LUCA TOWNSEND

Comprising the Parish Registers, 1539-1660, and the Churchwardens' Accounts, 1460-1603
Simon and Schuster
Spanning the 1950s to the 70s, the plays capture the rebellious mood of a post-war generation growing up to a backdrop of James Dean, Elvis, sharp-suited glamour, hope and despair. John Byrne takes the slab room he worked in and makes it pure theatre: the scams, the dreams, the aloof but gorgeous girl, the despair of life back home, the obligatory tormenting of the office 'weed', and the mandatory boy chat and pranks all help the day to pass. Phil and Spanky explode onto the stage in a classic vaudeville double-act. Now considered one of Scotland's defining

literary works of the twentieth century, the Slab Boys Trilogy premiered at the Traverse back in the late 1970s and early 80s taking Scotland, then Britain, and then Broadway quickly by storm.

A Bargain of Blood and Gold JMS Books LLC
Blissfully shallow and carefree, Kate Chastain was your typical twenty something college co-ed. Well, until reality gave her a wake-up call in the form of a diploma, that is. At a crossroads after graduation, a serendipitous coincidence convinced Kate to abandon life as she knew it and jump feet first into the world of working on mega yachts. At first, she stumbled her way through life as a stewardess, just trying to adjust to her new surroundings and clumsily 'learning the ropes' via trial and error. Like shit-tions of error. But now, nearly ten years and a hit reality show later, Kate is

finally ready to share the good, the bad, and the downright shocking details about her life at sea with the world's most rich and famous. It was 2008 and we were anchored off of St.Tropez. I had only been a yachting for two seasons at the time when I turned to the Captain's wife, and said, "You know, I could write a book about all of insane things we see working on these boats.....the sex, the money, the celebrities...." My older, more experienced coworker rolled her eyes and laughed then was quick to dismiss my silly idea, "Kate, of course we could all write a book about what we see on yachts. We've all said it for years.....but, if you actually did that, you would never get hired on another yacht again. " She went back to polishing the crystal wine glass in her hand and I was confused for a second. "But Stacie, if so

many people knew about the book that I couldn't get a yacht job, would I still really need one?"

INHERITANCE OF SHADOWS

Mitchell Beazley
With countless marriages and long-term relationships failing every day, former divorce lawyers authors Janet Clegg and Hilary Browne-Wilkinson offer sound and practical advice on what it takes to make a relationship loving, secure and successful.

AN ESSENTIAL GUIDE TO SUCCESSFUL RELATIONSHIPS

Balcarres Books LLC
The Hills of Eden is a novel of star-crossed lovers who try to make their dreams come true in a quaint hills area of western Tennessee. In the early nineteen hundreds, Lucas and Emma's romance is laced with tenderness and pathos--pathos because of her family's objection to her marrying a young man of sharecropping stock while her heritage is one of landowners. Their love letters over a three-year period bring the story to life. These are actual letters written in that time period by a real-life

couple--the author's paternal grandparents. The letters are presented with original errors in word usage, grammar, spelling, and punctuation which adds to their sense of authenticity. There is much going on in the Eden Hills. Interesting and believable characters, some eccentric, some not, people the landscape. These residents of the Hills cope with crop failures due to boll weevil infestation and extreme weather, disease, death, romances of the young and old, strangers in the community, a devastating tornado, moonshiners, a deranged arsonist who burns barns, and many other events and human obstacles that make up the fabric of their lives. *Magic in Manhattan Collection* JMS Books LLC
The quiet village of Bradfield should offer Dr Sylvia Marks the refuge she seeks when she returns home from her time in a field hospital in France in 1918. However, she is still haunted by the disappearance of her lover, ambulance driver Anna Masters, two years previously. Settling back in as the village doctor alone in her large family house is more difficult than she realised it would be after the excitement of

front-line medicine. Then curious events at a local farm, mysterious lights, and a hallucinating patient's strange illness make her revisit her assessment of Anna's death on the battlefield. Lucille Hall-Bridges is at a loose end now her nursing work is finished. Her Mama and Papa are perfectly happy for her to pursue any or no career or social round; but she felt useful as a nurse and now she really doesn't know what to do with her life. She hopes going to stay with her friend Sylvia for a while will help her find a way forward. And if that involves staying at Bradfield with Sylvia ... then that's fine with her. But Sylvia is still focused on finding out what happened to her very good friend Anna three years ago; and the unbelievable events at a local farm over the course of the last year don't seem to have helped her let that go. Will the arrival of Lucy in Bradfield be the catalyst that allows both women to put their wartime stresses to rest? Can Sylvia move on from her love affair with Anna and find happiness again with Lucy, or is she still too entwined in the unresolved endings of the past? NOTE: This story

contains mention of domestic violence that happens to side characters off-screen. Chai, Chaat & Chutney Bonnier Publishing Ltd. Writers of SIX selected and published model bar exam essays A Recommended Law Book There are no more than 7 sentences required to pass any baby bar essay or bar essay with a resounding 85% or higher. The rest of the essay is embellishment and emphasis. This baby bar kit is the best baby bar kit on the market today. Almost every conceivable exam issue is intuitively explained. Read this material several times, complement it with your old outlines - they are not as intuitive as this book - and you are sure to qualify for an 85% exam performance on both essay and MBE. Very good luck!! !

*Playing Dead Be Kind*A Tribute to Caroline Flack For the space of a breath or two, that wolf had entranced her, mesmerised her, made her believe—the impossible. And that was all it took. Nothing about this wolf was as it should be. Pyotra Nikolayevna Kulakova lives in a small Russian settlement in the northern Siberian taiga,

where the polar night lasts for a good month out of the year and the temperature rarely reaches above freezing point. Pyotra's days, too, seem congealed and unchanging, laden with grief, until her baby brother's close encounter with a tundra wolf upends the lives of the three members of the Kulakov family in one fell swoop. *Pyotra and the Wolf* is a queer retelling of Sergei Prokofiev's symphonic fairy tale, structurally influenced by matryoshka dolls and memory castles. This is a story of darkness and light, love and loss, beast and human. Whichever way the spinning kopek falls. *How to Be a Diva* AuthorHouse Retired soldier Damiskos and his lover Varazda have been living together in Boukos for a month, and their future is beginning to look bright. Then Damiskos receives a letter summoning him home to PHEME—where his parents are deeply in debt, his brother is being hunted by loan sharks, and an unwanted arranged marriage looms. And that's before Damiskos is charged with murder. Fortunately, he's not alone. Old friends are back in PHEME. And

Varazda—eunuch, sword-dancer, and spy—has solved mysteries before. But saving his lover from execution and from marriage will take time, and with only days until Dami's trial, time is running out. *Strong Wine* is the third book in the *Sword Dance* trilogy, the conclusion of Dami and Varazda's story from *Sword Dance* and *Saffron Alley*. This time with fake fortunetellers, real courtroom drama, and ... fertilizer?

American Journal of Physical Anthropology, Volume 3

Sexton's Cottage Books Breakout star of this year's *Love Island*, Dr. Marcel brings you his ultimate guide to finding love, the island way... In the *Love Island* villa things can get pretty intense. From the perils of being mugged off to figuring out whether your type on paper is your type in real life, all the while trying to avoid being pied, there was only one person to go to for advice: Dr. Marcel. Warm, funny and with a heart of gold, his pearls of wisdom and reassuring advice helped many a rocky relationship in the villa. Forget *Blazin' Squad*, Marcel found his true calling right in front of our eyes - love guru,

sage and confidant. The most listened to expert on Love Island, on and off the screen, Marcel warmed people's hearts as well as teaching valuable lessons: Should you be putting all your eggs in one basket? Have you been grafting for too long? Are you being pied off? Should you only date your type on paper? Dr Marcel's Little Book of Big Love is the perfect guide for those looking for love and navigating the often overwhelming world of modern dating. And let's face it, there's nothing that can't be learnt from the man who thrived and survived on Love Island. Finding love will never be the same again.

THE SLAB BOYS TRILOGY

Good Press

Is it still possible to fake your own death in the twenty-first century? With six figures of student loan debt, Elizabeth Greenwood was tempted to find out. So off she sets on a darkly comic foray into the world of death fraud, where for \$30,000 a consultant can make you disappear--but your suspicious insurance company might hire a private detective to dig up your coffin...only to find it filled with rocks.

Greenwood tracks down a British man who staged a kayaking accident and then returned to live in his own house while all his neighbors thought he was dead. She takes a call from Michael Jackson (no, he's not dead--or so her new acquaintances would have her believe), stalks message boards for people contemplating pseudocide, and gathers intel on black market morgues in the Philippines, where she may or may not obtain some fraudulent goodies of her own. Along the way, she learns that love is a much less common motive than money, and that making your death look like a drowning virtually guarantees that you'll be caught. (Disappearing while hiking, however, is a way great to go.) *Playing Dead* is a charmingly bizarre investigation in the vein of Jon Ronson and Mary Roach into our all-too-human desire to escape from the lives we lead, and the men and women desperate enough to give up their lives--and their families--to start again. "Delivers all the lo-fi spy shenanigans and caught-red-handed schadenfreude you're hoping for." --NPR "A lively romp." --The Boston

Globe "Grim fun." --The New York Times "Brilliant topic, absorbing book." --The Seattle Times "The most literally escapist summer read you could hope for." --The Paris Review

THE FOG OF WAR

CreateSpace

In Hiro's world, youkai are a supernatural story used to scare children into obedience, and to keep men out of back alleys and brothels. Until Sakurai Hideyoshi walks through his door with a fantastical tale of a samurai who had killed a thousand men and drank the blood of his enemies, a man that lived in darkness but sought beauty to keep it at bay. A story both terrifying and romantic...and completely ridiculous. Unless it is true. Convinced something softer lurks behind Hideyoshi's hard

mask, Hiro follows him home. And discovers the story is real. Only instead of the blood of his enemies, it is innocent blood taken. Hideyoshi tells him never to return. Yet after Hiro's mother is mortally wounded, Hiro runs back to the one being he knows with the power to save her. When Hideyoshi can't, Hiro begs him for the next best thing: the power to avenge her. As Hiro becomes youkai, he faces a new threat, something darker, older, and far more dangerous. With Hideyoshi at his side, Hiro must decide what he's willing to sacrifice--and what he's willing to do--to protect this new life before he loses everything for a second time.

Dani Dyer stole the nation's heart with her genuine warmth and honest personality when she won Love Island. She proves that you don't need to succumb to peer pressure, be swayed by

all too perfect Insta-images or behave in a way that's not true to who you are. Her first book shows she is wise beyond her years as she shares her experiences around growing up, bullying, relationships, insecurities and living in the spotlight. Revealing everything you ever wanted to know about Dani, from dating disasters and life in the Dyer household to how she blow-dries her eyelashes, as well as her hard-learned advice on how to be more confident, **What Would Dani Do?** offers Dani's unique take on the world and her guide to living your most authentic life. Always relatable and at times vulnerable, Dani gives a laugh-out-loud and truly heartfelt account of her journey from Canning Town daughter of Danny Dyer, to runaway Love Island winner and the nation's sweetheart.

The Most Powerful Wealth-Building Strategies Finally Revealed Independently Published

A novice hunter with a mission. A five-hundred-year-old vampire with a strong sense of irony. A town plagued by creatures in need of saving. When Johnathan Newman arrives in Cress

Haven, the last thing he expects is for his life to be irrevocably changed. Sent by a clandestine league of vampire hunters to investigate a string of murders, signs point to a vampire lurking amid the townsfolk. Johnathan's attempt to enlist the locals leads him to an unlikely partnership with Vic, the town's most eligible, enigmatic bachelor. As the pair work to solve the mystery, Vic's secrets come back to bite him. Revealed, the vampire fights his attraction to a man trained to destroy him, while Johnathan's emotions land him in the middle of forbidden desires. Even if Vic isn't the murderer, how can Johnathan yearn for his natural enemy? As Vic leads Johnathan into encounters with terrifying beings straight from children's nightmares, Johnathan learns that not only is the world stranger than he knew, but that those he once trusted have far darker intentions that will place hunter and vampire at the center of a conflict between realms. Cress Haven holds more sinister secrets than its resident vampire, a secret so great, it could unleash Hell itself.

A Haunting at Hartwell

Hall Headline

It's 1919. Matty returns home to the family farm from the trenches only to find his brother Arthur dying of an unknown illness. The local doctor thinks cancer, but Matty becomes convinced it's connected to the mysterious books his brother left strewn around the house. Rob knows something other than just Arthur's death is bothering Matty. He's known him for years and been in love with him just as long. And when he finds something that looks like a gate, a glowing, terrifying doorway to the unknown, it all starts to fall in to place. Matty's looking sicker and sicker in the same way Arthur did. What is Rob prepared to sacrifice to save him? The answer is in the esoteric books...and with the mysterious Lin of the Frem, who lives beyond the gate to nowhere. It's taken Matty and Rob more than a decade to admit they have feelings for each other and they are determined that neither social expectations or magical illness will part them now. A stand-alone 35k novella set in the Lost in Time Universe incorporating the free short story 'The Gate'.

Baby Bar Kit Tenebrosity Press

Season after season, hunters have attempted to capture the white-tailed stag. Local legend holds that its capture promises prosperity, and in a land that is dying-to hunger, to war; to a magical curse, some say-even a whisper of hope is a powerful lure. Yet every hunter who tries fails, never to leave the forest. Fenton, god of the forest, yet imprisoned within its borders, watches from his place in the trees as the hunters first despoil and then fall to his land, dispassionate as his deadwood heart. Prior doesn't enter the forest in hopes of capturing the stag or securing prosperity. He has a far bolder hunt in mind: to entreat the god of the forest to save his sister from the sickness sweeping the land. It's a desperate attempt without much hope of success. He doesn't imagine he'll meet the god in person, much less that he'll find himself agreeing to a favour in turn: his sister's life will be spared, and in exchange, Prior will kill the god's sibling. And he certainly hadn't imagined that a god would be so... human. When Fenton leaves the forest, he has

little but revenge on his mind. As he spends more time with Prior, though, he discovers that the world isn't as simple as the hunt, and he's not the only hunter with teeth-but sometimes the chase is worth the risk of being caught. Content Warnings: contagious magical illness; bloody violence; magical violence; bodily injury; death, including the death of animals for food, and magical animals in battle; abduction; vomiting; minor self-harm; bodyhorror; sex

THE BACHELOR'S VALET

JMS Books LLC

In a period marked by the Spatial Turn, time is not the main category of analysis any longer. Space is. It is now considered as a central metaphor and topos in literature, and literary criticism has seized space as a new tool. Similarly, literature turns out to be an ideal field for geography. This book examines the cross-fertilization of geography and literature as disciplines, languages and methodologies. In the past two decades, several methods of analysis focusing on the relationship and

interconnectedness between literature and geography have flourished. Literary cartography, literary geography and geocriticism (Westphal, 2007, and Tally, 2011) have their specificities, but they all agree upon the omnipresence of space, place and mapping at the core of analysis. Other approaches like ecocriticism (Buell, 2001, and Garrard, 2004), geopoetics (White, 1994), geography of literature (Moretti, 2000), studies of the inserted map (Ljunberg, 2012, and Pristnall and Cooper, 2011) and narrative cartography have likewise drawn attention to space. Literature and Geography: The Writing of Space Throughout History, following an international conference in Lyon bringing together literary academics, geographers, cartographers and architects in order to discuss literature and geography as two practices of space, shows that literature, along with geography, is perfectly valid to account for space. Suggestions are offered here from all disciplines on how to take into account representations and discourses since texts, including literary

ones, have become increasingly present in the analysis of geographers.

A Comprehensive Record Books by L.P.

Dover, LLC

It's 1924 in Cheshire, England, and the grand estate of Hartwell Hall has had some strange complaints from its guests. With suspicions of ghosts and hauntings arising, Hartwell's owner, Vincent, does the only thing he can think of to salvage his family-inherited business before the guests are scared away for good: enlist the help of a paranormal investigator. However, his daughter, Felicity, has no reason to believe in the supernatural and can't stand the thought of throwing well-earned money away on an obvious con-woman like Blair Nelson, who claims to have been able to feel the presence of the dearly departed all her life. A stubborn, money-minded sceptic and barmy ghost-hunter in the same room is hardly a good idea, then, and the only thing worse is them being forced to work together to explain Hartwell's peculiar occurrences. But when Felicity faces something she can't explain or dismiss in the middle of a

storm-induced blackout, only Blair can help her uncover the truth about the mysteries of her centuries-old home and the shadow lurking around it. Can Felicity

trust Blair enough to unravel her family's secrets and open her heart to a new and unexpected love, or will Hartwell Hall always remain haunted and destined to run itself into

the ground, Felicity along with it?
