The Church of Christ The Fourfold Gospel

Bannerman's THE CHURCH OF CHRIST is the most extensive, standard, solid, Reformed treatment of the doctrine of the church that has ever been written. It is indisputably the classic in its field. And now its teachings are more accessible, thanks to this detailed outline and study guide. Reduced to less than a quarter of its original size, this book retains in Bannerman's own words the key principles of the Presbyterian doctrine of the church. It's simple, clear, and to the point-a great help for classes and small groups seeking to dig deeper into what the Bible teaches about Christ's body and beloved bride, His church.

Why I Am a Member of the Church of Christ Liturgical Press

Imagine walking the dusty roads of Galilee with Jesus of Nazareth--braving jostling crowds just to touch the edge of His cloak and hear Him say, "Take heart, daughter, your faith has healed you." Those words, once meant to comfort a hurting woman's soul thousands of years ago, were also meant for you. Join biblical culturalist Kristi McLelland on those dusty roads as she transports you back to Jesus' world, following in the footsteps of the women who came face-to-face with the Living God. Over 7 sessions, examine the historical and cultural climate of first-century Middle Eastern society to not only understand Jesus more deeply but to fuel your worship of Him today. Additional purchase or renting of the video teaching sessions is recommended for the best experience of this Bible study book. Features: Leader guide to lead discussions within small groups Personal study segments to complete between 7 weeks of group sessions Glossary of Hebrew and biblical terms Photographs of Israel with commentary of cultural and historical significance Essential teaching videos, approximately 60 minutes per session, available for purchase or rent Benefits: Explore how Jesus generously restores dignity and honor to women in the first century and now. Gain deeper

insight into the biblical world, including fresh perspective on familiar Bible stories. Discover the Bible through the lens of Middle Eastern culture.

THE CHURCH

Samuel Deuth Ministries

"Could you tell me something about the church of Christ?" "Could you tell me the difference between the church of Christ and the _____ church?" If you've ever asked questions like these--or been on the receiving end of them-- then this is the book for you. Expect to walk away from this book not only knowing what churches of Christ are all about, but also with a clear understanding of many of the beliefs and practices that distinguish them from other church groups. Don't be surprised, though, if you also walk away with a renewed conviction that being a New Testament-shaped church is a goal worth pursuing, and that doing things God's way really does matter.

The Church of Christ Deward Publishing

Although Ephesians is one of the New Testament's shortest in terms of word count -- only 6 chapters and 155 verses -- it is perhaps its most applicable to today's culture. In addition to the divine beauty and power we find in Ephesians, this epistle also provides Paul's most direct address about the life that emerges from a disciple of Jesus. In this epistle Paul conveys his pastoral heart for the Ephesian believers by focusing upon who they are in Christ as it relates to their struggles, their new life, community, pursuits of unity and holiness, and how to engage life's challenges. Perhaps the most contemporary book in the New Testament, Ephesians and this study by Tony Merida offers very practical answers to basic questions about the Christian life and our identity in Christ. This study will help students better understand the importance of finding identity in Christ, and will help students better understand the relationship between our spiritual adoption and our daily lifestyle. Member Workbook includes a small-group experience for 6 small-group sessions,

individual study opportunities for each day of the week, applicable Scripture, "How To Use This Study," and a group discussion guide. Back matter includes a leader guide that helps leaders navigate the content while developing better practices for small group leadership. Session titles: The Struggle in Ephesus (Ephesians 1:1-2) New Life in Christ (Ephesians 2:1-10) New Community in Christ (Ephesians 2:11-22) Pursuing Unity in Christ (Ephesians 4:1-16) Pursuing Holiness in Christ (Ephesians 4:27-32; 5:1-17) Be Strong in Christ (Ephesians 6:1-10) Features Teaching videos from the author as a trusted voice in every group session (kit only) Promotional content including Bible study promotional video (kit only) Biblically rooted and gospel-centered Leader Guide in the back Individual study opportunities for continued growth 6-session workbook with group and personal component Social media assets for the group leader Author: Tony Merida is the founding pastor of Imago Dei Church in Raleigh, NC. He also serves as Associate Professor of Preaching at Southeastern Baptist Seminary in Wake Forest, NC. He is happily married to Kimberly, and they have five adopted children. Tony's books include: Faithful Preaching Orphanology Ordinary: How to Turn the World Upside Down Proclaiming Jesus Eight volumes in the new Christ-Centered Exposition commentary series (B&H), of which he also serves as a general editor, along with Danny Akin and David Platt.

THE FIRST CENTURY AND NOW

The Church of Jesus Christ of Latter-day Saints

 Contrary to popular belief, we do not have to be perfect to do God's work. Look no further than the twelve disciples whose many weaknesses are forever preserved throughout the pages of the New Testament. Jesus chose ordinary men - fisherman, tax collectors, political zealots - and turned their weakness into strength, producing greatness from utter uselessness. MacArthur draws principles from Christ's careful, hands-on training of the original twelve disciples for today's modern disciple - you.

The Knowing the Bible series is a new resource designed to help Bible readers better understand and apply God's Word. Each 12-week study leads participants through one book of the Bible and is made up of four basic components: (1) Reflection questions designed to help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlighting the gospel of grace throughout the book; (3) "Whole-Bible Connections" showing how any given passage connects to the Bible's overarching story of redemption culminating in Christ; and (4) "Theological Soundings" identifying how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from a wide array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. In this study of John's Gospel, pastor and author Justin Buzzard helps readers understand the most theologically and philosophically profound account of Jesus's life, death, and resurrection in the New Testament. From revealing his cosmic identity as being with the Father "in the beginning," to recounting the many miraculous signs attesting to his divinity, Buzzard illuminates John's unmatched portrait of Jesus Christ, the unique Son of God, sent from heaven to save all who would turn to him. This insightful guide encourages Christians to worship Christ as Lord and follow him on mission to the world.

A Method for Organizing Bible Knowledge Canongate U.S.

The Distinctive Nature of the New Testament Church Behind the historical church of the New Testament lies the purpose and wisdom of God. The New Testament church is a unique institution of divine origin. The systematic study of Scripture reveals that Christianity is ordered after a pattern and possess a distinct identity: designed by the Lord, conveyed through the words of the apostles, and seen in the practice of early Christians. Only when following this pattern can we fulfill the command to glorify God in the church. In this study, Edward C. Wharton establishes that Scripture contains a divine pattern for the church of Christ. He then presents a systematic study of the biblical passages relating to the church, creating a clear understanding of the pattern set by God.

ILLUSTRATED EDITION

Pilgrim Press

The classic Harmony of the Gospels by J. W. McGarvey and Philip Y. Pendleton with interspersed comments. Attractively re-typeset, this enduring work is a valuable resource to modern Bible students. "In most commentaries a fifth or sixth of the space is taken up in drawing distinctions between the texts of the four Gospels, while in this work these distinctions are placed before the reader's eye, where he can see them for himself at a glance. Moreover, in other commentaries, which give the text, another sixth or seventh of the work is taken up in reprinting in the notes that portion of the text concerning which the commentator wishes to speak. Our interjected method avoids all this needless repetition, and makes it possible for us to present the comment with the least preliminary verbiage or introductory setting. Time is also saved because the reader does not have to look back and forth from the text at the top to the comment at the bottom of the page. Again, other commentaries lose a large amount of space by using the King James text. Those which preceded the revision waste space correcting the translation and modernizing its English: those published since the revision suffer a similar waste by drawing endless comparisons between the two texts. By choosing the American revision as the basis for our work, we have a text which needs but little explanation or apology, and we are thereby enabled to employ the reader's time and strength to his best advantage." --Excerpted from the Introduction

The Unofficial Handbook of the United Church of Christ Createspace Independent Publishing Platform

As homosexual advocacy groups continue to be more and more vocal, many questions have been raised concerning homosexual issues in the general public. This volume will help ministers and other Christian leaders sort through and understand these issues from a biblical standard. Every

Christian needs to read this book.

BOOK OF JAMES

Thomas Nelson

This 13-chapter book walks through Scripture's teaching on what God wanted His church to be, and explains how churches of Christ are trying to live out God's plan by pursuing undenominational, New Testament Christianity. Appropriate for teens through adults, and useful for Bible classes or personal study.

[Mind of Christ, Revised \(Member Book\)](#) BibleTalk Books

This book is a documentary containing many dozens of quotes from Church of Christ practitioners from all over the USA, and it accurately reflects the theological philosophy prevalent within this faith. It discusses fundamental differences between the theology of the Churches of Christ and that of other protestant denominations. Written by a fifty-year member of the Churches of Christ, it offers an opportunity for self-examination rarely available to members of this brotherhood.

A 12-Week Study United Methodist Publishing House

Renowned scholar J.-M. R. Tillard defines what the flesh of the Church is for the New Testament and the period of the undivided Church. He enables readers to understand not the structure of God's Church but the living reality of grace for which this structure exists. He explains that the "flesh of the church" is communion of life for humanity reconciled with the Father and with itself "in Christ".

Have you ever felt inadequate, or uneasy about serving in a public manner? What made you feel like this? The purpose of these lessons is to help men become confident in leading the congregation in the public worship of the church. Since God wants us to worship Him "in spirit and in truth" (Jn. 4:24), and has given us specific instructions on how we are to worship Him (Acts 2:42, 20:7; Eph. 5:19; I Cor. 16:1-2; etc.) then, by implication, it is necessary for men to help in conducting this worship. God expects things to be done decently and in order" (I Cor. 14:33). Thus, we need men to lead us in worship in the manner God demands.
