MY BADASS BOOK OF SAINTS

Sophia Institute Press

This volume brings into dialogue the ancient wisdom of Augustine of Hippo, a bishop of the early Christian Church of the fourth and fifth centuries, with

contemporary theologians and ethicists on the topic of social justice. Each essay mines the major themes present in Augustine's extensive corpus of writings—from his Confessions to the City of God— with an eye to the following question: how can this early church father so foundational to Christian doctrine and teaching inform our twenty-first century context on how to create and sustain a more just and equitable society? In his own day, Augustine spoke to conditions of slavery, conflict and war, violence and poverty, among many others. These conditions, while reflecting the characteristics of our technological age, continue to obstruct our collective efforts to bring about the common good for the global human community. The contributors of this volume have taken great care to read Augustine through the lens of his own time and place; at the same time, they provide keen insights and reflections which advance the conversation of social justice in the present.

A 2017 LA Times Book Prize Finalist A quirky story of love, mischief, and forgiveness from Brazil's foremost award-winning author for young readers, in her U.S. debut. Fourteen-year-old Samuel is newly orphaned and homeless in a small town in Brazil. He lives in a

giant, hollow, concrete head of St. Anthony, the lingering evidence of the village's inept and failed attempt to build a monolith over a decade ago. He didn't know what it was when he crawled into it, seeking shelter during a storm, but since coming there, he hears beautiful singing, echoing like magic in the head twice a day. So he stays. Miraculously, he can also hear the private prayers and longings of the villagers. Feeling mischievous, Samuel begins to help answer these prayers, hoping that if he does, their noise will quiet down and he can listen to the beautiful singing in peace. Ironically, his miracles gain him so many fans that he starts to worry he will never fulfill his own true longing and find the source of the singing. Filled with beautiful turns of phrase and wonderfully quirky characters, *The Head of the Saint* is a riotous story of faith and magic that won't soon leave your thoughts.

From William C. Morris Award Finalist S.K. Ali comes an unforgettable romance that is part *The Sun Is Also a Star* mixed with *Anna and the French Kiss*, following two Muslim teens who meet during a spring break trip. A marvel: something you find amazing. Even ordinary-amazing. Like potatoes—because they make French fries happen. Like the perfect fries Adam and his mom used to make together. An oddity: whatever gives you pause. Like the fact that there are hateful people in the world. Like Zayneb's teacher, who won't stop reminding the class how "bad" Muslims are. But Zayneb, the only Muslim in class, isn't bad. She's angry. When she gets suspended for confronting her teacher, and he begins investigating her

activist friends, Zayneb heads to her aunt's house in Doha, Qatar, for an early start to spring break. Fueled by the guilt of getting her friends in trouble, she resolves to try out a newer, "nicer" version of herself in a place where no one knows her. Then her path crosses with Adam's. Since he got diagnosed with multiple sclerosis in November, Adam's stopped going to classes, intent, instead, on perfecting the making of things. Intent on keeping the memory of his mom alive for his little sister. Adam's also intent on keeping his diagnosis a secret from his grieving father. Alone, Adam and Zayneb are playing roles for others, keeping their real thoughts locked away in their journals. Until a marvel and an oddity occurs... Marvel: Adam and Zayneb meeting. Oddity: Adam and Zayneb meeting.

(© 2015) The Subcommittee on the Catechism, United States Conference of Catholic Bishops, has found that this catechetical high school text is in conformity with the Catechism of the Catholic Church and fulfills the requirements of Elective C of the Doctrinal Elements of a Curriculum Framework for the Development of Catechetical Materials for Young People of High School Age. "No one lives alone. No one sins alone. No one is saved alone," wrote Pope Benedict XVI, whose words resonate with today's teens, particularly because the prevalence of social media allows them to better see how their lives are interwoven with those around them. Foundations of Catholic Social Teaching: Living as a Disciple of Christ builds on those connections by helping teens find their place in the community of the faithful as they advocate for charity and justice in the world. The textbook, the second in the Encountering Jesus series released by Ave Maria Press, adheres to the USCCB guidelines for Elective Course C: Living as a Disciple of Jesus Christ. Organized around the seven principles of Catholic social teaching, Foundations of Catholic Social Teaching helps students gain a greater understanding of the roots of social teaching in the Church, its context in the Bible and the Catechism and real-life examples of charity and justice in action.

Since his election in 2013, Pope Francis has tackled many issues of urgent reform within the church. Mercy in Action explores Pope Francis's efforts to renew Catholic social teaching—the guidance the church offers on matters that pertain to social justice in the world.

The book examines what Pope Francis has said, done, and written on six critical social issues today—economic inequality, worker justice, preserving the environment, healthy family life, the plight of refugees, and peacemaking. The book also highlights both continuity and change in Catholic social teaching. Author Thomas Massaro illustrates how on each social issue—from expressing solidarity with unemployed workers to writing an encyclical addressing environmental degradation and climate change—Pope Francis has worked to update the church’s message of social justice and mercy.

Winner of a 2016 Association of Catholic Publishers Excellence in Publishing Award: Inspirational Books (First Place). In this edgy, honest, and often audacious book of Catholic spirituality, blogger and popular podcaster Maria Morera Johnson explores the qualities of twenty-four holy women who lived lives of virtue in unexpected and often difficult circumstances. In *My Badass Book of Saints*, Johnson shares her experience as a first-generation Cuban-American, educator of at-risk college students, and caregiver for a husband with Lou Gehrig's disease. Through humorous, empowering, and touching portraits of twenty-four spiritual mentors who inspired her, Johnson shows how their bravery, integrity, selflessness, perseverance, and hope helped her and can help others have courage to reach for a closer connection to God. She presents remarkable holy women and saints—including the gun-toting Servant of God Sr. Blandina Segale who tried to turn the heart of Billy the Kid, and Nazi resister Irena Sendler who helped smuggle children out of the Warsaw

Ghetto during World War II—in a way that brings their vivid personalities to life and helps readers live out the challenges of their lives with virtue and conviction. The book includes a group discussion guide.

Book of All Saints Rowman & Littlefield
Adrienne von Speyr, a renowned mystic and spiritual writer from Switzerland, was received into the Catholic Church at

the age of 38 on the Feast of All Saints, 1940, by one of the theological giants of the 20th century, Fr. Hans Urs von Balthasar. He became her spiritual director and confessor until her death in 1967 during which time Adrienne was favored with many gifts of authentic mystical prayer. Balthasar considered one of the central characteristics of Adrienne's prayer to be her transparency to the inspirations she received from God, along with a deep personal communion with the saints. Over a period of many years, Adrienne would see the saints (and other devout people) at prayer, and she would dictate what she saw to Fr. von Balthasar - while she was in a state of mystical prayer. Through a unique charism, she was able to put herself in the place of various individuals to see and describe their prayer, their whole attitude before God. Not all of her subjects are saints in the strict sense of the word, but all struggled, with varying degrees of success, to place their lives at the disposal of their Creator. This book presents these unique mystical insights into the prayer lives of many saints taken from Adrienne's direct visions of them in prayer. Among the long list of saints in this book are St. John the Apostle, St. Augustine, St. Francis, St. Thomas Aquinas, St. Ignatius of Loyola, St. Teresa of Avila, St. John of the Cross, St. John Bosco, St. Bernadette, St. Dominic, St. Edith Stein and many, many more. In this powerful spiritual work, the reader is able to participate in the devotional and spiritual life of the Church throughout the centuries by learning how numerous saints and

devout people prayed, thus reflecting on the timelessness and beauty of the prayer of the Church.
