformation campaigns, conspiracy theories, and fake news make separating fact from fiction nearly impossible. With clarity and conviction, Gottschall reveals why our biggest asset has become our greatest threat, and what, if anything, can be done. It is a call to stop asking, "How we can change the world through stories?" and start asking, "How can we save the world from stories?"

FEW THINGS LEFT UNSAID

Random House India

RJ's mouth is getting him into a lot of trouble. A rude comment at school earned him a detention. An insensitive remark at home earned him a scolding and made his sister cry. RJ doesn't realize his words are wrong. He thinks he's just offering feedback. It's time RJ starts using a social filter when he speaks. With help from his parents, he learns he doesn't have to verbalize every thought that pops into his head. In fact, sometimes the less said the better! *Love, Hate & Other Filters* Boys Town Press

All relationships should come with a precautionary warning: HANDLE WITH CARE The final audition for Rajhans

College's prestigious music band brings together three contrasting personalities. Vikrant, a perfectionist, who believes there is only one perfect someone for you. Anamika, a free spirit, who stands up for what she believes is right. And Yuvi, a die-hard music lover, who can strum the guitar all night long and still wake up the next morning to drop off his girlfriend. The three become close friends and start hanging out regularly. So how does Aditya, a stranger, become a part of their lives? And what happens next? Sorry, You're Not My Type is a true story that will redefine friendship, affection, and infatuation.

A novel Penguin Random House India Private Limited

Jordan O'Neill isn't a fan of labels, considering he has a few. Gay, geek, a librarian, socially awkward, a nervous rambler, an introvert, an outsider. The last thing he needs is one more. But when he realises adding the label 'asexual' might explain a lot, it turns his world upside down. Hennessy Lang moved to Surry Hills after splitting with his boyfriend. His being asexual had seen the end of a lot of his romances, but he's determined to stay true to himself. Leaving his North Shore support group behind, he starts his own in Surry Hills, where he meets first-time-attendee Jordan. A little bewildered and scared, but completely adorable, Hennessy is struck by this guy who's trying to find where he belongs. Maybe Hennessy can convince Jordan that his world hasn't been turned upside down at all, but maybe it's now--for the first time in his life--the right way up.

Ask a Manager Vintage

True love-we all long for it, only a few ever really find it and even fewer live with it forever Pihu, however, believes true love is a myth. Unlike her

gregarious Punjabi parents, she prefers to live in her own little world and wants nothing more than to be left alone with her books for company. When she comes across her new neighbour, Akash, she is irked by his behaviour. A fun and outgoing Guju boy, Akash is everything Pihu detests. As fate would have it, he is instantly drawn to Pihu on their first meeting while Pihu wants nothing to do with the boy who seems to be ruining her chance of securing the top position in college. A series of miscommunications make Pihu believe the worst of Akash, further ruining his hopes of ever having a chance at love. Can't Quarantine Our Love is an epic love story of two neighbours with a twist of fate that put everything they knew to a heartbreaking test.

Reclaiming the Lost Art of True

Connection Random House India

"Bellefleur has a droll, distinct voice, and her one-liners zing off the page, striking both the heart and funny bone... There's a sparkling quality here, one that mirrors the starry title. Bellefleur writes as if she's captured fairy lights in a mason jar, twinkly and lovely within something solid yet fragile." - Entertainment Weekly
Following Written in the Stars and Hang the Moon, Lambda Literary Award winner and national bestselling author Alexandria Bellefleur pens another steamy queer rom-com about former best friends who might be each other's second chance at love... Margot Cooper doesn't do relationships. She tried and it blew up in her face, so she'll stick with casual hookups, thank you very much. But now her entire crew has found "the one" and she's beginning to feel like a fifth wheel. And then fate (the heartless bitch) intervenes. While touring a wedding venue with her engaged friends, Margot comes face-to-face with

Olivia Grant—her childhood friend, her first love, her first... well, everything. It's been ten years, but the moment they lock eyes, Margot's cold, dead heart thumps in her chest. Olivia must be hallucinating. In the decade since she last saw Margot, her life hasn't gone exactly as planned. At almost thirty, she's been married... and divorced. However, a wedding planner job in Seattle means a fresh start and a chance to follow her dreams. Never in a million years did she expect her important new client's Best Woman would be the one that got away. When a series of unfortunate events leaves Olivia without a place to stay, Margot offers up her spare room because she's a Very Good Person. Obviously. It has nothing to do with the fact that Olivia is as beautiful as ever and the sparks between them still make Margot tingle. As they spend time in close quarters, Margot starts to question her no-strings stance. Olivia is everything she's ever wanted, but Margot let her in once and it ended in disaster. Will history repeat itself or should she count her lucky stars that she gets a second chance with her first love?

Between the World and Me Random House India

'It feels like I'm on autopilot; I have no control over anything. The pain of losing you is so crippling that I can barely hold pieces of myself together. The slightest nudge could break me. But somehow, my possessed brain knows what I need. It's telling me to stick to my choice, to stay away from you, to open a Word document and bleed on paper, try to throw up all my jumbled thoughts in form of words, collect all disconnected facts, try to make sense of it all.' From the bestselling author of *Like a Love Song* and *Every Time It Rains*, a story of heartbreak and things left unsaid...

That's the Way We Met Waterhouse Press

The old saying goes, "To the man with a hammer, everything looks like a nail." But anyone who has done any kind of project knows a hammer often isn't enough. The more tools you have at your disposal, the more likely you'll use the right tool for the job - and get it done right. The same is true when it comes to your thinking. The quality of your outcomes depends on the mental models in your head. And most people are going through life with little more than a hammer. Until now. *The Great Mental Models: General Thinking Concepts* is the first book in *The Great Mental Models* series designed to upgrade your thinking with the best, most useful and powerful tools so you always have the right one on hand. This volume details nine of the most versatile, all-purpose mental models you can use right away to improve your decision making, productivity, and how clearly you see the world. You will discover what forces govern the universe and how to focus your efforts so you can harness them to your advantage, rather than fight with them or worse yet- ignore them. Upgrade your mental toolbox and get the first volume today.

THE WAY I USED TO BE

Soho Press

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people

avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party

Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin

Lowry, author of *Broke Millennial: Stop Scraping By* and *Get Your Financial Life Together*

She Friend-Zoned My Love Our Story Needs No Filter

INSTANT NEW YORK TIMES BESTSELLER
// WINNER OF THE SABEW BEST IN BUSINESS AWARD A Book of the Year: Fortune, Foreign Affairs, The Times (London), Cosmopolitan, TechCrunch, WIRED “The ultimate takedown.” – New York Times Book Review Award-winning New York Times reporters Sheera Frenkel and Cecilia Kang unveil the tech story of our times in a riveting, behind-the-scenes exposé that offers the definitive account of Facebook's fall from grace. Once one of Silicon Valley's greatest success stories, Facebook has been under constant fire for the past five years, roiled by controversies and crises. It turns out that while the tech giant was connecting the world, they were also mishandling users' data, spreading fake news, and amplifying dangerous, polarizing hate speech. The company, many said, had simply lost its way. But the truth is far more complex. Leadership decisions enabled, and then attempted to deflect attention from, the crises. Time after time, Facebook's engineers were instructed to create tools that encouraged people to spend as much time on the platform as possible, even as those same tools boosted inflammatory rhetoric, conspiracy theories, and partisan filter bubbles. And while consumers and lawmakers focused their outrage on privacy breaches and misinformation, Facebook solidified its role as the world's most voracious data-mining machine, posting record profits, and shoring up its dominance via aggressive lobbying efforts. Drawing on their unrivaled sources, Sheera Frenkel and Cecilia Kang take readers inside the

complex court politics, alliances and rivalries within the company to shine a light on the fatal cracks in the architecture of the tech behemoth. Their explosive, exclusive reporting led them to a shocking conclusion: The missteps of the last five years were not an anomaly but an inevitability—this is how Facebook was built to perform. In a period of great upheaval, growth has remained the one constant under the leadership of Mark Zuckerberg and Sheryl Sandberg. Both have been held

up as archetypes of uniquely 21st century executives—he the tech “boy genius” turned billionaire, she the ultimate woman in business, an inspiration to millions through her books and speeches. But sealed off in tight circles of advisers and hobbled by their own ambition and hubris, each has stood by as their technology is coopted by hate-mongers, criminals and corrupt political regimes across the globe, with devastating consequences. In An Ugly Truth, they are at last held accountable.
