 Space Cadet Robert A Heinlein
 Space Cadet is a 1948 science fiction novel by Robert A. Heinlein about Matt Dodson, who joins the Space Patrol to help preserve peace in the

Solar System. The story translates the standard military academy story into outer space: a boy from Iowa goes to officer school , sees action and adventure, shoulders responsibilities far beyond his experience, and becomes a man .Space Cadet - Wikipedia
 Along the way Heinlein explores a number of themes, including racism (the Patrol is made up of members from pretty much every nation and ethnicity imaginable) and national pride (cadets are expected to abandon their

loyalty to their homelands and instead focus on loyalty to humanity), as well as providing a surprisingly accurate depiction of space travel over a decade before Yuri Gagarin made his first orbit of the Earth.
