TIME'S CONVERT

Penguin
NEW YORK TIMES BESTSELLER “It’s undeniably thrilling to find words for our strangest feelings...Koenig casts light into lonely corners of human experience...An enchanting book. “

—The Washington Post A truly original book in every sense of the word, The Dictionary of Obscure Sorrows poetically defines emotions that we all feel but don’t have the words to express—until now. Have you ever wondered about the lives of each person you pass on the street, realizing that everyone is the main character in their own story, each living a life as vivid and complex as your own? That feeling has a name: “sonder.” Or maybe you’ve watched a

thunderstorm roll in and felt a primal hunger for disaster, hoping it would shake up your life. That's called "lachesism." Or you were looking through old photos and felt a pang of nostalgia for a time you've never actually experienced. That's "anemoia." If you've never heard of these terms before, that's because they didn't exist until John Koenig set out to fill the gaps in our language of emotion. The Dictionary of Obscure Sorrows "creates beautiful new words that we need but do not yet have," says John Green, bestselling author of *The Fault in Our Stars*. By turns poignant, relatable, and mind-bending, the definitions include whimsical etymologies drawn from languages around the world, interspersed with otherworldly collages

and lyrical essays that explore forgotten corners of the human condition—from "astrophe," the longing to explore beyond the planet Earth, to "zenosyne," the sense that time keeps getting faster. The Dictionary of Obscure Sorrows is for anyone who enjoys a shift in perspective, pondering the ineffable feelings that make up our lives. With a gorgeous package and beautiful illustrations throughout, this is the perfect gift for creatives, word nerds, and human beings everywhere.

The Jewel House Shadow of Night (Movie Tie-In)

The #1 New York Times-bestselling sequel to *A Discovery of Witches*, book two of the All Souls Series. Look for the hit TV series "A Discovery of Witches," streaming on AMC Plus, Sundance Now

and Shudder. Season 2 premieres January 9, 2021! Picking up from A Discovery of Witches' cliffhanger ending, Shadow of Night takes reluctant witch Diana Bishop and vampire geneticist Matthew Clairmont on a trip through time to Elizabethan London, where they are plunged into a world of spies, magic, and a coterie of Matthew's old friends, the School of Night. As the search for Ashmole 782--the lost and enchanted manuscript whose mystery first pulled Diana and Matthew into one another's orbit--deepens and Diana seeks out a witch to tutor her in magic, the net of Matthew's past tightens around them. Together they find they must embark on a very different - and vastly more dangerous - journey. "A captivating and romantic ripping yarn,"** Shadow of

Night confirms Deborah Harkness as a master storyteller, able to cast an "addictive tale of magic, mayhem and two lovers."** *E.L. James **Chicago Tribune

A Discovery of Witches Sasquatch Books
A Discovery of Witches, Shadow of Night, and The Book of Life, now available in an eBook bundle Look for the hit TV series "A Discovery of Witches" airing on AMC and BBC America, and streaming on Sundance Now and Shudder. With more than a million copies sold in the United States, A Discovery of Witches and Shadow of Night have landed on all of the major bestseller lists, garnered rave reviews, and spellbound legions of loyal fans. The Book of Life brings the number one New York Times bestselling series to a deeply satisfying close, and we are

now pleased to offer all three books in a lavishly designed boxed set, perfect for fans and newcomers alike. And don't forget—the series continues with book four, *Time's Convert*, now available in all formats.

The World of All Souls Penguin

In "Letter from Birmingham Jail," Martin Luther King Jr. explains why blacks can no longer be victims of inequality.

The World of All Souls Penguin

John Dee's angel conversations have been an enigmatic facet of Elizabethan England's most famous natural philosopher's life and work. Professor Harkness contextualizes Dee's angel conversations within the natural philosophical, religious and social contexts of his time philosophy, and the apocalypse, and argues that they

represent a continuing development of John Dee's earlier concerns and interests. These conversations include discussions of the natural world, the practice of natural philosophy, and the apocalypse.

Errantry Speak

One of the twentieth century's enduring works, *One Hundred Years of Solitude* is a widely beloved and acclaimed novel known throughout the world and the ultimate achievement in a Nobel Prize-winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. Rich and brilliant, it is a chronicle of life, death, and the tragicomedy of humankind. In the beautiful, ridiculous, and tawdry story of the Buendía family, one sees all of

humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility, the variety of life, the endlessness of death, the search for peace and truth—these universal themes dominate the novel. Alternately reverential and comical, *One Hundred Years of Solitude* weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an account of the history of the human race.

THE BOOK OF LIFE

Witches examines the real-life history of the scientific community of Elizabethan London. Travel to the streets, shops, back alleys, and gardens of Elizabethan London, where a boisterous and diverse group of men and women shared a keen interest in the study of nature. These assorted merchants, gardeners, barber-

surgeons, midwives, instrument makers, mathematics teachers, engineers, alchemists, and other experimenters formed a patchwork scientific community whose practices set the stage for the Scientific Revolution. While Francis Bacon has been widely regarded as the father of modern science, scores of his London contemporaries also deserve a share in this distinction. It was their collaborative, yet often contentious, ethos that helped to develop the ideals of modern scientific research. The book examines six particularly fascinating episodes of scientific inquiry and dispute in sixteenth-century London, bringing to life the individuals involved and the challenges they faced. These men and women experimented and invented,

argued and competed, waged wars in the press, and struggled to understand the complexities of the natural world. Together their stories illuminate the blind alleys and surprising twists and turns taken as medieval philosophy gave way to the empirical, experimental culture that became a hallmark of the Scientific Revolution. “Elegant and erudite.” —Anthony Grafton, *American Scientist* “A truly wonderful book, deeply researched, full of original material, and exhilarating to read.” —John Carey, *Sunday Times* “Widely accessible.” —Ian Archer, *Oxford University* “Vivid, compelling, and panoramic, this revelatory work will force us to revise everything we thought we knew about Renaissance science.” —Adrian Johns, author of *The Nature Book*

A DISCOVERY OF WITCHES

Penguin

A follow-up to *A Discovery of Witches* finds Oxford scholar and reluctant witch Diana and vampire geneticist Matthew Clairmont in Elizabethan London, where Diana seeks a magical tutor and Matthew confronts elements from his past at the same time the mystery of Ashmole 782 deepens.

Viking

The #1 New York Times bestselling third installment of the All Souls series, and the basis for the final season of "A Discovery of Witches," coming soon to AMC+, Sundance Now, and Shudder. In *The Book of Life* Diana and Matthew time-travel back from Elizabethan London to make a dramatic return to the

present--facing new crises and old enemies. At Matthew's ancestral home, Sept-Tours, they reunite with the beloved cast of characters from *A Discovery of Witches*--with one significant exception. But the real threat to their future has yet to be revealed, and when it is, the search for Ashmole 782 and its missing pages takes on even more urgency. In the third volume of the All Souls series, Harkness deepens her themes of power and passion, family and caring, past deeds and their present consequences. In palatial homes and university laboratories, using ancient knowledge and modern science, from the hills of the Auvergne to Venice and beyond, the couple at last learn what the witches discovered so many centuries ago.

The Rime of the Ancient Mariner Viking
Adult

What to read next is every book lover's greatest dilemma. Nancy Pearl comes to the rescue with this wide-ranging and fun guide to the best reading new and old. Pearl, who inspired legions of litterateurs with "What If All (name the city) Read the Same Book," has devised reading lists that cater to every mood, occasion, and personality. These annotated lists cover such topics as mother-daughter relationships, science for nonscientists, mysteries of all stripes, African-American fiction from a female point of view, must-reads for kids, books on bicycling, "chick-lit," and many more. Pearl's enthusiasm and taste shine throughout.

Shadow of Night All Souls

It's a world of daemons and humans, where a reluctant witch and a centuries-old vampire discover the secrets left in a mysterious manuscript. Welcome to the All Souls trilogy, as Harkness shares information from her files. This companion volume includes character profiles, information on life and lifestyles from the time periods the trilogy covers, background on the science and magic, and even recipes and wine recommendations.

My favourite series of recent years' bookabookshop.co.uk 'Intelligent and off-the-wall . . . irresistible to Twilight fans' The Sunday Times 'I fell in love with it from the very first page' Danielle Trussoni 'A spellbinding saga . . . unputdownable' Woman & Home 'Harkness has a gift for storytelling' pamreader.blogspot.co.uk A Conversation with Deborah Harkness How did you become interested in the intersection of alchemy, magic, and

science? Historically, what do you see as the relationship between science and religion or mysticism? In college, I had a wonderful professor who taught a class on these subjects. To kick off the class, he asked us, 'How do you know what you think you know?' I've spent the last quarter century trying to answer that question. Because the world is a mysterious place and our relationship to it is not always clear, people have often turned to science, faith, and magic for answers. They help people find responses to the questions of, who am I and why am I here? Diana is an appealing heroine, determined, accomplished, and yet aware of her own weaknesses. In what ways, if any, does Diana reflect your own experience or personality? There are some similarities -

Diana is also a historian of science, also interested in the history of alchemy, and shares some of my passions (including television cooking programs, tea, and rowing). Really, all the characters have some element of me in them. I think that's how authors create imaginary people who nevertheless feel real. The rest of Diana's character comes from a combination of qualities I admire in others, wish fulfilment, and my completion of the following statement: 'Wouldn't it be great if a heroine in a book was . . . To find out more about Deborah Harkness and read the full conversation, order your copy now.

The Dictionary of Obscure Sorrows
Hachette UK

The #1 New York Times bestselling
WORLDWIDE phenomenon Winner of the

Goodreads Choice Award for Fiction | A Good Morning America Book Club Pick | Independent (London) Ten Best Books of the Year "A feel-good book guaranteed to lift your spirits."—The Washington Post The dazzling reader-favorite about the choices that go into a life well lived, from the acclaimed author of *How To Stop Time* and *The Comfort Book*. Somewhere out beyond the edge of the universe there is a library that contains an infinite number of books, each one the story of another reality. One tells the story of your life as it is, along with another book for the other life you could have lived if you had made a different choice at any point in your life. While we all wonder how our lives might have been, what if you had the chance to go to the library and see for yourself?

Would any of these other lives truly be better? In *The Midnight Library*, Matt Haig's enchanting blockbuster novel, Nora Seed finds herself faced with this decision. Faced with the possibility of changing her life for a new one, following a different career, undoing old breakups, realizing her dreams of becoming a glaciologist; she must search within herself as she travels through the *Midnight Library* to decide what is truly fulfilling in life, and what makes it worth living in the first place.

All Souls Trilogy Small Beer Press Book one of the New York Times bestselling *All Souls* series—"a wonderfully imaginative grown-up fantasy with all the magic of *Harry Potter* and *Twilight*" (People). Look for the hit series "*A Discovery of Witches*," now

streaming on AMC+, Sundance Now, and Shudder! Deborah Harkness's sparkling debut, *A Discovery of Witches*, has brought her into the spotlight and galvanized fans around the world. In this tale of passion and obsession, Diana Bishop, a young scholar and a descendant of witches, discovers a long-lost and enchanted alchemical manuscript, Ashmole 782, deep in Oxford's Bodleian Library. Its reappearance summons a fantastical underworld, which she navigates with her leading man, vampire geneticist Matthew Clairmont. Harkness has created a universe to rival those of Anne Rice, Diana Gabaldon, and Elizabeth Kostova, and she adds a scholar's depth to this riveting tale of magic and suspense. The story continues in book

two, *Shadow of Night*, book three, *The Book of Life*, and the fourth in the series, *Time's Convert*.

The Prophet's Wife Penguin

The All Souls Real-time Reading Companion Hachette UK

After years of pinching pennies and struggling to get through art school, Emma Makie's hard work finally pays off with the offer of a dream job. But when

tragedy strikes, she has no choice but to make a cross-country move to Colorado Springs to take temporary custody of her two nieces. She has no money, no job prospects, and no idea how to be a mother to two little girls, but she isn't about to let that stop her. Nor is she about to accept the help of Kevin Grantham, her handsome neighbor, who seems to think she's incapable of doing anything on her own. Prejudice Meets Pride is the story of a guy who thinks he has it all figured out and a girl who isn't afraid to show him that he doesn't. It's about learning what it means to trust, figuring out how to give and to take, and realizing that not everyone gets to pick the person they fall in love with. Sometimes, love picks them.
