#### Teaching Resources

Problem Solving 4 Today: Daily Skill Practice for fifth grade contains reproducible activities designed to help students learn critical math word problem-solving skills with strategies such as drawing and using a tape diagram, working backward, finding a pattern, and more. The 4 Today series offers comprehensive, quick, and easy-to-use math workbooks. The reproducible

activities review essential skills during a four-day period. On the fifth day, an assessment with related skills is provided. Each week begins with a Fluency Blast section to provide students with repeated, daily practice for essential skills. The format and style of the 4 Today books provide excellent practice for standardized tests. The series also includes a progress-tracking reproducible, a standards alignment chart, tips for fostering a school-to-home connection, and an answer key.

#### **Daily Word Problems** Carson Dellosa Education

Spectrum(R) Word Problems for grade 8 includes practice for essential math skills, such as real world applications, multi-step word problems, variables, ratio and proportion, perimeter, area and volume, percents, statistics and more. Spectrum(R) Word

Problems supplement to classroom work and proficiency test preparation. The series provides examples of how the math skills students learn in school apply to everyday life with challenging, multi-step word problems. It features practice with word problems that are an essential part of the Common Core State Standards. Word problem practice is provided for essential math skills, such as fractions, decimals, percents, metric and customary measurement, graphs and probability, and preparing for algebra and more.

Word Problems Incentive Publications

Completely revised in 2019 to reflect grade-level standards, Daily Word Problems is the perfect resource to improve students problem-solving skills. The all-NEW word problems are written to support current math standards and expectations and provide consistent spiral review of math concepts. Students problem-solving skills improve as they participate in meaningful, real-life math practice.

*Daily Math Starters: Grade 6* Carson-Dellosa Publishing  
#1 NEW YORK TIMES BESTSELLER • NEWBERY MEDAL WINNER • NATIONAL BOOK AWARD WINNER Dig deep in this award-winning,

modern classic that will remind readers that adventure is right around the corner--or just under your feet! Stanley Yelnats is under a curse. A curse that began with his no-good-dirty-rotten-pig-stealing-great-great-grandfather and has since followed generations of Yelnatses. Now Stanley has been unjustly sent to a boys' detention center, Camp Green Lake, where the boys build character by spending all day, every day digging holes exactly five feet wide and five feet deep. There is no lake at Camp Green Lake. But there are an awful lot of holes. It doesn't take long for Stanley to realize there's more than character improvement going on at Camp Green Lake. The boys are digging holes because the warden is looking for something. But what could be buried under a dried-up lake? Stanley tries to dig up the truth in this inventive and darkly humorous tale of crime and punishment—and redemption. "A smart jigsaw puzzle of a novel." —New York Times \*Includes a double bonus: an excerpt from *Small Steps*, the follow-up to *Holes*, as well as an excerpt from the New York Times bestseller *Fuzzy Mud*.

*Grade 5, Class Pack Daily Word Problems, Grade 5*

The weekly themes in grade 5 present challenges in many topics such as dog walking, computers, reading, travel, pizza, and car racing. ### **DAILY SKILL PRACTICE**

Evan Moor Educational Publishers

Give your students their own practice book, ideal for daily warm-up, review, or homework--and reduce time spent on photocopying! The student book contains the same student pages as the teacher's edition. Student books do not contain answer keys. (Teacher's editions only.) The student book provides 36 weeks of word problems that practice concepts such as addition, multiplication, fractions, logic, algebra, and more. Student books provide a convenient work space for students to complete word problems.

Dozens of Quick, Daily Exercises and Strategies That Give Kids the Tools They Need to Tackle and Triumph Over Math Word Problems Evan Moor Educational Publishers

Using standardized testing formats, math skills are kept sharp with focused practice in computation, word problems, graphing, measurement and numbers. Includes scope and sequence charts

and answer keys.

### **DAILY MATH PRACTICE, GRADE 1**

Teacher Created Resources

36 weeks of instruction that addresses grade-level, standards-correlated math concepts, including addition, fractions, logic, algebra and more. Monday & Thursday activities present students with a one- or two-step word problem, while Friday's format is more extensive and requires multiple steps. The set contains 5 Student Books.

Word Problems Grade 5 Daily Word Problems

Support third-grade students with 180 daily practice activities to build their mathematical fluency. Each problem is tied to a specific mathematical concept to help students gain regular practice of key grade-level skills. This book features quick, diagnostic-based activities that are correlated to College and Career Readiness and other state standards, and includes data-driven assessment tips. Digital resources include assessment analysis tools and pdfs of the activity sheets. With these daily practice activities, teachers and parents will be helping third graders improve their math skills in no time!
