Make a Difference*
InterVarsity Press
As many as 96% of
Christians are not
leading anyone to
Jesus. Which means
that the vast majority
of the wider church is,
at best, simply sowing.
The kingdom of God,
however, requires both
sowing and reaping. If
we neglect reaping, we
will not have a healthy
harvest. Jesus at the
Door offers a unique
tool--an Equipping Card
to use with anyone you
know, anywhere--and
practical, step-by-step
instructions, helping
readers witness to

friends, family, even
strangers on the street.
This tried-and-tested
method is framed
around nine points and
a picture, and takes
about two minutes
from introduction to
salvation.

A groundbreaking new
history of the United
States, showing how
Christian faith and the
pursuit of petroleum
fueled America's rise to
global power and
shaped today's political
clashes Anointed with
Oil places religion and
oil at the center of
American history. As
prize-winning historian
Darren Dochuk reveals,
from the earliest
discovery of oil in
America during the
Civil War, citizens saw
oil as the nation's

special blessing and its peculiar burden, the source of its prophetic mission in the world. Over the century that followed and down to the present day, the oil industry's leaders and its ordinary workers together fundamentally transformed American religion, business, and politics -- boosting America's ascent as the preeminent global power, giving shape to modern evangelical Christianity, fueling the rise of the Republican Right, and setting the terms for today's political and environmental debates. Ranging from the Civil War to the present, from West Texas to Saudi Arabia to the Alberta Tar Sands, and from oil-patch boomtowns to the White House, this is a sweeping,

magisterial book that transforms how we understand our nation's history.

Dynamic New Teaching
from Bestselling Author
Ed Silvoso The word church has many connotations; we think of it as a specific building, as a group of people, even as a long service to sit through. We hardly ever think of it as world-changing-- and neither does society. Yet this is exactly what the first-century ekklesia was. In these vital, eye-opening pages, bestselling author Ed Silvoso takes you back to the first days of the church. Digging into Scripture, he shows how the New Testament church--

devoid of buildings, professional clergy, and religious freedom--was able to transform the hostile, pagan places into which it was born and set in motion a process that changed the world forever. Even more, Silviso offers a roadmap back to becoming the ekklesia Jesus called his church to be. In the midst of the social, economic, political, and moral chaos in our world today, we possess the hope that people and nations so desperately need--and we can become the revolutionary, transformational, life-giving voice Jesus called us to be. A new, in-depth curriculum kit--which features a DVD with 12 brand-new teaching sessions, a group guide for both

leaders and participants, and a copy of the book--is also available. Expounding on the book's dynamic teachings, each kit contains everything you need to equip your group to transform the world around them.

MARKETPLACE JESUS

Chosen Books
Every Business Is God's Business The notion that labor for profit and worship of God are now, and always have been, worlds apart, is patently false. The Early Church founders were mostly community leaders and highly successful businesspeople. The writing of the Gospels was entrusted to Luke, a medical doctor; Matthew, a retired tax collector; Mark, the

manager of a family trust; and John, a food supplier. Lydia was "a dealer in purple cloth." Dorcas was a clothes designer. In this expanded version of the bestselling *Anointed for Business*, Ed Silviso focuses on the heart of our cities, which is the marketplace. Yet the perceived wall between commercial pursuit and service to God continues to be a barrier to advancing His kingdom. Silviso shows Christians how to knock down that wall--and participate in an unparalleled marketplace transformation. Only then can we see God's kingdom invade every corner of our world. Readers will appreciate Silviso's passionate call to men and women in the workplace to rise

to their God-appointed positions. The included study guide will enable the reader to put these revolutionary concepts into action.

Dear Friend, Greetings in the name of our Lord and Savior Jesus Christ from whom all blessing flow. My name is Joseph A. Broadway. I'm a born-again, bible-believing, and Spirit-filled Christian. It is my absolute pleasure to introduce to you what God has appointed, anointed, and ordained me to do. I've been given the great opportunity and privilege to bring to your attention the book that God has allowed me to write called *Kingdom Business: Spiritual Poetry*, Volume 1. This book is just the first edition of

the many to follow hereafter. Kingdom Business is a spiritual poetry book that teaches us God's word through the form of poetry. Truly, I would not have been able to write this book without the direct divine impartation of the Most High God who is none other than the Lord Jesus Christ. Amen! God is not a traditional God; He is a diversified God that will use all forms of communication to connect with His people. First Corinthians 12:5""6 teaches us, "And there are differences of administrations, but the same Lord. And there are diversities of operations, but it is the same God which worketh all in all." The Scriptures also teaches us in 1 Corinthians

12:18, "But now hath God set the members every one of them in the body, as it hath pleased him." Each and every one of us has received a gift(s) from God. I hope that this particular gift will serve God well and you. Church, it is my hope and prayer that you pick up a copy of Kingdom Business: Spiritual Poetry, Volume 1 either for yourself to get revitalized, empowered, and inspired through this form of ministry or purchase it as a gift for someone. In my opinion, it would be an absolute shame not to have this book in your library of inspirational reading materials. Enjoy in Jesus's name. Amen!

The provocative and authoritative history of the origins of Christian America in the New Deal era We're often told that the United States is, was, and always has been a Christian nation. But in *One Nation Under God*, historian Kevin M. Kruse reveals that the belief that America is fundamentally and formally Christian originated in the 1930s. To fight the "slavery" of FDR's New Deal, businessmen enlisted religious activists in a campaign for "freedom under God" that culminated in the election of their ally Dwight Eisenhower in 1952. The new president revolutionized the role

of religion in American politics. He inaugurated new traditions like the National Prayer Breakfast, as Congress added the phrase "under God" to the Pledge of Allegiance and made "In God We Trust" the country's first official motto. Church membership soon soared to an all-time high of 69 percent. Americans across the religious and political spectrum agreed that their country was "one nation under God." Provocative and authoritative, *One Nation Under God* reveals how an unholy alliance of money, religion, and politics created a false origin story that continues to define and divide American politics to this day.

This book explains how marketplace ministry will operate in concert with local churches and pastors. It provides a Scriptural basis for the expansion of the Kingdom of God into all areas of society. It paints a picture of Kings who are naturally competitive, creative, and decisive, who are being used to fulfill the Great Commission. God is going to use an entrepreneurial people

...He has made us kings and priests... (Revelations 1:6 NKJV)
God is showing up in places we have never imagined. We thought He was just for Sunday church or mid-week study. But God is showing up in small businesses and on construction sites, in schools and in politics. He is in factories and at check-out counters, at nurses' stations and the stock exchange. God is showing up everywhere outside of where we expect Him to be. So what does it mean? We serve a God who is not acting like we thought He should act. This book is an awesome tool of discovery to learn not only what God wants, but how we can cooperate with His plan

for the nations, not just the Church. Discover how He want you to step into a realm of ministry and fulfillment you have never dreamed possible.

Learn how your work is the powerful dynamic of God's purposes for your life. This book is the beginning of new possibilities for those who are willing to see that God is bigger than they thought He was.

WOMEN: GOD'S SECRET WEAPON

Thomas Nelson
Jeff Van Duzer grew up thinking business was the source of much damage and evil in the world, the work of greedy capitalists polluting the environment. Thirty years later he was dean of a business school. In the course of that remarkable

transformation, Van Duzer found cause for both hope and concern. He discovered many business people achieving a great deal of good for society as well as a lot of illegal and unethical behavior. Along the way he found some who thought that merely being honest and kind was what made business Christian. Others said they'd never ask pastors for business advice because they had no interest or experience in their work. After all, wasn't "full-time Christian service" what the church was all about? This book explores the nature and meaning of doing business and finds it calls for much more than most think. Van Duzer presents a profoundly Christian

approach that integrates biblical studies with the disciplines of business and economics. Looking beyond the place of ethical principles and the character of the individual, Van Duzer displays a vision of business that contributes to the very purposes of God.
