God'S Masterpiece Zondervan

Joel Rufus Moseley (1870-1954) is one of the forgotten twentieth-century champions of American Pentecostalism. A brilliant scholar and university professor, he left the accolades of academia and searched a number of spiritual paths until he embraced Pentecostalism in 1910. Thereafter he began a lay ministry to the down-and-outs of society, openly campaigning against capital punishment, for racial desegregation, and above all else for living a life in the Holy Spirit he described as "Life as Love." He blazed a path that was to influence (and confound) many Pentecostal leaders of his time, provided an example to those who would lead what become known as the Charismatic Renewal, and enjoyed a life of joy one rarely encounters. A contemporary version of St. Francis of Assisi, Rufus

Moseley shunned position, power, politics, religious titles, and seeking after wealth in favor of following simplicity and depth of spiritual life. Like his thirteenth-century counterpart, he lived a life of gratitude, of "littleness," and above all, love. Moseley offers encouragement as well as reproof to the contemporary charismatic movement to again seek the simplicity that is in Christ.

A Critical Examination of William Branham and His Message UNC Press Books

In this indispensable reference tool for parents, students, and pastors alike, Larson analyzes dozens of world religions and spiritual movements from Islam to UFOs, New Age movements to witchcraft. This volume helps address tough questions from a biblical perspective.

THE KINGDOM OF THE CULTS

Shadow Mountain

A comprehensive examination of seventy-one forms of occult activity, their effect, and deliverance from them through victory in Christ.

Benjamin Elijah Mays, Schoolmaster of the Movement AuthorHouse

An illustrated A to Z reference containing over 600 entries providing information on the theology, people, historical events, institutions and movements related to Protestantism.

PREACHER BEHIND THE WHITE HOODS

WestBow Press

In this newly updated second edition of the Historical Dictionary of New Religious Movements, George D. Chrystides traces the rise and development of new religious movements throughout the world. An updated introduction summarizes the phenomenon of new religious movements and lays out the changes to the dictionary since the 2001 edition, while the main body of the dictionary consists of close to 600 cross-referenced entries on key figures, ideas, themes, and places related to various new religious movements. An index organizes the information in the

dictionary, and a comprehensive bibliography leads the researcher to further sources.

William Branham (1909-1965) was an American pastor and evangelist credited for spearheading the post World War II healing revivals of the 1940s and 50s. In the 1960s, he began to view himself as Elijah the prophet of Malachi 4:5-6, who restores the elect to the original word of God; the seventh angel messenger of Revelation 3:14 and 10:7, who reveals every hidden mysteries of the Bible; and the fulfillment of the Son of man ministry of Luke 17:30, who reveals Christ to the last generation as a prophet. He also believed his message was the "shout" of Christ's second coming in 1 Thessalonians 4:16. In today's world, an estimated two (2) million people believe Branham's claims. They trustingly accept everything he says in over 1100 recorded sermons and books as truth and facts without having ever conducted a critical independent research. As a result, they are mostly clueless, misinformed, or willingly ignorant regarding the serious errors and discrepancies that surround this man upon whom they have entrusted their eternal destiny. In this 8.5" x 11" book of 17 chapters and 336 pages, the author challenges the status quo from an insider's perspective through an eight (8) months investigative research regarding the claims and teachings of William Branham. In doing so, he provides a convincing compilation of more than 3,000 excerpts, credible references, official documents, archived newspaper articles, historical facts, and scriptures that uncover deliberate plagiarisms, disproven supernatural vindications, failed visions, failed prophecies, failed "Thus saith the Lord," failed predictions, and unscriptural doctrinal errors. Among Minister Branham's most celebrated work, the alleged revelation of the seven sealed book in Revelation 5:1 are considered to be the pinnacle of his teachings that sets him apart from every past, present, and future ministries. Nonetheless, this timely book examines, diligently compares, and provide ninety-nine pages of evidences that suggest Branham almost certainly got his understanding of the seven seals, seven church ages, and nineteen other significant revelatory teachings--supposedly revealed by God--from several well-known biblical writers of the past.

Raven Mercer University Press

If Christians are in the workplace, then so is the church. In *The Church In The Workplace*, C. Peter Wagner explores how

the role of the church in the work life of believers is just as much a ministry, a service to God and even worship, as what believers do on Sunday in their local churches. A further indispensable step toward activating faith at work is to understand clearly how the extended church operates through the nuclear church and how bridges can be built to join the two. Wagner does just this as he looks at the biblical perspective on work, the Holy Spirit's call to the church to bring about social transformation and worldwide examples of the role the church has already played in the workplace.

100 Blunders in Church History (& What We Can Learn from Them) Wipf and Stock Publishers

Learning through experience definitely makes an impression, but isn't it better sometimes to learn from the successes and failures of others? Scripture tells us that those who came before us are examples for us (1 Cor. 10:6 and 11), given that we could learn what to do-and what not to do. Few offer us the lessons that Elijah does. Looking for God's provision? Elijah dealt with that. Trying to believe God when everything in the natural is against you? Elijah dealt with that too. Battling with self-pity? Elijah faced that as well. Elijah's ministry wasn't very long, but it was packed full of life lessons that we can use today. You may not think an Old Testament prophet has anything to teach you, but you'll want to think again-a man translated to heaven by a whirlwind must have something to share. Explore the right-and wrong-ways to serve God, and learn more about how God honors His servants. This book offers the life experience without the hard knocks!

Occult ABC Independent Scholars Press

In this first full-length biography of Benjamin Mays (1894-1984), Randal Maurice Jelks chronicles the life of the man Martin Luther King Jr. called his "spiritual and intellectual father." Dean of the Howard University School of Religion, president of Morehouse College, and mentor to influential black leaders, Mays had a profound impact on the education of the leadership of the black church and of a generation of activists, policymakers, and educators. Jelks argues that Mays's ability to connect the message of Christianity with the responsibility to challenge injustice prepared the black church for its pivotal role in the civil rights movement. From Mays's humble origins in Epworth, South Carolina, through his doctoral education, his work with institutions such as the National Urban League, the NAACP, and the national YMCA movement, and his

significant career in academia, Jelks creates a rich portrait of the man, the teacher, and the scholar. Benjamin Elijah Mays, Schoolmaster of the Movement is a powerful portrayal of one man's faith, thought, and mentorship in bringing American apartheid to an end.

The Arrival of Elijah Tyndale House Publishers, Inc.

As I sat and listened to Bro. Branham preach, I became completely convinced that a person would absolutely have to have the Holy Ghost in order to understand what he was saying, and why....

ENCYCLOPEDIA OF PROTESTANTISM

Rowman & Littlefield

Who was William Branham (1909-1965) and what were his claims? He was an American pastor and evangelist credited for spearheading the post World War II healing revivals of the 1940s and 50s. In the 1960s, he began to view himself as Elijah the prophet of Malachi 4:5-6, who restores the elect to the word of God as a forerunner of Christ's return; the seventh angel messenger of Revelation 3:14 and 10:7, who reveals every hidden mystery of the Bible in the end time; and the fulfillment of the Son of man ministry of Luke 17:30, who reveals Christ to the last generation as a prophet. He also believed his message was the "shout" of Christ's second coming in 1 Thessalonians 4:16. Currently, an estimated two million people believe Branham's claims. Nonetheless, this full-sized book of 17 chapters and 320 pages challenges his claims and teachings from an insider's perspective through an eight months investigative research. In doing so, the author provides a convincing compilation of more than 3,000 excerpts, credible references, official documents, archived newspaper articles, historical facts, and insightful scriptures. This compilation uncovers wide-ranging plagiarisms, disproven and embellished supernatural vindications, failed visions, failed prophecies, failed "Thus saith the Lord," failed predictions, and vast unscriptural doctrinal errors. Among Branham's most celebrated claims, the revealing of the seven seals in the book of Revelation are considered the pinnacle of his teachings. He supposedly did what the Old Testament prophets, New Testament apostles, church reformers, or any other clergy throughout history had never achieved. He claimed that seven angels revealed these hidden mysteries. However, this timely book examines, diligently compares, and provides nearly 100 pages of evidences that suggest Branham almost certainly got

his understanding of the seven seals and 20 other significant revelatory teachings--supposedly revealed by God--from several well-known biblical writers of the past. These teachings include the seven church ages and messengers, seventh angel of Revelation 3:14 and 10:7, two comings of Elijah, the beast of Revelation 13, Mystery Babylon and daughters; the image, mark, and number of the beast; United States in prophecy, Daniel's seventy weeks, historical applications of four beasts, Godhead doctrines, serpent seed, water baptism, and several more. The authors of these commentaries and books are mostly Clarence Larkin (1850-1924), a very distinguished and knowledgeable Bible teacher; Uriah Smith (1832-1903), an educator and theologian of the Seventh Day Adventist; Charles Taze Russell (1852-1916), a restorationist and founder of a movement that later became the Jehovah's Witnesses organization; John Gill (1697-1771), a noted biblical scholar and theologian; and Albert Barnes (1798-1870), a noted theologian. We shall also consider other noted biblical scholars of the same eras (e.g. Cyrus Scofield and Henry Halley). Moreover, this research provides extensive scriptural evidences uncovering vast errors in Branham's teachings, including a false gospel of salvation. How? During the latter years, Branham believed his message was necessary or the evidence for salvation, the Holy Spirit baptism, the new birth, and rapture to heaven; rather than the gospel of Christ preached by the apostles. This book also examines the inaccuracies and repeated revisions in Branham's visions of 1933, whereby God allegedly revealed seven major events that would transpire before Christ's return in 1977. This research pinpoints developing historical trends and occurrences between the 1920s and 1960s that possibly influenced those seven prophecies and revisions. The final updated version of these visions appears in his 1965 book on the seven church ages, where the obvious errors from earlier sermons had been cleverly removed. Thus, when facts are weighed, Branham's teachings and claims are conclusively proven wrong.

Discovering the Wealth in Authenticity
Kregel Publications

Within Pentecostal and Charismatic circles William Branham appeared a man with the combined prophetic status and prowess of Moses, Elijah and John the Baptist. His ministry of healing spearheaded the Healing Revival of the '40s and '50s. The miraculous which was said to attend his meetings dwarfed even the biblical accounts of Jesus' ministry. Appearances

of pillars of fire, Christ, the Holy Spirit, angels, clouds and other phenomena were stated to accompany his meetings. Discernments of illnesses and personal information of his patients, staggered the minds of many. His name is found in many religious encyclopedia and in countless Internet Websites, pro and con. Legend of the Fall examines Wm. Branham's life and ministry from the position of an insider. Peter M. Duyzer's evaluation of Wm. Branham's life and his message challenges the status quo of Wm. Branham as a man sent from God. Duyzer holds a Master's degree (MACS) in Modern Apologetics from Northwest Baptist Seminary at Trinity Western University, in Langley, BC, Canada.

The Life and Times of J. Rufus Moseley, 1870-1954
Createspace Independent Publishing Platform

"The A to Z of New Religious Movements is a major contribution to understanding new and formative religions - leaving evaluation to the reader - providing brief descriptions of more than 100 religions with information on the founders and leaders and their roots in Christianity, Buddhism, Hinduism, Islam, and other more traditional religions, as well as the impact of modern philosophy and science. The chronology begins in the 18th century, tracing the movements from their roots; the introduction defines and categorizes the NRMs; and the bibliography provides further reading."--BOOK JACKET.

Legend of the Fall Adam Mark Smith For 457 years the Prophet Nostradamus has been a MYSTERY. Hidden in dark speech he was misunderstood and rejected by the Protestant Christian Church, forbidden to be read by the Catholic Church, and totally discredited by psychics and worldly interpreters as being in the Occult. However, it was the occult interpreters that were instrumental in keeping his work alive and mysterious. Written from a Christian perspective, many questions about this mysterious man Nostradamus, and why his work has endured so long are answered in this book. Reverend Sunday has discovered the secrets and the intentions of his life's work, and you will be amazed to find out WHO Nostradamus really was. If you are curious about Planet X-Wormwood, then you will find out how that ties into these hidden revelations. There always comes a time when hidden things are revealed to a Prophet. (Daniel 2:22; Amos 3:7.) The second Prophet, William Branham, was way ahead of his time in his understanding of supernatural phenomenon; and his revelations on the Book of Genesis regarding the apple and its sexual

connotations lost him favor with the approved church then, and now. Prophets are rarely understood in their own age. These TWO PROPHETS were brought together to this unknown Sophe/Scribe chosen to disclose the hidden, amazing information, and revelation for our day...To GOD be the GLORY. Prepare the way for the Lord.

The New Charismatics Destiny Image Publishers

When Reverend William Branham prophesied of God's blessing of Reverend Jim Jones ministry during a joint Latter Rain healing campaign in Indianapolis, Indiana, he had no idea what he had started. As Jones took his place in line as a "Malachi 4 Elijah Prophet," a deadly chain reaction ended in the deaths of over 900 people during what would become known as the Jonestown Massacre. Did this chain reaction start with William Branham's call for an Exodus during his time in the ministry with Jim Jones? Historical data that has now been made available to the public might hold the answers.

THE CHURCH IN THE WORKPLACE

Zondervan

Paradoxically, as 1954 came to an end William Branham was not satisfied. He thought his supernatural gift should have revolutionized the Christian world, broken down denominational barriers, and brought all Christians together in oneness of spirit, purpose and doctrine. It had not. He decided the reason for this failure was because many Christians did not understand the God they were trying to worship. To remedy this problem, Bill felt led to teach more doctrine in his evangelistic campaigns, explaining the fundamentals of the Christian faith. This decision produced some unexpected results. During 1955, attendance at his faith-healing campaigns declined sharply. Evidently, people welcomed miracles as long as they didn't have to change their own ideas. Some people felt he should concentrate on divine healing and leave the teaching to the pastors, or teachers who had more education.

Faith Precedes the Miracle Scarecrow Press

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

Abstract of Land Claims AuthorHouse

Covers the founders, beliefs, history, and practices of religious groups found in the United States

churchfails Kyle Morton

When a loved one is injured or ill, what do Christians do? They pray, expecting God to intervene with a miracle of healing. They pray not only because the Bible says to do so, but also because God has shown Himself faithful to heal throughout history and even today. *I Believe in Healing* is a one-of-a-kind collection of true stories that demonstrate God's healing power.

Readers will find dozens of biblical, historical, and present-day accounts of physical and emotional healings, written in Cecil Murphey's heartwarming, uplifting style that made *90 Minutes in Heaven* a New York Times bestseller. Anyone who needs a touch from God for themselves or a loved one will find encouragement and

inspiration in these pages.

[About Balance in the Message] Faith Assembly Church

This study seeks to demonstrate that exorcism/deliverance ministry is an innately enthusiastic practice utilizing John Knox's classic study of Christian enthusiasm. The twentieth century provides an ideal arena for such a study since it frames a complete lifecycle for this rite from its infancy during the early decades, through its heyday in the 1970s and 80s, on to creeping routinisation by the end of the century. Two enthusiastic settings, Charismatic and Evangelical Fundamentalist, are identified and examined as the environment in which two related streams of exorcism/deliverance ministry was practiced. Finally, enthusiastic Sacramentalist exorcism is considered in order to establish the thesis that

enthusiastic settings provide a conducive atmosphere for the emergence and practice of exorcism/deliverance ministry. Attention is paid to historical factors within the Charismatic and Evangelical Fundamentalist streams that underlie the development of this rite. As a result important secondary insights are gained into the tidal nature of enthusiastic movements, the role of itinerant preachers in the propagation of enthusiasm, the routinisation of enthusiastic practices and the manner in which enthusiasm overcomes institutional denominational boundaries. The study provides the foundation for future investigation of the manner in which enthusiastic experience is presented for apologetic purposes, the relationship between exorcism/deliverance ministry and millenarianism and the practice of this rite within non-Western churches.
