WOODARD WELCH

Hourglass HarperCollins

In this sequel to *A Thousand Pieces of You* by New York Times bestselling author Claudia Gray, Marguerite races through various dimensions to save the boy she loves. Ever since she used the Firebird, her parents' invention, to cross through to alternate dimensions, Marguerite has caught the attention of enemies who will do anything to force her into helping them dominate the multiverse—even hurt the people she loves. She resists until her boyfriend, Paul, is attacked, and his consciousness is scattered across multiple dimensions. The hunt for each splinter of Paul's soul sends Marguerite racing through a war-torn San Francisco, the criminal underworld of New York City, and a glittering Paris where another Marguerite hides a shocking secret. Each dimension

brings Marguerite one step closer to rescuing Paul. But with every trial she faces, she begins to question the one constant she's found between the worlds: their love for each other.

EVERNIGHT - VOL. I

Harper Collins

The fate of the multiverse rests in Marguerite's hands in the final installment of the Firebird trilogy by New York Times bestselling author Claudia Gray. Ever since she used the Firebird, her parent's invention, to cross through alternate dimensions, Marguerite has been at the center of a cross-dimensional feud. Now she has learned that the evil Triad Corporation plans to destroy hundreds of universes, using their ultimate weapon: another dimension's Marguerite who is wicked, psychologically twisted, and always one step ahead. Even though her boyfriend Paul has always been at Marguerite's side, the Triad's last attack has left him a changed man, and he may

never be the same again. Marguerite alone must stop Triad and prevent the destruction of the multiverse. It's a battle of the Marguerites . . . and only one can win. In the epic conclusion to the sweeping series that kicked off with *A Thousand Pieces of You*, fate and family will be questioned, loves will be won and lost, and the multiverse will be forever changed.

FIGHT FOR LOVE ONE LAST TIME The novel-length epilogue to the best-selling vampire saga, *Dark Secrets*. This book is best read after the *Bound* series, a witty two-book spin-off of *Dark Secrets* following Ara's grown daughter, Elora, and the vampire who mistakenly enters her life without knowing who she is. You loved the seven-book series, but what do readers say about *Bound by Secrets*? "...It's the perfect finale to David and Ara's story. After everything they've been through. People who haven't read this series may

find it odd that I am referring to the characters as if they were real people. Trust me. Once you read this series, you will understand..." -Laura, Amazon Review ★★★★★ "I have read these books from the beginning and I can't even beginning to explain my love for this series!" - Nicollette Kelly ★★★★★ "This author did this series justice with this book, she gave us everything we needed. I totally pinky promise you will love this book." -Heather Peterson ★★★★★

Love is sacred. It needs no memory. But when memory is lost in a sickening tragedy, how can that love possibly survive? Irreparable damage was done to David in the tombs when his wife was killed. Since then, he's struggled to lead a human life and maintain the will to live for the sake of their son. So when he's called to a mission at request of his new king, he accepts willingly, happy for the distraction. He could never have imagined the mission would involve a blue-eyed girl from his past. But after well-meaning friends and

family decide it's best for Ara start fresh, having no memory of her past life, David is forced to play a role and pretend he doesn't know her, driving him into a desperate state of madness. Ara's memory extends only as far as the beginning of summer. Waking from a coma after a terrible accident, she's taken to live in another country to get away from the sadness. She knows nothing of her old life. Nothing of this world she lives in. The only person she has is Brett, an ex-Queen's Guard posing as her big brother and guardian. On meeting David at her new school, Ara finds him overbearing and a bit creepy, falling instead for a sweet guy named Cal, who's ancestral connections would be of great interest to someone she once knew. But David's grip on his emotions starts to slip as he's obligated to stand by and watch his beloved wife date other guys, and it triggers something in him that no one would ever have expected. Can Ara fall in love with the human David again after what he does to her, or was their love ever only a result of her attraction to his vampirism? If you thought you knew Dark David, you're still to meet the cold, human

version in this gut-wrenching epilogue about fighting for love when you've got nothing left to fight with.

STAR WARS LOST STARS, VOL. 3 (MANGA)

Harper Collins

Enter the dark, magical world of the House of Night series by bestselling authors P.C. Cast and Kristin Cast, a world very much like our own, except here vampyres have always existed. One minute, sixteen-year-old Zoey Redbird is a normal teenager dealing with everyday high school stress: her cute boyfriend Heath, the school's star quarterback who suddenly seems more interested in partying than playing ball; her nosy frenemy Kayla, who's way too concerned with how things are going with Heath; her uber-tough geometry test tomorrow. The next, she's Marked as a fledgling vampyre, forcing her to leave her

ordinary life behind and join the House of Night, a boarding school where she will train to become an adult vampyre. That is, if she makes it through the Change—and not all of those who are Marked do. It sucks to begin a new life, especially away from her friends, and on top of that, Zoey is no average fledgling. She has been chosen as special by the vampyre Goddess, Nyx. Zoey discovers she has amazing powers, but along with her powers come bloodlust and an unfortunate ability to Imprint with Heath, who just doesn't know how to take "no" for an answer. To add to her stress, she is not the only fledgling at the House of Night with special powers: when she discovers that the leader of the Dark Daughters, the school's most elite group, is misusing her Goddess-given gifts, Zoey must look deep within herself for the courage to embrace her destiny—with a little help from her new vampyre friends.
