LIZETH CANTRELL

A Novel Catapult
'Einheitliche Feldtheorie'.
The final words of his
dying mentor will change
David Swift's life forever.
Within hours of hearing

those words, David is
arrested, interrogated and
almost assassinated. But
he's too busy running for
his life to work out what it
all means. Has he
accidentally inherited
Einstein's Unified Theory -
- a set of equations with
the power to destroy the
world? Einstein died

without discovering the
theory. Or did he?
Teaming up with his ex-
girlfriend and an autistic
teenager addicted to
video games, David must
ensure he survives long
enough to find out the
truth -- and deal with the
terrifying consequences.
Contesting Identities

One of the most beloved novels of all time, Colleen McCullough's magnificent saga of dreams, struggles, dark passions, and forbidden love in the Australian outback has enthralled readers the world over. *The Thorn Birds* is a chronicle of three generations of Clearys—an indomitable clan of ranchers carving lives from a beautiful, hard land while contending with the bitterness, frailty, and secrets that penetrate their family. It is a

poignant love story, a powerful epic of struggle and sacrifice, a celebration of individuality and spirit. Most of all, it is the story of the Clearys' only daughter, Meggie, and the haunted priest, Father Ralph de Bricassart—and the intense joining of two hearts and souls over a lifetime, a relationship that dangerously oversteps sacred boundaries of ethics and dogma.

A Novel Penguin

“Forget everything you’ve ever heard about

technique. Kiss me the way you think a bad girl would and we’ll both have a much better time.”

Sportswriter Judd Mackie has earned fame with his scathing columns.

Women’s tennis pro Stevie Corbett is a favorite target of his sarcastic prose. In his view, she’s too focused on being a cute, crowd-pleaser to be taken seriously as an athlete on the court. What Stevie’s nemesis doesn’t know is that she’s suffering a medical condition that’s all too serious and

potentially ruinous to her career. When Judd uncovers the sensational story, he recognizes it as one that comes along only once in a lifetime...but telling it would cost him the woman he now doesn't want to live without.

The Thrill of Victory Class Ebook Editions Ltd
 NOW A MAJOR THREE-PART ITV1 DRAMA, STARRING EMILY WATSON AND DENISE GOUGH 'Too Close is a fantastically compelling, brilliantly scripted whydunnit' Guardian 'A gripping

psychological thriller with a Killing Eve twist' Radio Times 'Seriously brilliant - quality writing, three dimensional characters and a sharp wit.' Emma Curtis, author of the bestselling One Little Mistake ***** Connie has woken up in a psychiatric hospital. She's been accused of a terrible crime, but she says she can't remember a thing. Forensic psychiatrist Dr Emma Robinson is assigned to the case. Her assessment will determine Connie's fate: prison, life in hospital - or

freedom. Emma hopes the high-profile case will make her career but their sessions quickly become a cat-and-mouse game of manipulation and exploitation. Emma must get close enough to her patient to uncover the truth. But when dealing with someone as potentially dangerous as Connie, how close is too close? ***** AUTHORS LOVE TOO CLOSE: 'Wonderfully suffocating . . . Natalie Daniels is one to watch!' Phoebe Morgan 'Subtle, deep and chilling . . . I couldn't put it down.'

Rosanna Ley 'A tremendous, powerful, audacious novel - full of scathing insight ; full of raw, compelling feeling.' William Boyd WHAT READERS ARE SAYING: 'I truly am astounded with this novel' 'Utterly absorbing, a real page turner' 'Full of twists and turns, enjoyed from beginning' *Agent Zero (An Agent Zero Spy Thriller—Book #1) The Widow* The corpses of several teenage girls are turning up, abandoned and brutally mutilated, in

isolated locations around the Spanish province of Biscay, in the Basque Country. There are no leads on the killer; nobody knows anything about the mysterious assailant, and the only thing that the victims have in common with each other is that they are all lonely young girls. The investigation brings the young medical examiner Natalia Egaña, along with the murder detective Carlos Vega, to discover that the killer contacts their victims via the Internet. Using the pseudonym of 'Charon',

the murderer gradually closes in on them, finding out their most intimate secrets, and winning their love, until finally arranging a lethal date.

SOMEONE WE KNOW

Simon and Schuster
Could a nightmare be used as a murder weapon? That's the provocative question confronting Gurney in the thrilling new installment in this series of international bestsellers. The former NYPD star homicide detective is called upon to solve a baffling puzzle:

Four people who live in different parts of the country and who seem to have little in common, report having had the same dream—a terrifying nightmare involving a bloody dagger with a carved wolf's head on the handle. All four are subsequently found with their wrists cut — apparent suicides — and the weapon used in each case was a wolf's head dagger. Police zero in quickly on Richard Hammond, a controversial psychologist who conducts hypnotherapy

sessions at a spooky old Adirondack inn called Wolf Lake Lodge. It seems that each of the victims had gone there to meet with Hammond shortly before turning up dead. Troubled by odd holes in the official approach to the case, Gurney begins his own investigation — an action that puts him in the crosshairs of not only an icy murderer and the local police but the darkest corner of the federal government. As ruthless as the blizzard trapping him in the sinister eeriness of Wolf Lake,

Gurney's enemies set out to keep him from the truth at any cost — including an all-out assault on the sanity of his beloved wife Madeleine. With his emotional resources strained to the breaking point, Gurney must throw himself into a deadly battle of wits with the most frightening opponent he has ever faced. Wolf Lake is the page-turning new work by a writer hailed by the New York Times as "masterly" — and it furthers the adventures of Dave

Gurney, a detective reviewers have compared to Sherlock Holmes.

Widow by Fiona Barton.

Engrossing.

Suspenseful.”—Stephen

King Following the twists

and turns of an

unimaginable crime, *The*

Widow is an electrifying

debut thriller that will take you into the dark spaces that exist between a husband and a wife.

There’s a lot Jean hasn’t said over the years about the crime her husband

was suspected of committing. She was too

busy being the perfect wife, standing by her man

while living with the accusing glares and the

anonymous harassment. Now her husband is dead,

and there’s no reason to stay quiet. There are

people who want to hear her story. They want to

know what it was like

living with that man. She can tell them that there were secrets. There

always are in a marriage.

The truth—that’s all

anyone wants. But the

one lesson Jean has

learned in the last few

years is that she can

make people believe

anything... An NPR Best

The Dead Travel Fast... Originally published in 1897, Bram Stoker's Dracula has become one of the most widely read pieces of fiction in history. The classic horror tale introduced the world to Dracula and created many of the mainstream conventions in Vampire Fantasy. The novel tells the story of Dracula's attempt to move from Transylvania to England so that he may find new blood and spread the undead curse, and of the battle between Dracula and a small group of

people led by Professor Abraham Van Helsing. Classic Collections has beautifully formatted this book and made it perfect for your personal collection! This version comes with the bonus chapter, Dracula's Guest which is believed to have been the original opening for the book that was deleted by the publishers. It was first published in Dracula's Guest and Other Weird Stories by Bram Stoker. *The Future in Perspective* Jack Mars
A missing woman leads

her twin sister on a twisted scavenger hunt in this clever debut novel with eccentric, dysfunctional characters who will keep you guessing until the end—for readers of Luckiest Girl Alive and The Wife Between Us. Ava has her reasons for running away to Paris. But when she receives the shocking news that her twin sister, Zelda, is dead, she is forced to return home to her family's failing vineyard in upstate New York. Knowing Zelda's penchant for tricks and

deception, Ava is not surprised when she receives her twin's cryptic message from beyond the grave. Following her sister's trail of clues, Ava immerses herself in Zelda's drama and her outlandish circle of friends and lovers, and soon finds herself confronted with dark family legacies and twisted relationships. Is Zelda trying to punish Ava for leaving? Or is she simply trying to write her own ending? Caite Dolan-Leach's debut thriller is a literary scavenger hunt for secrets hidden

everywhere from wine country to social media, and buried at the dysfunctional heart of one utterly unforgettable family. Praise for *Dead Letters* "Dolan-Leach writes like Paula Hawkins by way of Curtis Sittenfeld."—Amy Gentry, author of *Good as Gone* "A sharp, wrenching tale of the true love only twins know . . . Dolan-Leach nimbly entwines the clever mystery of Agatha Christie, the wit of Dorothy Parker, and the inebriated Gothic of Eugene O'Neill."—Kirkus

Reviews "A smart, dazzling mystery . . . Dolan-Leach revels in toying with both Ava and her audience . . . and the result is captivating."—Publishers Weekly (starred review) "Draws you in like you are part of the story itself, living and breathing alongside the compelling characters as they uncover the dark secrets of their complicated family."—Wendy Walker, author of *All Is Not Forgotten* "Push-pull tension . . . This book is wine-soaked yet lucid,

comforting and frightening, asking the big questions about intimacy and loyalty.”—Caroline Kepnes, author of You Lodore Random House Trade Paperbacks Psychopath. The word conjurs up images of serial killers, rapists, suicide bombers, gangsters. But think again: you could probably benefit from being a little more psychopathic yourself. Psychologist Kevin Dutton has made a speciality of psychopathy, and is on first-name terms with many notorious

killers. But unlike those incarcerated psychopaths, and all those depicted in movies and crime fiction, most are not violent, he explains. In fact, says Prof Dutton, they have a lot of good things going for them. Psychopaths are fearless, confident, charismatic and focused--qualities tailor-made for success in today's society. The Wisdom of Psychopaths is an intellectual rollercoaster ride that combines lightning-hot science with unprecedented access to secret monasteries,

Special Forces training camps, and high-security hospitals. In it, you will meet serial killers, war heroes, financiers, movie stars and attorneys--and discover that beneath the hype and popular characterization, psychopaths have something to teach us. Like the knobs on a mixing deck, psychopathy is graded. And finding the right combination of psychopathic traits, sampled and mixed at carefully calibrated volumes, can put us ahead of the game.

TALKING TO THE DEAD

Little, Brown

A monster assembled by a scientist from parts of dead bodies develops a mind of his own as he learns to loathe himself and hate his creator. Shelley's suspenseful and intellectually rich gothic tale confronts some of the most important and enduring themes in all of literature—the power of human imagination, the potential hubris of science, the gulf between appearance and essence, the effects of human

cruelty, the desire for revenge and the need for forgiveness, and much more.

Murder on Tyneside

HarperCollins UK

“Thriller writing at its best. Thriller enthusiasts who relish the precise execution of an international thriller, but who seek the psychological depth and believability of a protagonist who simultaneously fields professional and personal life challenges, will find this a gripping story that's hard to put down.” --

Midwest Book Review, Diane Donovan (regarding Any Means Necessary) “One of the best thrillers I have read this year. The plot is intelligent and will keep you hooked from the beginning. The author did a superb job creating a set of characters who are fully developed and very much enjoyable. I can hardly wait for the sequel.” --Books and Movie Reviews, Roberto Mattos (re Any Means Necessary) When nuclear waste is stolen by jihadists in the middle of the night from an

unguarded New York City hospital, the police, in a frantic race against time, call in the FBI. Luke Stone, head of an elite, secretive, department within the FBI, is the only man they can turn to. Luke realizes right away that the terrorists' aim is to create a dirty bomb, that they seek a high-value target, and that they will hit it within 48 hours. A cat and mouse chase follows, pitting the world's most savvy government agents versus its most sophisticated terrorists.

As Agent Stone peels back layer after layer, he soon realizes he is up against a vast conspiracy, and that the target is even more high value than he could have imagined—leading all the way to the President of the United States. With Luke framed for the crime, his team threatened and his own family in danger, the stakes could not be higher. But as a former special forces commando, Luke has been in tough positions before, and he will not give up until he finds a way to stop

them—using any means necessary. Twist follows twist as one man finds himself up against an army of obstacles and conspiracies, pushing even the limits of what he can handle, and culminating in a shocking climax. A political thriller with heart-pounding action, dramatic international settings, and non-stop suspense, ANY MEANS NECESSARY marks the debut of an explosive new series that will leave you turning pages late into the night. Book #2 in the Luke Stone series is

also now available!

DEAD LETTERS

Knopf Books for Young Readers

When forty-three-year-old Fiona Edwards first sees the lanky backpacker striding up the lane toward her award-winning farmhouse bed-and-breakfast in the remote mountains of North Wales, she's puzzled. She's used to unexpected strangers, but few arrive on foot. The man to whom she opens her door is middle-aged, unshaven, sweat-soaked . . . and arrestingly

handsome. What neither of them knows at that moment is that their lives are about to change forever. American Alec Hudson has carried the ashes—and the memory—of his late ex-wife, Gwynne, all the way from London's Heathrow Airport, honoring her request that he scatter them atop a mountain they had climbed together years before—the same brooding peak whose jagged cliffs rise to the sky from the back pastures of Fiona's farm. But the weather doesn't

cooperate, and as Fiona and Alec wait for it to clear, they are drawn together by mutual loss, longing, and the miracle of love at midlife. On the day he finally reaches the summit, Alec is caught in a vicious hailstorm. As he struggles to descend, he stumbles upon the body of a man he recognizes from a photograph at the farm: it is Fiona's ailing and reclusive husband, David, and he is close to death. Will North's debut novel, *The Long Walk Home*, is a story about grief and hope, about love

and loss, and about two people struggling with the agonizing complexities of fidelity—to a spouse, to a moral code, to each other, and to a passion neither thought would ever appear again. By turns lyrical and gripping, set amid a landscape of breathtaking beauty and unpredictable danger, this is a story you will not soon forget. For news, reviews, and a visual walking tour, visit WillNorthOnline.com. From the Hardcover edition.

The Girl Who Stood Up for Education and Was Shot

by the Taliban Seven Stories Press

With contributions from 35 leading economists, this forward-looking book explores the future of development economics against the background of the past half-century of development thought and practice. Outstanding representatives of the past two generations of development economists assess development thinking at the turn of the century and look to the unsettled questions confronting the next generation. The volume

offers a thorough analysis of the broad range of issues involved in development economics, and it is especially timely in its critique of what is needed in development theory and policy to reduce poverty. An overriding issue is whether in the future 'development economics' is to be regarded simply as applied economics or whether the nature and scope of development economics will constitute a need for a special development theory to supplement general

economic theory. 'Frontiers of Development Economics' is an ideal reference for all those working in the international development community.

Frontiers of Development Economics Mulholland Books

AN INSTANT NEW YORK TIMES BESTSELLER Shari Lapena's new thriller, *AN UNWANTED GUEST*, is available now! "The twists come as fast [as] you can turn the pages." —People "Provocative and shocking." —Lisa Gardner, *New York Times*

bestselling author of *Find Her* "I read this novel at one sitting, absolutely riveted by the storyline. The suspense was beautifully rendered and unrelenting!" —Sue Grafton, *New York Times* bestselling author of *X* It all started at a dinner party. . . A domestic suspense debut about a young couple and their apparently friendly neighbors—a twisty, rollercoaster ride of lies, betrayal, and the secrets between husbands and wives. . . Anne and Marco Conti seem to have it

all—a loving relationship, a wonderful home, and their beautiful baby, Cora. But one night, when they are at a dinner party next door, a terrible crime is committed. Suspicion immediately lands on the parents. But the truth is a much more complicated story. Inside the curtained house, an unsettling account of what actually happened unfolds. Detective Rasbach knows that the panicked couple is hiding something. Both Anne and Marco soon discover that the other is keeping secrets, secrets

they've kept for years. What follows is the nerve-racking unraveling of a family—a chilling tale of deception, duplicity, and unfaithfulness that will keep you breathless until the final shocking twist.

The Long Walk Home

Giron Books

The New York Times bestselling author of *The Widow* returns with a brand new novel of twisting psychological suspense about every parent's worst nightmare... When two eighteen-year-old girls go missing in Thailand, their

families are thrust into the international spotlight: desperate, bereft, and frantic with worry. What were the girls up to before they disappeared?

Journalist Kate Waters always does everything she can to be first to the story, first with the exclusive, first to discover the truth—and this time is no exception. But she can't help but think of her own son, whom she hasn't seen in two years, since he left home to go travelling. As the case of the missing girls unfolds, they will all find that even

this far away, danger can lie closer to home than you might think...

A Novel Open Road Media
“You will not sleep until you are finished with *AGENT ZERO*. The author did a superb job creating a set of characters who are fully developed and very much enjoyable. The description of the action scenes transport us into a reality that is almost like sitting in a movie theater with surround sound and 3D (it would make an incredible Hollywood movie). I can hardly wait for the sequel.” --Roberto

Mattos, Books and Movie Reviews In this much-anticipated debut of an epic spy thriller series by #1 bestseller Jack Mars, readers are taken on an action thriller across Europe as presumed-CIA operative Kent Steele, hunted by terrorists, by the CIA, and by his own identity, must solve the mystery of who is after him, of the terrorists' pending target—and of the beautiful woman he keeps seeing in his mind. Kent Steele, 38, a brilliant professor of European History at Columbia

University, lives a quiet life in a New York suburb with his two teenage daughters. All that changes when late one night he gets a knock on his door and is abducted by three terrorists—and finds himself flown across the ocean to be interrogated in a basement in Paris. They are convinced that Kent is the most lethal spy the CIA has ever known. He is convinced they have the wrong man. Do they? With a conspiracy around him, adversaries as smart as he is, and an assassin on

his tail, the wild game of cat and mouse leads Kent on a perilous road—one that may lead back to Langley—and to a shocking discovery of his own identity. AGENT ZERO is an espionage thriller that will keep you turning pages late into the night. Book #2--TARGET ZERO--is also available! "One of the best thrillers I have read this year." -- Books and Movie Reviews (re Any Means Necessary) Also available is Jack Mars' #1 bestselling LUKE STONE THRILLER series (7 books), which begins with

Any Means Necessary (Book #1), a free download with over 800 five star reviews!

Meeting on the ledge of their school's bell tower, misfit Theodore Finch and suicidal Violet Markey find acceptance and healing that are overshadowed by Finch's fears about Violet's growing social world.

A HEALTH CARE HANDBOOK

Jack Mars

A MEMOIR BY THE YOUNGEST RECIPIENT OF THE NOBEL PEACE PRIZE As seen on Netflix with David Letterman "I come from a country that was created at midnight. When I almost died it was just after midday." When the Taliban took control of the Swat Valley in Pakistan, one girl spoke out. Malala Yousafzai refused to be silenced and fought for her right to an education. On Tuesday, October 9, 2012, when she was fifteen, she almost paid the ultimate price. She was shot in the

head at point-blank range while riding the bus home from school, and few expected her to survive. Instead, Malala's miraculous recovery has taken her on an extraordinary journey from a remote valley in northern Pakistan to the halls of the United Nations in New York. At sixteen, she became a global symbol of peaceful protest and the youngest nominee ever for the Nobel Peace Prize. I AM MALALA is the remarkable tale of a family uprooted by global terrorism, of the

fight for girls' education, of a father who, himself a school owner, championed and encouraged his daughter to write and attend school, and of brave parents who have a fierce love for their daughter in a society that prizes sons. I AM MALALA will make you believe in the power of one person's voice to inspire change in the world.

KEEP YOU CLOSE

Penguin
A Frozen Woman charts Ernaux's teenage

awakening, and then the parallel progression of her desire to be desirable and her ambition to fulfill herself in her chosen profession - with the inevitable conflict between the two. And then she is thirty years old, a teacher married to an executive, mother of two infant sons. She looks after their nice apartment, raises her children. And yet, like millions of other women, she has felt her enthusiasm and curiosity, her strength and her happiness, slowly ebb under the weight of her

daily routine. The very condition that everyone around her seems to consider normal and admirable for a woman is killing her. While each of Ernaux's books contain an autobiographical element, A Frozen Woman, one of Ernaux's early works, concentrates the spotlight piercingly on Annie herself. Mixing affection, rage and bitterness, A Frozen Woman shows us Ernaux's developing art when she still relied on traditional narrative, before the shortened form emerged that has since

become her trademark.
