Bette Davis's career becomes a vehicle for a deep examination of American race relations. Bette Davis was not only one of

Hollywood's brightest stars, but also one of its most outspoken advocates on matters of race. In *Bette Davis Black and White*, Julia A. Stern explores this largely untold facet of Davis's brilliant career. *Bette Davis Black and White* analyzes four of Davis's best-known pictures—*Jezebel* (1938), *The Little Foxes* (1941), *In This Our Life* (1942), and *What Ever Happened to Baby Jane?* (1962)—against the history of American race relations. Stern also weaves in memories of her own experiences as a young viewer, coming into racial consciousness watching Davis's films on television in an all-white suburb of Chicago. Davis's egalitarian politics and unique collaborations with her Black costars offer Stern a window into midcentury American racial fantasy and the efforts of Black performers to disrupt it. This book incorporates testimony from Davis's Black contemporaries, including James Baldwin and C. L. R. James, as well as the African American fans who penned letters to Warner Brothers praising Davis's work. A unique combination of history, star study, and memoir, *Bette Davis Black and White* allows us to contemplate cross-racial spectatorship in new ways.

Contemporary American Theatre Company Presents The Little Foxes by Lillian Hellman GRIN Verlag

A 2020 Newbery Honor Recipient! Christian McKay Heidicker, author of the *Thieves of Weirdwood* trilogy, draws inspiration from Bram Stoker, H. P. Lovecraft and Edgar Allan Poe for his debut middle-grade novel, a thrilling portrait of survival and an unforgettable tale of friendship. "Clever and harrowing." —*The Wall Street Journal* "Into the finest tradition of storytelling steps Christian McKay Heidicker with these highly original, bone-chilling, and ultimately heart-warming stories. All that's needed is a blazing campfire and a delicious plate of peaches and centipedes." —Kathi Appelt, Newbery Award honoree and National Book Award finalist The haunted season has arrived in the Antler Wood. No fox kit is safe. When Mia and Uly are separated from their litters, they discover a dangerous world full of monsters. In order to find a den to call home, they must venture through field and forest, facing unspeakable things that dwell in the darkness: a zombie who hungers for their flesh, a witch who tries to steal their skins, a ghost who hunts them through the snow . . . and other things too scary to mention. Featuring eight interconnected stories and sixteen hauntingly beautiful illustrations, *Scary Stories for Young Foxes* contains the

kinds of adventures and thrills you love to listen to beside a campfire in the dark of night. Fans of Neil Gaiman, Jonathan Auxier, and R. L. Stine have found their next favorite book. A Booklist 2019 Editors' Choice Selection

Performing the Role of Ben Hubbard in The Little Foxes by Lillian Hellman Schwartz & Wade

The poetry of Miles Burrows was discovered in 1966 when Tom Maschler, already an editor at Cape, heard him give a public reading in London. Cape published him. After that, Burrows continued his life in many walks, most of them medical. Having studied Greats at Oxford, he determined to become an intellectual and learned to smoke black Russian cigarettes, reviewing occasionally for the *New Statesman*. He worked as a GP and then as a psychiatrist. He was briefly a trawlerman, then a doctor in the New Guinea Highlands, in the American Hospital for Hmong tribe refugees on the Thai-Laos border, in a Catholic mission Hospital in Eastern Taiwan, in the Middle East and in Suffolk. This *Collected Poems* is a rich harvest from the decades between 1966 and 2021. The poems are primarily conversational. The poet is keen to get into exclusive places he has no right to be – clubs, social strata, religions. Much of the adventure, the disrupted narrative, has to do with being out of place. Its long narratives – work as a trawlerman in Iceland, a traditional funeral in Taiwan – open on worlds that are made vertiginously real.

DRAMATIC READING

Tin House Books

A little fox discovers the wonders of the world around him in this exuberant picture book that celebrates the seasons and the relationship between a parent and child. When Mama Fox tells her new baby that it's time to go outside for the first time, he isn't so sure. So Mama promises to stay by his side as they tumble though Little Fox's first year of life, a year spent splashing in puddles, trying new foods, leaping in leaves, and snuggling in snow. And then, before long, Little Fox is all grown up. But is he ready to go off on his own? With sweet rhyming text and vibrant illustrations, Rick Chrustowski tells a tender story of parent-child love and how wonderful—and wistful—it feels when a little one leaves the nest.

The Little Foxes. Two Plays Lindhardt og Ringhof Foundling Billy Bunch, who is mocked at school and barely

tolerated by his latest foster mother, finds his only pleasure in looking after a family of fox cubs in the wilderness by the canal, until others discover his secret.

The Little Foxes, Etc Simon and Schuster

An acting edition of the 1939 drama in which brothers Oscar and Ben Hubbard steal money from their ailing brother-in-law in order to fund a cotton mill, only to be caught by their sister Regina who demands they give her a seventy-five percent share of the business in exchange for keeping them out of prison.

The Little Foxes

A powerful story of sexual awakening and acceptance voiced by an unforgettable protagonist coming of age in post-Soviet Russia. When Mitya was two years old, he swallowed his grandmother's sewing needle. For his family, it marks the beginning of the end, the promise of certain death. For Mitya, it is a small, metal treasure that guides him from within. As he grows, his life mirrors the uncertain future of his country, which is attempting to rebuild itself after the collapse of the Soviet Union, torn between its past and the promise of modern freedom. Mitya finds himself facing a different sort of ambiguity: is he a boy, as everyone keeps telling him, or is he not quite a boy, as he often feels? After suffering horrific abuse from his cousin Vovka who has returned broken from war, Mitya embarks on a journey across underground Moscow to find something better, a place to belong. His experiences are interlaced with a retelling of a foundational Russian fairytale, Koschei the Deathless, offering an element of fantasy to the brutal realities of Mitya's everyday life. Told with deep empathy, humor, and a bit of surreality, *Little Foxes Took Up Matches* is a revelation about the life of one community in a country of turmoil and upheaval, glimpsed through the eyes of a precocious and empathetic child, whose heart and mind understand that there are often more than two choices. An arresting coming of age, an exploration of gender, a modern folktale, a comedy about family, Katya Kazbeck breaks out as a new voice to watch.

THE LITTLE FOXES

Carcenet Press Ltd

First published in 1866, 'Little Foxes' is a form of self-help book by renowned author Harriet Beecher Stowe. Organised into seven different sections including 'Irritability', 'Self-Will' and 'Intolerance', a wealth of advice is given as to how to oppose and avoid negative and self-destructive habits, thereby attaining a happy and peaceful existence within the family home. An intriguing insight into 19th century attitudes towards self-help and personal growth. Harriet Beecher Stowe (1811-1896) was an American author of novels, articles and memoirs, and was an ardent abolitionist. Stowe was born in Connecticut to a religious family. Her father was a Calvinist preacher and her mother died when she was just five years old. She received a traditional academic education – a rarity for girls at the time – and at the age of twenty-one she moved to Cincinnati, Ohio. A major trading location, it was here that Stowe encountered people who had escaped slavery, and hearing their experiences would greatly influence her life and work. She married in 1850 and moved to Maine, where both she and her husband remained vocal critics of slavery, and actively supported the Underground Railroad. Her most famous novel 'Uncle Tom's Cabin' was serialised and then published in 1852. It caught the attention of the American nation with its passionate opposition and emotional portrayal of the effects of slavery. She died in Connecticut in 1896 at the age of 85.

Seminar paper from the year 2010 in the subject English Language and Literature Studies - Literature, grade: 2,3, University of Wuppertal, language: English, abstract: 1. Introduction The following paper deals with the female characters in the play "The little foxes," written by Lillian Hellmann in 1939. In the United States the role of women in society changed drastically in the 20th century. In the past married women were homebound and dependent on their husbands, but they became active and independent in 1900. The increasing possibilities to work outside the house led to the fact that women became wage-earners. Finally, the women's attitude to life changed dramatically. In the beginning of this paper an overview of the historical background, considering the social role of women in the 20th century, is given. Afterwards, the change of the role of women will be exemplified by the female characters of Regina,

Birdie and Alexandra in "The Little Foxes." Especially Regina and Birdie can be seen as contrastive examples because they show in an opposite way how to deal with their powerless role in the Hubbard family.

THE LITTLE FOXES

This book with the title: "Little Foxes In The Marriage," covers important issues such as temptations and flirting, anger as well as sex, familiarity and criticism among others.

Acting Edition

Fans of Aaron Becker's Caldecott Honor winner Journey will love this utterly enchanting wordless picture book in which two friends follow a young fox deep into the woods and discover a wondrous and magical world. When a young girl brings her beloved stuffed fox to the playground, much to her astonishment, a real fox takes off with it! The girl chases the fox into the woods with her friend, the boy, following close behind, but soon the two children lose track of the fox. Wandering deeper and deeper into the forest, they come across a tall hedge with an archway. What do they find on the other side? A marvelous village of miniature stone cottages, tiny treehouses, and, most extraordinary of all, woodland creatures of every shape and size. But where is the little fox? And how will they find him? Stephanie Graegin's oh-so-charming illustrations are simply irresistible, and readers young and old will want to pore over the pages of this delightful fantasy adventure again and again.
