#### The Soul Prophecy Seven Dials

A thrilling, "action-packed page-turner" (Wall Street Journal) based on a true story of anarchy and assassination in Edwardian London, centred around one detective's mission to preserve the life of his king and prevent a bloody war in Europe. From humble beginnings in Ireland, William Melville has risen through hard work, intelligence, and occasional brute force to become head of Scotland Yard's Special Branch, personal bodyguard to Queen Victoria and her family, and the scourge of anarchists at home and abroad. But when the aged Queen dies in January 1901 and the crowned heads of Europe converge on London for her funeral, Melville learns of a conspiracy, led by a mysterious nihilist known only as Akushku, to assassinate Kaiser Wilhelm of Germany at the ceremony. Racing to prevent the atrocity, Melville and his German counterpart Gustav Steinhauer find themselves tangled in a web of adultery, betrayal, and violence. As the funeral looms ever closer, Melville realizes that Akushku is the most resourceful and vicious foe he has yet encountered—but is the greater threat from Melville's enemies, or his allies?

This is the story of the real bodyguard, Lee Sansum, ex-Royal Military Policeman, martial arts champion, and expert in close protection. Part of Mohamed and Dodi Al-Fayed's protection team, Lee had to guard the most famous woman in the world, Princess Diana. He formed a close bond with Diana and the young princes, particularly Harry, and it was only by a stroke of luck that he was

not in the car the night Diana died. That night proved to be the turning point in his own life. Over the course of his career, Lee has worked with the rich and famous, such as Hollywood stars Tom & Nicole, Pele and Sylvester Stallone, and he gives a candid account of what it's like to work in a job where lives are literally at stake. Growing up in a tough part of Greater Manchester, Lee learnt the hard way that to survive you need to stand up to bullies and be harder than your opponent. A career in the Royal Military Police took him to the "Bandit Country" of South Armagh, where he pulled an AWOL squaddie out of a honey trap moments before an IRA active service unit arrived to kill him. He worked undercover in Northern Ireland and joined the SIB, the Army's own internal affairs unit, before entering the world of private security, operating in the world's hotspots, such as Libya and the breakaway state of Somaliland. Lee's story is one of quiet strength, of how reading a situation is invaluable to getting out of trouble. It is one of achieving personal goals and overcoming trauma through the help of his wife, Kate, and through his love of martial arts. It is also a fitting tribute to one of the outstanding figures of our age.

#### *Born of Shadows* Forever

The explosive finale to the Bodyguard series takes Connor on a thrill-ride through Shanghai, where he comes face to face with his ultimate nemesis. Summoned urgently to China, Connor arrives in Shanghai to discover he's the target for an assassination by Equilibrium, the

clandestine organization that has plagued his life as a bodyguard. With a mark on his head, Connor goes on the run through an alien country and from an enemy he knows even less about. With the fast-paced action, high-stakes missions and gadgets that would make James Bond jealous, the BODYGUARD series is perfect for fans of CHERUB and ALEX RIDER.

I'm trudging through another day when one of Section's cleaners—assassins—takes an interest in me. I'm also a man on a mission, and I need Charlotte Locke's skills to help me keep a promise, settle a score, and kill some extremely bad people. Rian: I'm not a stranger to being behind bars, but this prison leaves a lot to be desired. There are zero communal showers, minimal locking cells, and the other prisoners are extremely hostile. That could be because they are aliens and this is a prison in another galaxy. Add in the fact that I'm a human female, and my life span has just dropped some serious time. I'm about to go down fighting when a scary blue alien with spikes decides he's my rescuer. Except he doesn't seem happy about my presence and, well, join the club, buddy. Mikko: After spending a third of my life in the Pit, I returned for some payback but instead find a human female fighting for her life. She's small, snarly, and irritatingly beautiful.
