Jacques Ellul, a former member of a Law Faculty at the University of Bordeaux, was recognized as a brilliant and penetrating commentator on the relationship between theology and sociology. In the *Meaning of the City* he presents what he finds in the Bible—a sophisticated, coherent theology of the city fully applicable to today's urbanized society. Ellul believes that the city symbolizes the supreme work of man—and, as such, represents man's ultimate rejection of God. Therefore it is the city, where lies man's rebellious heart, that must be reformed. The author stresses the fact that the Bible does not find man's fulfillment in a return to an idyllic Eden, but points rather to a life of communion with the Savior in the city transfigured. The *Meaning of the City*, says John Wilkinson in his

introductory essay to the book, is the theological counterpoint to Ellul's *Technological Society*, a work that analyzed the phenomenon of the autonomous and totally manipulative post-industrial world. Ellul takes issue with those who idealistically plan new urban environments for man, as though man alone can negate the inherent diabolism of the city. For Ellul, the history of the city from the times of Cain and Nimrod through to Babylon and Jerusalem reveals a tendency to destroy the human being for the sake of human works. Nevertheless, continuing the theme of the tension between two realities that characterizes all his works, Ellul sees God as electing the city as itself an instrument of grace for the believer. William Stringfellow describes *The Meaning of the City* as a book of startling significance, which should rank beside Reinhold Niebuhr's *Moral Man and Immoral Society* as a work of truly momentous potential. Douglass D. McFerran adds that it is a book worth serious consideration by anyone

interested in the relationship between religious commitment and secular involvement. And John Wilkinson sums it up: There are very few convincingly religious analyses of the sociological phenomena of the present day. . . . Ellul's biblically based sociology is today furnishing the matter for a large and growing group of social protestants, particularly in the United States.

Cursed Xlibris Corporation

This book will show you when curses originated, will display to you how to gain access to the spiritual power needed to curse your enemies, and will show you how to curse your enemies with swift results. This book also will cure you from anger, rage, and from suicidal tendencies

Understanding Sam Shepard Univ. Press of Mississippi

A prolific playwright, Sam Shepard (1943–2017) wrote fifty-six produced plays, for which he won many awards, including a Pulitzer Prize. He was also a compelling, Oscar-nominated film actor, appearing in scores of films. Shepard also

published eight books of prose and poetry and was a director (directing the premiere productions of ten of his plays as well as two films); a musician (a drummer in three rock bands); a horseman; and a plain-spoken intellectual. The famously private Shepard gave a significant number of interviews over the course of his public life, and the interviewers who respected his boundaries found him to be generous with his time and forthcoming on a wide range of topics. The selected interviews in *Conversations with Sam Shepard* begin in 1969 when Shepard, already a multiple Obie winner, was twenty-six and end in 2016, eighteen months before his death from complications of ALS at age seventy-three. In the interim, the voice, the writer, and the man evolved, but there are themes that echo throughout these conversations: the indelibility of family; his respect for stage acting versus what he saw as far easier film acting; and the importance of music to his work. He also speaks candidly of his youth in California, his early days as a playwright in New York City, his

professionally formative time in London, his interests and influences, the mythology of the American Dream, his own plays, and more. In *Conversations with Sam Shepard*, the playwright reveals himself in his own words.

The *Cambridge Companion to Postmodernism* offers a comprehensive introduction to postmodernism. The *Companion* examines the different aspects of postmodernist thought and culture that have had a significant impact on contemporary cultural production and thinking. Topics discussed by experts in the field include postmodernism's relation to modernity, and its significance and relevance to literature, film, law, philosophy, architecture, religion and modern cultural studies. The volume also includes a useful guide to further reading and a chronology. This is an essential aid for students and teachers interested in postmodernism in all its incarnations. Accessible and comprehensive, this *Companion* addresses the many issues surrounding

this elusive, enigmatic and often controversial topic.

“Lahr creates a book worthy of its title: It is a living celebration of theater itself.”—Caryn James, *New York Times*
Book Review Joy Ride throws open the stage door and introduces readers to such makers of contemporary drama as Arthur Miller, Tony Kushner, Wallace Shawn, Harold Pinter, David Rabe, David Mamet, Mike Nichols, and August Wilson. Lahr takes us to the cabin in the woods that Arthur Miller built in order to write *Death of a Salesman*; we walk with August Wilson through the Pittsburgh ghetto where we encounter the inspiration for his great cycle; we sit with Ingmar Bergman at the Kunglinga Theatre in Stockholm, where he attended his first play; we visit with Harold Pinter at his London home and learn the source of the feisty David Mamet’s legendary ear for dialogue. In its juxtaposition of biographical detail and critical analysis, *Joy Ride* explores with insight and panache not only the lives of the theatricals but the liveliness of the stage

worlds they have created.

CONTEMPORARY DRAMATISTS

Simon and Schuster
Some feminists criticize male playwrights for misrepresenting and thereby victimizing women through patriarchal narratives; other feminists applaud selected male playwrights as creators of "universal" women's roles. In this bold and imaginative book, Gay Gibson Cima delineates previously unacknowledged complexities in the relationship between male playwrights and female characters in the modern theatre. That relationship has been misinterpreted, she maintains, because the contributions of female actors and the variations in their actual performance conditions and styles are too often ignored. Taking into account hypothetical as well as historical performances of works by representative male playwrights from Ibsen to Beckett, Cima sheds important new light on the acting styles invented by women to create female characters on stage. Changes in performance style, Cima observes, may alter conventional modes of

viewing and disrupt behavioral codes generated by a patriarchal cultural system. Performing Women is essential reading for theatre critics and historians, feminist theorists, theatre professionals and amateurs, and others interested in film and the stage.

The Patti Smith Story

Teils., engl. Angel City, Curse of the starving class & other plays Angel City, Curse of the Starving Class & Other Plays Angel City & Other Plays Sam Shepard (born November 5, 1943) is an American artist who worked as an award-winning playwright, writer and actor. He is an actor of the stage and an Academy Award nominated motion pictures actor; a director of stage and film; author of several books of short stories, essays, and memoirs; and a musician. Angel City Curse of the Starving Class and Other Plays / Sam Shepard New Essays on American Drama Consistently praised as streamlined and clear and student friendly, THEATRE: A WAY OF SEEING offers the beginning theatre student an exciting, full-color introduction to all aspects

of theatre. It presents the experience of theatre, who sees it, what is seen, and where and how it is seen largely from the viewpoint of audiences exposed to a complex, living art that involves people, spaces, plays, designs, staging, forms, language, and productions. The book includes the appropriate coverage of the history, diversity, and most critical moments in theatre in a way that encourages students to experience theatre as a performing art and humanistic event. Challenging Masculinities in American Drama
Cambridge University Press

The brilliant and far-reaching comparative and interdisciplinary work explores the impact of the machine on the literary mind and its ramifications. Knapp displays an unusual command of world literatures in dealing with a topic that is of outstanding importance to a broad field of scholars and generalists, including those concerned with contemporary literature,

comparative literature, and Jungian theory. It is very much in line with the current trend toward interdisciplinary studies. Knapp offers powerful and original analyses of texts by French, Irish, Japanese, Israeli, German, Polish, and American authors: Alfred Jarry, James Joyce, Stanislaw I. Witkiewicz, Luigi Pirandello, Antoine de Saint-Exupery, Juan Jose Arreola, S. Yizhar, Jiro Osaragi, N. K. Narayan, Peter Handke, and Sam Shepard. The authors explored here were deeply affected by the changes occurring in their lives and times and reacted to these ideationally and feelingly. In some of their writings, images, characters, and plots were used to create monstrous and robotlike individuals unable to accept the world around them and hence seeking to destroy it. Others of these writers attempted to understand and integrate the environmental, human, and mechanical alterations taking place about them, and to transform these into positive attributes. The realization of the increasing domination of the machine, we see, catalyzed and mobilized each author into action.

Each in his own way spoke his mind, revealing the corrosive and beneficial factors in his world as he saw them.

CURSES UPON MINE ENEMIES

Routledge

Understanding Sam Shepard investigates the notoriously complex and confusing dramatic world of Sam Shepard, one of America's most prolific, thoughtful, and challenging contemporary playwrights. During his nearly fifty-year career as a writer, actor, director, and producer, Shepard

has consistently focused his work on the ever-changing American cultural landscape. James A. Crank's comprehensive study of Shepard offers scholars and students of the dramatist a means of understanding Shepard's frequent experimentation with language, setting, characters, and theme. Beginning with a brief biography of Shepard, Crank shows how experiences in Shepard's life eventually resonate in his work by exploring the major themes, unique style, and history of Shepard's productions. Focusing first on Shepard's early plays, which showcase highly experimental, frenetic explorations of fractured worlds, Crank discusses how the techniques from these works evolve and translate into the major works in his "family trilogy": *Curse of the Starving Class*, the Pulitzer Prize-winning *Buried Child*, and *True West*. Shepard often uses elements from his past—his relationship with his father, his struggle for control within the family, and the breakdown of the suburban American dream—as major starting points in his plays. Shepard is a recipient of a Pulitzer Prize for Drama,

eleven Obie Awards, and a Chicago Tribune Literary Prize for Lifetime Achievement. Augmented with an extensive bibliography, Understanding Sam Shepard is an ideal point of entrance into complex and compelling dramas of this acclaimed playwright. Conversations with Sam Shepard Peter Lang After one last fight, the Guardian Angel will retire as the most famous luchador but his nephew, eighth-grader Maximilian, hopes to one day take over his name and his mask.

Angel City, Curse of the Starving Class & Other Plays Palgrave Macmillan A #1 New York Times bestseller! Sarah J. Maas's brand-new CRESCENT CITY series begins with House of Earth and Blood: the story of half-Fae and half-human Bryce Quinlan as she seeks revenge in a contemporary fantasy world of magic, danger, and searing romance. Bryce Quinlan had the perfect life-working hard all day and partying all night-until a demon murdered her closest friends, leaving her bereft, wounded, and alone. When the accused is behind bars but the crimes start up again, Bryce finds herself at the

heart of the investigation. She'll do whatever it takes to avenge their deaths. Hunt Athalar is a notorious Fallen angel, now enslaved to the Archangels he once attempted to overthrow. His brutal skills and incredible strength have been set to one purpose-to assassinate his boss's enemies, no questions asked. But with a demon wreaking havoc in the city, he's offered an irresistible deal: help Bryce find the murderer, and his freedom will be within reach. As Bryce and Hunt dig deep into Crescent City's underbelly, they discover a dark power that threatens everything and everyone they hold dear, and they find, in each other, a blazing passion-one that could set them both free, if they'd only let it. With unforgettable characters, sizzling romance, and page-turning suspense, this richly inventive new fantasy series by #1 New York Times bestselling author Sarah J. Maas delves into the heartache of loss, the price of freedom-and the power of love.

The Meaning of the City Chicago Review Press This often-startlingly original book introduces a

new way of thinking about color in film as distinct from existing approaches which tend to emphasize either technical processes and/or histories of film coloration, or the meaning(s) of color as metaphor or symbol, or else part of a broader signifying system. Murray Pomerance's latest meditation on cinema has the author embed himself in various ways of thinking about color; not ways of framing it as a production trick or a symbolic language but ways of wondering how the color effect onscreen can work in the act of viewing. Pomerance examines many issues, including acuity, dreaming, interrelationships, saturations, color contrasts, color and performance (color as a performance aid or even performance substitute), and more. The lavender of the photographer's seamless in Antonioni's Blow-Up taken in itself as an explosion of color worked into form, and then considered both as part of the story and part of our experience. The 14 chapters of this book each discuss a single primary color as regards to our experience of cinema. After opening the idea of

such an exploration in terms of the history of our apperception and the variation in our experience that color germinates, Color it True takes form.

Routledge

Are you a Buffy fan? Are you just a little fanatical? If so, then this is the book for you. Have you ever watched an episode and caught a mistake by the cast or crew? This book includes a huge list of such mistakes. Included is Buffy trivia galore. Also included is information about where to find those easter eggs for special DVD extras. A full detailed episode list, up to date cast biographies, and a huge detailed list of characters. As a special bonus, inside you will find memorable quotes from the show listed by character, as well as a dictionary of Buffy slang! And there is more...How about a time line showing the events from the first slayer all the way to Buffy! Can't remember the name of a certain villain we have you covered with a full listing of those Buffy villains. Last but not least by any means, is a full listing of the writers, directors, and

crew...what would the show have been without them?

Land/scape/theater e-artnow sro

American Drama offers a comprehensive introduction for students who require detailed but clear information on the dramatists included. It has much to offer the academic and serious reader and addresses the common concern that the unfamiliar names and forgotten voices of those who made a major contribution to the history of American drama have been unfairly neglected. A range of approaches and a wide selection of plays discussed make this volume a landmark in our appreciation and understanding of some of this century's greatest writers.

American Drama Simon and Schuster

This illustrated volume covers the career of Sam Shepard, the provocative American playwright, scriptwriter, actor, and director, through an introductory survey followed by in-depth analyses of representative selections from the one-acts (*Action, States of Shock*), experimental collaborations with Joseph Chaikin (*Savage/Love*), and by now classic family

plays (*Buried Child, A Lie of the Mind*). It ranges from Shepard's unpublished adaptation of Marlowe's *Doctor Faustus* through the textual variants and political context of *Operation Sidewinder* to Robert Altman's movie version of *Fool for Love*, besides offering brief comparisons with fellow dramatists (Albee and Beckett) and visual artists (Edward Weston, Marsden Hartley). Several performance analyses supplement the textual criticism and provide a sample of European directorial approaches. Together, these takes offer a composite picture of an artist whose output over the past forty years has turned him into a figurehead of twentieth century drama, studied and produced all over the world with a keen eye for his idiosyncratic and critical view of what it means to be American. Machine, Metaphor, and the Writer Bloomsbury Publishing USA

On the road to find whoever is looking to

destroy him and pining after Buffy, Spike the vampire reluctantly joins forces with his former nemesis in Los Angeles as they seek to recover a centuries-old stone containing mystical powers.

Dancing Barefoot Univ of South Carolina Press We're almost out of time. Magic Side is under attack and the prison has been cursed. If I can't break the spell, my city will be overrun. The problem is, my magic is out of control, and I can't fight this battle alone. There's

only one person to turn to-Damian Malek. But my strongest ally might also be my greatest threat. I've discovered what Damian is, and it's far worse than just being a fallen angel. I don't trust him, and it's too dangerous to be around him. My very soul, and my magic, are at risk. But I have no choice. Only Damian knows the truth of what is really going on, and he'll only share it with me. We've got to bargain with vampires and demons, battle mythical monsters, and expose the

lost secrets of a ruined temple before time runs out. Will he help me save the city I love, or is it a trap to take everything I hold dear? An action-packed urban fantasy, *Cursed Angel* features a rebel heroine, a dark angel hero, and slow burn romance. Prepare yourself for edge-of-your-seat adventure amongst ancient ruins and mythical places. If you enjoyed the archaeology, history, and daring in Linsey Hall's original *Dragon's Gift* books, this adventure is for you!
