### LEAD . . . FOR GOD'S SAKE!

Thomas Nelson Incorporated  
 Stay on top of your leadership game. Leadership isn't something you're born with or gifted as a reward for an abundance of charisma; true leadership stems from core skills that can be learned. Get more of the leadership ideas you want, from the authors you trust, with HBR's 10 Must Reads on Leadership (Vol. 2). We've combed through hundreds of Harvard Business Review articles and selected the most important ones to help you maximize your own and your organization's performance. With insights from leading experts including Michael D. Watkins, Herminia Ibarra, and Michael E. Porter, this book will inspire you to: Identify areas for personal growth Build trust with and among your employees Develop a more dynamic and sophisticated communication style Try out different leadership styles and behaviors to find the right approach for you--and your organization Transform yourself from a problem solver to an agenda setter Harness the power of connections Become an adaptive and strategic leader This collection of articles includes "Leadership Is a Conversation," by Boris Groysberg and Michael Slind; "How Managers Become Leaders: The Seven Seismic Shifts of Perspective and Responsibility," by Michael D. Watkins; "Strategic Leadership: The Essential Skills," by Paul J.H.

Schoemaker, Steve Krupp, and Samantha Howland; "The Authenticity Paradox," by Herminia Ibarra; "'Both/And' Leadership," by Wendy K. Smith, Marianne W. Lewis, and Michael L.  #1 New York Times bestselling author John C. Maxwell's latest book will enhance the lives of leaders, professionals, and anyone who wants to achieve success and personal growth. We often treat the word capacity as if it were a natural law of limitation. Unfortunately, most of us are much more comfortable defining what we perceive as off limits rather than what's really possible. Could it be that many of us have failed to expand our potential because we have allowed what we perceive as capacity to define us? What if our limits are not really our limits? In his newest book, John Maxwell identifies 17 core capacities. Some of these are abilities we all already possess, such as energy, creativity and leadership. Others are aspects of our lives controlled by our choices, like our attitudes, character, and intentionality. Maxwell examines each of these capacities, and provides clear and actionable advice on how you can increase your potential in each. He will guide you on how to identify, grow, and apply your critical

capacities. Once you've blown the "cap" off your capacities, you'll find yourself more successful--and fulfilled--in your daily life.

Learn how to maximize your potential in minimal time with this compact how-to book derived from *No Limits* by #1 New York Times bestselling author John Maxwell. Many of us hold ourselves back because we firmly believe our abilities are finite. But what if our supposed limitations are just an illusion? In *THE POWER OF YOUR POTENTIAL* John Maxwell identifies and examines the seventeen key capacities each of us possesses. Some we are born with, such as how we think or how we naturally relate to other people. The rest are choices, often unconscious, including our attitude or personal disciplines. All are expandable. Maxwell gives clear and actionable advice on what we can do to improve in each of these areas. From learning to manage your emotions and increase your energy, to conquering procrastination and becoming more comfortable with taking risks, you will surpass your own expectations to become a better you than you ever thought possible.

Smart leaders learn from their own mistakes. Smarter ones learn from others' mistakes—and successes. John C. Maxwell wants to help you become the smartest leader you can be by sharing *Leadership Gold* with you. After nearly forty years of leading, Maxwell has mined the gold so you don't have to. Each gold nugget is contained in one of twenty-six chapters designed to be a six-month mentorship from the international leadership expert. Each chapter contains detailed application exercises and a "Mentoring Moment" for leaders who desire to mentor others using the book. Gaining leadership insight is a lot like mining for gold. You don't set out to look for the dirt. You look for the nuggets. You'll find them here.

### **NO LIMITS**

Thomas Nelson

Why do some people achieve great personal success, yet never succeed in building a business or making an impact in their organization? John C. Maxwell knows the answer. "The greatest leadership principle that I have ever learned in over twenty-five years of leadership," says Maxwell, "is that those closest to the leader will determine the success level of that leader." It's not enough for a leader to have vision, energy, drive, and conviction. If you want to see your dream come to fruition, you must learn how to develop the leaders around you. Whether you're the leader of a non-profit organization, small business, or Fortune 500 company, *Developing the Leaders Around You* can help you to take others to the limits of their potential and your organization to a whole new level. \* Our summary is short, simple and pragmatic. It allows you to have the essential ideas of a big book in less than 30 minutes. By reading this summary, you will learn how to become a leader. You will also learn: that the four character traits of a leader are authenticity, self-control, humility and courage; that there are fifteen "diseases" that can attack a person's character; that there are false excuses for giving up on being a leader; that there are five degrees of leadership; that when everything becomes a priority, there is no priority at all; that too much time and attention should not be given to issues of little importance. John C. Maxwell is an evangelical pastor, author, speaker, and coach, recognized as one of the world's leading leadership specialists. In 2014, "Business Insider" and "Inc." magazines voted him the most influential expert on leadership issues. He leads organizations such as the John Maxwell Company, the John Maxwell Team, EQUIP and the John Maxwell Leadership Foundation. In this book, he teaches his readers how to develop their leadership skills. Learning that takes place day by day, whether or not one is a "born leader". \*Buy now the summary of this book for the modest price of a cup of coffee!

The United States is among the wealthiest nations in the world, but it is far from the healthiest. Although life expectancy and survival rates in the United States have improved dramatically over the past century, Americans live shorter lives and experience more injuries and illnesses than people in other high-income countries. The U.S. health disadvantage cannot be attributed solely to the adverse health status of racial or ethnic minorities or poor people: even highly advantaged Americans are in worse health than their counterparts in other, "peer" countries. In light of the new and growing evidence about the U.S. health disadvantage, the National Institutes of Health asked the National Research Council (NRC) and the Institute of Medicine (IOM) to convene a panel of experts to study the issue. The Panel on

Understanding Cross-National Health Differences Among High-Income Countries examined whether the U.S. health disadvantage exists across the life span, considered potential explanations, and assessed the larger implications of the findings. U.S. Health in International Perspective presents detailed evidence on the issue, explores the possible explanations for the shorter and less healthy lives of Americans than those of people in comparable countries, and recommends actions by both government and nongovernment agencies and organizations to address the U.S. health disadvantage.

Are there tried and true principles that are always certain to help a person grow? John Maxwell says the answer is yes. He has been passionate about personal development for over fifty years, and for the first time, he teaches everything he has gleaned about what it takes to reach our potential. In the way that only he can communicate, John teaches . . . The Law of the Mirror: You Must See Value in Yourself to Add Value to Yourself The Law of Awareness: You Must Know Yourself to Grow Yourself The Law of Modeling: It's Hard to Improve When You Have No One But Yourself to Follow The Law of the Rubber Band: Growth Stops When You Lose the Tension Between Where You are and Where You Could Be The Law of Contribution: Developing Yourself Enables You to Develop Others This third book in John Maxwell's Laws series (following the 2-million seller *The 21 Irrefutable Laws of Leadership* and *The 17 Indisputable Laws of Teamwork*) will help you become a lifelong learner whose potential keeps increasing and never gets "used up."
