ALESSANDRA FINLEY

And If You Play Golf, You're My Friend Globe Pequot
Two highly respected outdoor journalists, Kirk Deeter of Field & Stream and Charlie Meyers of the Denver Post, have cracked open their notebooks and shared straight-shot advice on the sport of fly fishing, based on a range of new and old experiences—from interviews with the late Lee Wulff to travels with maverick guides in Tierra del Fuego. The mission of The Little Red Book of Fly Fishing is to demystify and un-complicate

the tricks and tips that make a great trout fisher. There are no complicated physics lessons here. Rather, conceived in the “take dead aim” spirit of Harvey Penick’s classic instructional on golf, The Little Red Book of Fly Fishing offers a simple, digestible primer on the basic elements of fly fishing: the cast, presentation, reading water, and selecting flies. In the end, this collection of 240 tips is one of the most insightful, plainly spoken, and entertaining works on this sport—one that will serve both novices and experts alike in helping them reflect and hone in their approaches to fly fishing.

Every Shot Must Have a Purpose Hassell Street Press
With more than 1.5 million copies in print, Harvey Penick's Little Red Book (the bestselling sports book ever) and its bestselling

companion, *And If You Play Golf, You're My Friend*, have become classic must-reads for anyone who has ever picked up a club and taken to the links. Here are both books in one gift-boxed set--the perfect gift for every golfer.

The Match Simon and Schuster

"The Pro Tours' Hottest Coach" (*Golf Digest*) reveals the secrets that helped Phil Mickelson win the 2010 Masters and can utterly transform every player's game. When a resurgent Phil Mickelson won the Tour Championship in September 2009, he was quick to credit a series of simple putting lessons from veteran golf champion and instructor Dave Stockton. As a top coach, Stockton has taught a long list of pro players-including Annika Sorenstam, Yani Tseng (winner of four LPGA tournaments), Adam Scott (Texas Open champion), Hunter Mahan (Phoenix Open champion), and Morgan Pressel (World Ladies Championship of Japan winner)-the putting strategies that finessed their game. Stockton's breakthrough concept is that every player has their own Signature Stroke, which is unconscious. Good putting comes from the mind, Stockton says, not from a series of stiff mechanical positions. With visualization, the right frame of mind, an efficient pre-putt routine, and connection to the individual internal stroke signature, any player can make far more putts. Putting has always been taught as an offshoot to the full swing, when in reality it is far different- almost a different game. *Unconscious Putting* will help players get out of the rigid, mechanical, overthinking trap. In *Unconscious Putting*, Stockton shows how players at every handicap level-from pros to weekend golfers-can putt effortlessly and with confidence by integrating a new mental approach with a few simple physical routines that will

keep them locked on target. Readers will also gain invaluable advice on reading greens and equipment. Illustrated throughout and filled with anecdotes about how Stockton's lessons have helped today's leading players, *Unconscious Putting* is a must-have golf book and a category classic-in-the-making.

Golf Etiquette Simon and Schuster

Bold, controversial, irreverent, and even described as 'heretical', this unique guide to golf pulls no punches in exposing the golfing myths that sabotage your progress and hold you back from the golf improvement you desire. Golfing expert and champion, Joe Dante, has analysed the ineffective swing, breaking it down into four key errors that block the way to golfing improvement for many a keen golfer. If you are not seeing the progress in golf you desire, the chances are you are falling victim to one, or all, of these fatal flaws in your swing. Each error is scientifically broken down, so you can see immediately what you are doing wrong, and, more importantly, exactly what you need to do to correct it! Each of the errors, or 'fatal flaws' as Joe refers to them, is replaced with a corresponding 'magic move' that literally overrides the error, and sets you immediately back on to track for golf success. *Winning Golf* is based upon proven, scientific principles but presented in such a way that anyone can easily understand and implement the techniques. This unique guide is a must for anyone wanting to improve his or her golf!

My Stories Simon and Schuster

The Little Red Book of Golf Wisdom is packed full of thoughtful and witty quotes on the game that has maddened, excited, and delighted generations of players and fans alike. Golfing legends, literary giants, celebrities, and politicians offer pithy and

memorable comments on the sport that A. A. Milne once described as “the best game in the world at which to be bad.” Read musings on golf from such noteworthy folks as: • John Updike • Bill Clinton • Ben Hogan • Annika Sorenstam • Rex Lardner • Tiger Woods • Jack Nicklaus • P.G. Wodehouse • Althea Gibson • And hundreds of others! The Little Red Book of Golf Wisdom will entertain, instruct, and capture the essence of the game that has an irresistible hold on anyone connected with it—whether as a participant or a spectator. There’s a reason why people all over the world are drawn to a game that can easily break one’s heart. This book tells you why.

The 4 Magic Moves HarperCollins

Dr Bob Rotella is one of the hottest golfing performance consultants in the world today. Unlike other performance consultants, Rotella goes beyond the usual mental aspects of the game and the reliance on specific techniques. In this extraordinary book, and with his clients, he creates an attitude and a mindset about all aspects of the golfer's game, from mental preparation to competition. And, as some of the world's greatest golfers will attest, the results are spectacular. Filled with charming and insightful stories about golf and the golfers Rotella works with, *GOLF IS NOT A GAME OF PERFECT* will improve the game of even the most casual weekend player.

Lessons and Teachings for Women Penguin

The instant New York Times bestseller This book is Palmer’s parting gift to the world -- a treasure trove of entertaining anecdotes and timeless wisdom that readers, golfers and non-golfers alike, will celebrate and cherish. No one has won more fans around the world and no player has had a bigger impact on

the sport of golf than Arnold Palmer. In fact, Palmer is considered by many to be the most important professional golfer in history, an American icon. In *A Life Well Played*, Palmer takes stock of the many experiences of his life, bringing new details and insights to some familiar stories and sharing new ones. This book is for Arnie's Army and all golf fans but it is more than just a golf book; Palmer had tremendous success off the course as well and is most notable for his exemplary sportsmanship and business success, while always giving back to the fans who made it all possible. Gracious, fair, and a true gentleman, "Arnie" was the gold standard of how to conduct yourself in your career, life, and relationships. Perfect for men and women of all ages, his final book offers advice and guidance, sharing personal stories of his career on the course, success in business, and the great relationships that gave meaning to his life.

And If You Play Golf, You're My Friend CreateSpace

By combining classic insights and stories from Zen tradition, *Zen Golf* helps eliminate the mental distractions that routinely cause poor shots and loss of concentration, allowing golfers to feel in “the zone” that professionals have learned to master. “The lessons in *Zen Golf* make the mental game seem so simple. Dr. Parent has given me very effective methods for working with thoughts and emotions, and for taking the negatives out of the picture.” —Vijay Singh, Masters and PGA Champion The best players know that golf is a game of confidence, and most important, concentration—the ability to focus and block out distraction. The goal of achieving clear thought is also at the heart of Buddhist teachings. In his highly original and groundbreaking book, noted PGA coach and Buddhist instructor,

Dr. Joseph Parent, draws on this natural connection and teaches golfers how to clear their minds, achieve ultimate focus, and play in the moment for each shot. Zen Golf presents a simple system for building "mental game mastery." Dr Parent's unique PAR Approach (focusing on Preparation, Action, and Response to Results) guides golfers with specific techniques for each aspect of their games. In chapters such as "How to Get From the Practice Tee to the First Tee", "You Produce What You Fear", and "How to Enjoy a Bad Round of Golf", the author shares a personal teaching regimen that has helped improve the games of professionals and amateurs alike. Clear, concise, and enlightening, Zen Golf shows golfers how to prepare for, execute, and equally important, respond the results of any golf shot. A different approach to golf instruction, this book shapes ancient philosophies into new teachings.

Winning Golf Simon and Schuster

ANOTHER ROUND OF INSPIRATION AND INSTRUCTION When Harvey Penick signed copies of his now classic first book, Harvey Penick's Little Red Book, Bud Shrake, his coauthor, noticed that he often inscribed them with the line "To my friend and pupil." When Shrake asked him why, Penick replied "Well, if you read my book, you're my pupil, and if you play golf, you're my friend." Taking up where the Little Red Book left off, this is the second dose of Penick's singular brand of wit and wisdom, full of the simple and easy-to-understand lessons on golf that Penick is known and admired for. Like its predecessor, And If You Play Golf, You're My Friend is rich with Penick's great love of the game, a love that he delighted in sharing with golfers of all ages and levels of ability.

How GOLF54 Can Make You a Better Player Simon and Schuster

Harvey Penick's Little Red Book Lessons And Teachings From A Lifetime In Golf Simon and Schuster

Harvey Penick's Little Red Book Simon and Schuster

A rerelease of a classic reference draws on decades of experience by the late renowned golf pro as documented in a small red notebook throughout his career, sharing practical, non-technical wisdom for players of any experience level on how to maximize golf skills.

TOM DOAK'S LITTLE RED BOOK OF GOLF COURSE ARCHITECTURE

Macmillan

The legendary golf instructional, available again. This is, along with Harvey Penick's Little Red Book, THE book Golf professionals turn to. "Thirty years ago I was recommending Joe Dante's book The Four Magic Moves To Winning Golf as a must read for aspiring PGA professionals. What Dante said in '62 has influenced many of the game's finest teachers. Dante was a visionary."-- Gary Wiren, author of New Golf Mind When published, The Four Magic Moves To Winning Golf radically changed the way many players thought about the golf swing. Dante's system showed how simple it was to improve one's game, and at the same time gave the golfer one of the most comprehensive analyses of swing mechanics ever published. Now, thirty-three years after its original publication, Main Street is proud to reissue this classic instructional. Dante begins by sweeping out all the misconceptions of the game. "If good golf is to be learned and

the poor player is to improve, a purging must take place, painful as it may be." Dante discusses a few basics of grip and stance, and then he gets to the heart of his book, the four magic moves. As he reveals each of the moves, Dante focuses on the physical checkpoints so that any golfer can make sure that his or her swing is on the right track. *The Four Magic Moves To Winning Golf* is straightforward and easy to understand, yet unlike other golf books it is irreverent and audacious in its approach to mastering the game. The publication of this rediscovered classic is sure to establish Joe Dante's reputation as one of golf's greatest teachers.

The Wisdom of Harvey Penick Simon and Schuster
The twentieth anniversary edition of this classic work—the bestselling golf instruction book of all time and hailed as “the golfer's equivalent of *The Elements of Style*” (The New York Times)—includes a new introduction by a prominent golfer, twenty new illustrations, and never-before-published materials from the Penick family archives. The most beloved golf book of all time, Harvey Penick's *Little Red Book* has become required reading for all players and fans of the game, from beginners to seasoned pros. The legendary Harvey Penick, whom *Sports Illustrated* called the “Socrates of the golf world,” began his golfing career as a caddie in Austin, Texas, at the age of eight, and over the course of nearly a century worked with an amazing array of champions. In this classic book, which is named for the red notebook he always kept, Penick's simple, direct, practical wisdom pares away the hypertechical jargon that's grown up around the golf swing, and lets all golfers, whatever their level, play their best. This twentieth-anniversary edition features a

treasure trove of rare images from the Penick family archives, commemorates Penick's lasting achievement with a moving new foreword by 2012 Ryder Cup captain Davis Love III—whose father learned the game under Penick's tutelage—and reminds golfers everywhere to “take dead aim.”

UNCONSCIOUS PUTTING

Penguin

TIMELESS LESSONS FROM THE MASTER OF THE GAME This, the fourth book by Harvey Penick, was nearly finished when he died in April 1995. A return to the timeless wisdom that has made his first bestseller, Harvey Penick's *Little Red Book*, a modern classic, *The Game for a Lifetime* does not contain the technical swing tips and stance aids of today's instructional guides, but dispenses a philosophy on golf, and on life. Harvey Penick knew that the teachings in his book would stand the test of time, and he spent his lifetime pursuing and enjoying all that the game has to offer -- physically, emotionally, and spiritually. *The Game for a Lifetime*, the final book by Harvey Penick, stands as a wonderful testimonial to this legendary career, his celebrated teaching style, and his ability to affect the lives of the people who had the good fortune to know him.

Every Shot I Take Simon and Schuster

The first-ever biography of the iconic and beloved golf coach who caddied for Francis Ouimet, played with Ben Hogan, competed against Bobby Jones, shaped Ben Crenshaw, and distilled his golf wisdom into the *Little Red Book*, granting simplicity to a vexing yet beloved sport Millions of people were charmed by the homespun golf advice dispensed in Harvey Penick's *Little Red*

Book, a sports classic that went on to become the best-selling sports book of all time. Yet, beyond the Texas golf courses where Penick happily toiled for the better part of eight decades, few people knew the self-made golf pro who coaxed the best out of countless greats — Tom Kite, Ben Crenshaw, Betsy Rawls, Mickey Wright — all champions who considered Penick their coach and lifelong friend. In *Harvey Penick*, Kevin Robbins tells the story of this legendary steward of the game. From his first job as a caddie at age eight to his ascendance to head golf pro at the esteemed Austin Country Club to his playing days when he competed with Bobby Jones and Walter Hagen to his mentorship of some of golf's finest players, Penick studied every nuance of the game. Along the way, he scribbled his observations and anecdotes, tips and tricks, and genuine love of the sport in his little red book, which ultimately became a gift to golfers everywhere. Part elegy to golf's greatest teacher, part inquiry into his simple, impactful teachings, part history of golf over the past century, *Harvey Penick* is an exquisitely written sports biography.

HOW TO PLAY YOUR BEST GOLF ALL THE TIME

Three Rivers Press

Tommy Armour's classic *How to Play Your Best Golf All the Time* provides timeless golf instruction on the following subjects: * How to learn your best golf * What can your best golf be? * Taking you to the lesson tee * How your clubs can help you * The grip holds your swing together * How to get ready to swing * Footwork, the foundation of best golf * The art of hitting with the hands * The waggle, preliminary swing in miniature * The pause that means good timing * Assembling your game in good order * Saving

strokes with simple approach shots * The fascinating, frustrating philosophy of putting * The simple routine of an orderly golf shot These classic bits of advice are accompanied by over four dozen two-color illustrations.

Harvey Penick's Little Red Book Lessons And Teachings From A Lifetime In Golf

Tiger Woods? Ben Hogan? Annika Sorenstam? None of these amazing athletes knows more about winning golf tournaments than LPGA legend Kathy Whitworth. In the bestselling tradition of *Harvey Penick's Little Red Book*, longtime Penick student and World Golf Hall of Fame enshrinee Whitworth presents readers with tee-to-green advice gleaned from years of teaching and tournament golf in *Kathy Whitworth's Little Book of Golf Wisdom*, first published in 2007. Whitworth amassed a whopping eighty-eight professional wins in her career—a record for both men's and women's US Tours. Small enough to fit inside your golf bag and with much of the simple, easy-to-understand, commonsense manner of Penick's classic books, this book includes expert advice on playing one shot at a time; thinking your way around the golf course; the common traits of all champions; the importance of confidence, concentration, and learning in practice rounds; practicing trouble shots; bad-weather golf; pressure putting; and how to turn things around when you're playing badly. With its invaluable advice, this is an indispensable resource for any golfer. Skyhorse Publishing, as well as our Sports Publishing imprint, is proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. In addition to books

on popular team sports, we also publish books for a wide variety of athletes and sports enthusiasts, including books on running, cycling, horseback riding, swimming, tennis, martial arts, golf, camping, hiking, aviation, boating, and so much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Ben Hogan's Five Lessons HarperCollins

Half of all new golfers are women, and here Harvey Pennick directs his advice to meet the unique needs of the woman golfer.

The Game for a Lifetime Simon and Schuster

Two legendary coaches give golfers a powerful new approach to the game... and to life. As coaches to some of golf's top players, Pia Nilsson and Lynn Marriott have designed and refined a revolutionary way of teaching the game, with phenomenal results. They don't believe in prescribing the same stance, grip, and swing to everyone, followed by hours of purposeless drilling. They don't even believe in beginning with physical technique. Their success has proven to them that a great game begins with a great vision. Unlike any other golf book, *Every Shot Must Have a Purpose* offers cutting-edge techniques for integrating the physical, technical, mental, emotional, and social parts of a player's game. The book's revolutionary pre-shot routine will improve your focus, leading to a golf swing that is not only

successful but can be repeated under extreme pressure.

Emphasizing the individual golfer rather than a rigid set of mechanics, their VISION54 method takes the frustration out of the game. Why 54? Because they believe it's possible to shoot a 54 (making a birdie on every hole of a par-72 course) if you have the right mind-set and well-honed intuitive power. An engaging read for the beginner or the seasoned golfer, *Every Shot Must Have a Purpose* is inspiration for life, not just the links.

The Little Green Book of Tennis Simon and Schuster

Through this moving tribute to his father's love, Davis III passes along the benefits of those lessons in a gem of a book that will improve your golf game—and enhance your life. With every shot he takes, *Davis Love III* provides a tribute to the strength and the value of his father's teachings. And in *Every Shot I Take*, he shares with us the psychological and technical lessons he learned about how to play golf with power, with skill, and with joy. His lessons include drills, the Ten Commandments of Putting, six steps to successful long bunker shots, and tips for playing in the wind and rain, on fast greens, or out of long rough. Yet each lesson is ultimately about something more than golf. Golf was, for Davis, Jr., a way of being a father, of teaching his sons how to learn, how to approach whatever they might choose to do with knowledge and with care, how to overcome obstacles through dedication and understanding. It was the vehicle through which he taught the most important lesson of all: "Follow your dream, and enjoy the trip."
