A brave, intimate, beautifully crafted memoir by a survivor of the tsunami that struck the Sri Lankan coast in 2004 and took her entire family. On December 26, Boxing Day, Sonali Deraniyagala, her English husband, her parents, her two young sons, and a close friend were ending Christmas vacation at the seaside resort of Yala on the south coast of Sri Lanka when a wave suddenly overtook them. She was only to learn later that this was a tsunami that devastated coastlines through Southeast Asia. When the water began to encroach closer to their hotel, they began to run, but in an instant, water engulfed them, Sonali was separated from her family, and all was lost. Sonali Deraniyagala has written an extraordinarily honest, utterly engrossing account of the surreal tragedy of a devastating event that all at once ended her life as she knew it and her journey since in search of

understanding and redemption. It is also a remarkable portrait of a young family's life and what came before, with all the small moments and larger dreams that suddenly and irrevocably ended.

The entwined histories of Blacks and Indians defy easy explanation. From Ghanaian protests over Gandhi statues to American Vice President Kamala Harris's story, this relationship--notwithstanding moments of common struggle--seethes with conflicts that reveal how race reverberates throughout the modern world. Shobana Shankar's groundbreaking intellectual history tackles the controversial question of how Africans and Indians make and unmake their differences. Drawing on archival and oral sources from seven countries, she traces how economic tensions surrounding the Indian diaspora in East and Southern Africa collided with widening Indian networks in West Africa and the Black Atlantic, forcing a racial reckoning over the course of the twentieth century. While decolonization brought

Africans and Indians together to challenge Euro-American white supremacy, discord over caste, religion, sex and skin color simmered beneath the rhetoric of Afro-Asian solidarity. This book examines the cultural movements, including Pan-Africanism and popular devotionalism, through which Africans and Indians made race consciousness, alongside economic cooperation, a moral priority. Yet rising wealth and nationalist amnesia now threaten this postcolonial ethos. Calls to dismantle statues, from Dakar to Delhi, are not mere symbolism. They express new solidarities which seek to salvage dissenting histories and to preserve the possibility of alternative futures

Wild Animals and Wedding Outfits is the true story of Anna, who comes from a family of eccentric adventurers and longs to travel, but has somehow got to her mid-thirties without plucking up the courage to set out on her big adventure. She dreams of seeing animals in their natural habitat, of exploring the Amazon jungle by canoe and meeting tribes who worship strange gods and heal each other with folk medicine. But she worries that she is not intrepid like her great grandmother. And is it possible to have a big adventure and still find accommodation with an en-suite bathroom and luxury shampoo? Anna finally meets her chivalrous knight, Bill, who helps her to set off on their trip through 14 countries, including India, Sri Lanka, Sikkim, Nepal, Thailand, Vietnam, Laos, Australia, Peru, Bolivia and Chile. En-route they get into hilarious scrapes, have some spiritual revelations and make some lifelong friends on the way. It is a rite of passage for Anna,

who finally feels like a proper grown up by the end of the trip. Their adventure includes:- being chased by wild elephants in India meeting the King of the Vedda tribe in Sri Lanka seeing the pink river dolphins of the Amazon surviving the ordeal of a trek through the monsoon rainforests of Laos in search of the Akha tribe (with very poor bathroom facilities). Monty Halls, star of BBC TV's *Great Escape Series* says, "A whimsical tale that has at its heart a classic love story. Anna and Bill are the most amenable of travel companions, and by the final chapter you feel that you know them as friends through shared experiences on the long road. All truly good books provide some warmth in one's life, and this one really is a glowing little ember."

Shivya Nath quit her corporate job at age twenty-three to travel the world. She gave up her home and the need for a permanent address, sold most of her possessions and embarked on a nomadic journey that has taken her everywhere from remote Himalayan villages to the Amazon rainforests of Ecuador. Along the way, she lived with an indigenous Mayan community in Guatemala, hiked alone in the Ecuadorian Andes, got mugged in Costa Rica, swam across the border from Costa Rica to Panama, slept under a meteor shower in the cracked salt desert of Gujarat and learnt to conquer her deepest fears. With its vivid descriptions, cinematic landscapes, moving encounters and uplifting adventures, *The Shooting Star* is a travel memoir that maps not just the world but the human spirit.

anthology about the lives of ordinary citizens in India, Pakistan, Bangladesh, Nepal, and Sri Lanka (Margaret Mills, Ohio State University). For the second edition of this popular textbook, readings have been updated and new essays added. The result is a timely collection that explores key themes in understanding the region, including gender, caste, class, religion, globalization, economic liberalization, nationalism, and emerging modernities. New readings focus attention on the experiences of the middle classes, migrant workers, and IT professionals, and on media, consumerism, and youth culture. Clear and engaging writing makes this text particularly valuable for general and student readers, while the range of new and classic

scholarship provides a useful resource for specialists.

Amrith comes to terms with his sexuality in this sweeping coming-of-age story set against the stormy backdrop of monsoon season in 1980s Sri Lanka. For fans of Call Me By Your Name. Shyam Selvadurai's brilliant novels, *Funny Boy* and *Cinnamon Gardens*, have garnered him international acclaim. In his first young adult novel, he explores first love with clarity, humor and compassion. The setting is Sri Lanka, 1980, and it is the season of monsoons.

Fourteen-year-old Amrith is caught up in the life of the cheerful, well-to-do household in which he is being raised by his vibrant Auntie Bundle and kindly Uncle Lucky. He tries not to think of his life "before," when his dotting mother was still alive. Amrith's holiday plans seem unpromising: he wants to appear in his school's production of *Othello* and he is learning to type at Uncle Lucky's tropical fish business. Then, like an unexpected monsoon, his cousin arrives from Canada and Amrith's ordered life is storm-tossed. He finds himself falling in love with the Canadian boy. *Othello*, with its powerful theme of disastrous jealousy, is the backdrop to the drama in which Amrith finds himself immersed.

Laughing at My Nightmare

This book is written to provide information on various aspects of Yoruba, and, indeed, African traditional medicine. The writer's research on Yoruba traditional medicine provides the bulk of the materials in the book. The book consists of eleven chapters. Chapters 1 and 2 provide the background to the book. Chapters 3 to

10 encapsulate the different aspects of Yoruba traditional medicine such as classification of healers, methods of training of healers, methods of diagnosis and investigation of diseases, treatment of diseases, Yoruba pharmacopoeia, midwifery, bone-setting, and other forms of traditional surgery. Chapter 11 describes the meeting point of hospitals and healers; this meeting point, in the opinion of the author, should be how best to serve the interests of the patients. The best form of relationship that should exist between hospitals and healers is also discussed. The two systems of medicine exist side by side in Nigeria and most African countries yet remain functionally unrelated in any intentional sense. It is argued that no medical system is perfect and no single care system has all the answers to all human health and related problems. Each of the two systems has its strong and weak points. The often talked-about integration of the two systems has potential pitfalls and may be undesirable. The book concludes that the best form of relationship may

well be one of genuine cooperation and mutual respect between the two systems since this will lead, in the ultimate, to advancement of medical knowledge and overall improvement of patient care. All levels of government in Nigeria have decisive roles to play in achieving this mutually beneficial cooperation of the two systems.
