"A TALE OF TWO CITIES by Charles Dickens (unabridged) is presented by Blackstone Audio and comes with what is perhaps the best audiobook app available (see FEATURES, below). One of Charles Dickens's most exciting novels, *A Tale of Two Cities*, set during the French Revolution, is a compelling portrait of the results of terror and treason, love and supreme sacrifice. Self-contained, this audiobook app is perfect for your commute, on a trip, or while relaxing. Based on a library-quality recording, this app was built especially for your iPhone and iPod Touch. No unreadable text, no endless scrolling on

a tiny screen. The audio is of higher-than-normal quality, making for a great listening experience that will not tire your ears or grate on your nerves. NOTICE: This app includes the exact same 5-star recording offered elsewhere at much higher prices. It was professionally recorded by Blackstone Audio's Grammy®-nominated narrator Frederick Davidson. You are not buying yet another amateur or volunteer narration. No clicks, background noises, throat clearing, mispronunciations, tinny voices or monotones will be found here. "What can be said about a book which provides us with the single finest opening line in English literature, outside of Genesis 1:1 in the KJV? Dickens was, without any doubt whatsoever, the finest writer of historical literature/romance

fiction of the 19th century.”—AllReaders.com

- EXPERIENCE. About 15 hours of narration. Created as a Folium enhancedAudio™ edition, this book includes extra functions and features not found on lesser players.
- PLAYER CONTROLS. Includes listen (play), pause, multi-speed fast forward/reverse, jump ahead/back, chapter skip, volume control, one-touch chapter- and bookmark browser. There is also a “scrub” bar that finds any point inside the chapter with just a tap.
- SLEEP TIMER. Have you ever fallen asleep watching TV or listening to a book? If so, you'll love this feature. Once set, the book will stop, place a bookmark, and allow you to jump back to where you probably began dozing.
- CLEAR &

ELEGANT DESIGN. Simple, clean, intuitive, and smarter than average.

- CHAPTER TIMINGS. Always know how much time it will take to finish a chapter. Plus, the progress bar at the top of the screen shows how far into the book you've come.
- OFFLINE LISTENING. You are airplane-ready! Once downloaded, listen uninterrupted without threat from a lost network connection. Downloads are usually just 5-10 minutes, but depend upon your network speed.
- AUTO-BOOKMARKING. The player remembers where you stopped listening and returns to that exact spot when you open the book again.
- TELL-A-FRIEND. An easy way to recommend the book to your friends or Twitter feed.
- FEEDBACK. Share your ideas for books, functions, and features. We are very responsive to

our listeners and appreciate all feedback and ideas. RATING: 12+ for depiction of violence, and period language that may be difficult to follow. \_\_\_\_\_

When the starving French masses rise to overthrow a corrupt and decadent government, both the guilty and the innocent become victims of their frenzied anger. Soon nothing stands in the way of the chilling figure they enlist for their cause—La Guillotine, the new invention for efficiently chopping off heads. This captivating tale uses the contrasts between the two cities' "beliefs" to reveal the central choice confronting every society and each individual: Should a person work to change society, or should the revolution occur within his heart?

*A Tale of Two Cities*, Charles Dickens e-

artnow

'It was the best of times, it was the worst of times...' Charles Dickens's *A Tale of Two Cities* portrays a world on fire, split between Paris and London during the brutal and bloody events of the French Revolution. After eighteen years as a political prisoner in the Bastille the aging Dr Manette is finally released and reunited with his daughter in England. There, two very different men, Charles Darnay, an exiled French aristocrat, and Sydney Carton, a disreputable but brilliant English lawyer, become enmeshed through their love for Lucie Manette. From the tranquil lanes of London, they are all drawn against their will to the vengeful, bloodstained streets of Paris at the height of the Reign of Terror and soon fall under the lethal

shadow of La Guillotine. Complete Original Unabridged Illustrated with book-end doodles about reading Beautifully laid out reader-friendly format

A Tale of Two Cities (1859) is a novel by Charles Dickens, set in London and Paris before and during the French Revolution. With well over 200 million copies sold, it ranks amongst the most famous works in the history of literary fiction. The novel depicts the plight of the French peasantry demoralised by the French aristocracy in the years leading up to the revolution, the corresponding brutality demonstrated by the revolutionaries toward the former aristocrats in the

early years of the revolution, and many unflattering social parallels with life in London during the same time period. It follows the lives of several characters through these events. The 45-chapter novel was published in 31 weekly instalments in Dickens's new literary periodical titled All the Year Round. From April 1859 to November 1859, Dickens also republished the chapters as eight monthly sections in green covers. All but three of Dickens's previous novels had appeared only as monthly instalments. The first weekly instalment of A Tale of Two Cities ran in the first issue of All the Year Round on 30 April 1859. The last ran thirty weeks later, on 26 November. *A Tale of Two Cities by Charles Dickens* Thomas Nelson  
we had everything before us, we had

nothing before us, we were all going direct to Heaven, we were all going direct the other way- in short, the period was so far like the present period, that some of its noisiest authorities insisted on its being received, for good or for evil, in the superlative degree of comparison only. There were a king with a large jaw and a queen with a plain face, on the throne of England; there were a king with a large jaw and a queen with a fair face, on the throne of France. In both countries it was clearer than crystal to the lords of the State preserves of loaves and fishes, that things in general were settled for ever. It was the year of Our Lord one thousand seven hundred and seventy-five. Spiritual revelations were conceded to England at that favoured period, as at this. Mrs. Southcott had

recently attained her five-and-twentieth blessed birthday, of whom a prophetic private in the Life Guards had heralded the sublime appearance by announcing that arrangements were made for the swallowing up of London and Westminster. Even the Cock-lane ghost had been laid only a round dozen of years, after rapping out its messages, as the spirits of this very year last past (supernaturally deficient in originality) rapped out theirs. Mere messages in the earthly order of events had lately come to the English Crown and People, from a congress of British subjects in America: which, strange to relate, have proved more important to the human race than any communications yet received through any of the chickens of the Cock-lane brood. France, less favoured on the

whole as to matters spiritual than her sister of the shield and trident, rolled with exceeding smoothness down hill, making paper money and spending it. Under the guidance of her Christian pastors, she entertained herself, besides, with such humane achievements as sentencing a youth to have his hands cut off, his tongue torn out with pincers, and his body burned alive, because he had not kneeled down in the rain to do honour to a dirty procession of monks which passed within his view, at a distance of some fifty or sixty yards. It is likely enough that, rooted in the woods of France and Norway, there were growing trees, when that sufferer was put to death, already marked by the Woodman, Fate, to come down and be sawn into boards, to make a

certain movable framework with a sack and a knife in it, terrible in history. It is likely enough that in the rough outhouses of some tillers of the heavy lands adjacent to Paris, there were sheltered from the weather that very day, rude carts, bespattered with rustic mire, snuffed about by pigs, and roosted in by poultry, which the Farmer, Death, had already set apart to be his tumbrils of the Revolution. But that Woodman and that Farmer, though they work unceasingly, work silently, and no one heard them as they went about with muffled tread: the rather, forasmuch as to entertain any suspicion that they were awake, was to be atheistical and traitorous.

A Tale of Two Cities

Santo Domingo and New York After 1950

Independently Published

A Tale of Two Cities differs essentially from all of Dickens' other novels in style and manner of treatment. Forster, in his 'Life of Dickens,' writes that "there is no

instance in his novels excepting this, of a deliberate and planned departure from the method of treatment which had been pre-eminently the source of his popularity as a novelist." To rely less upon character than upon incident, and to resolve that his actors should be expressed by the story more than they should express themselves by dialogue, was for him a hazardous, and can hardly be called an entirely successful, experiment. With singular dramatic vivacity, much constructive art, and with descriptive passages of a high order everywhere, there was probably never a book by a great humorist, and an artist so prolific in conception, with so little humor and so few remarkable figures. Its merit lies elsewhere. The two cities are London and Paris. The time is just before

and during the French Revolution. A peculiar chain of events knits and interweaves the lives of a "few simple, private people" with the outbreak of a terrible public event. Dr. Manette has been a prisoner in the Bastille for eighteen years, languishing there, as did so many others, on some vague unfounded charge. His release when the story opens, his restoration to his daughter Lucie, the trial and acquittal of one Charles Darnay, nephew of a French marquis, on a charge of treason, the marriage of Lucie Manette to Darnay,— these incidents form the introduction to the drama of blood which is to follow. Two friends of the Manette family complete the circle of important characters: Mr.

Selected works of Charles Dickens from the series "Best of the Best" is the book that everyone should read to understand themselves and each other. The authors and works for this book series were selected, as a result of numerous studies, analysis of the texts over the past 100 years and the demand for readers. It must be read in order to understand the world around us, its history, to recognize the heroes, to understand the winged expressions and jokes that come from these literary works. Reading these books will mean the discovery of a world of self-development and self-expression for each person. These books have been around for decades, and sometimes centuries, for the time they recreate, the values they teach, the point of view, or

simply the beauty of words. This volume of the Best of the Best series includes famous works • Great Expectations • David Copperfield • Oliver Twist • Bleak House • A Tale Of Two Cities • A Christmas Carol • Our Mutual Friend • Little Dorrit • The Pickwick Papers

Canon Press

As Nehemiah rebuilt the walls of Jerusalem, Gashmu and the enemies of Israel mocked him: "It is reported among the heathen, and Gashmu saith it, that thou and the Jews think to rebel..." (Neh. 6:6). Too many Christians building communities today take the taunts of every modern-day Gashmu seriously. Community is a buzzword, and it turns out there's a lot of bad advice about how to build one. In Gashmu Saith It, Douglas

Wilson includes forty years of experience for Christians wanting to build robust communities without retreat or compromise on the foundation of the Gospel. This book is full of wisdom: Get calluses. Be loyal. Fight sin. Build walls on the outside and a church in the middle.

The last ran thirty weeks later, on 26 November. *A Tale of Two Cities* Recalled to Life

*A Tale of Two Cities* and *Great Expectations* are two much-loved novels by Charles Dickens. *Tale of Two Cities* is a novel set in London and Paris before and during the French Revolution. The main characters — Doctor Alexandre Manette, Charles Darnay, and Sydney Carton — are all recalled to life, or resurrected, in different ways as turmoil erupts. *Great Expectations* centers around a poor young man by the name of Pip, who is given the chance to make himself a gentleman by a mysterious benefactor. *Great Expectations* offers a fascinating view of the differences between classes during the Victorian era, as well as a great sense of comedy and pathos. Charles John Huffam Dickens ( 1812 - 1870) was an English writer and social critic. He created some of the

world's most memorable fictional characters and is generally regarded as the greatest novelist of the Victorian period. During his life, his works enjoyed unprecedented fame, and by the twentieth century his literary genius was broadly acknowledged by critics and scholars. His novels and short stories continue to be widely popular.

A Tale of Two Cities Pearson UK

Designed to appeal to the booklover, the Macmillan Collector's Library is a series of beautiful gift editions of much loved classic titles. Macmillan Collector's Library are books to love and treasure. Chosen and introduced by the playwright J. B. Priestley, these twelve marvellous sketches are accompanied by George Cruikshank's evocative illustrations. Charles Dickens was one of the great

chroniclers of London life. From the colourful chaos of dances and gin-shops to the sparse destitution of the pawnshop and the penitentiary, he captured the grime and the glory of the English capital with singular brilliance. Orphans and beggars, lord mayors and murderers, actors, criminals, cab drivers and prostitutes; all rub shoulders in this wonderful selection from Sketches by Boz.

Princeton University Press

"Charles Dickens' historical novel A Tale of Two Cities follows the life of Doctor Alexandre Manette following his eighteen-year imprisonment in the

Bastille. The text of the novel is based on the first edition published by Chapman and Hall (1859) and reproduces the original illustrations. The text is accompanied by explanatory footnotes and a note on the text and illustrations. "Contexts" includes selections by Charles Dickens on France and the French, contemporary responses to the French Revolution and its aftermath, writings and correspondence on the composition of A Tale of Two Cities, and theatrical adaptations during the nineteenth century. "Criticism" features contemporary reviews and responses, followed by essays that examine the style, sources and inspirations, and historical framework of the novel, in addition to other critical viewpoints. A Chronology and Selected

Bibliography are included"--

[Activity Book / Reader](#) Jazzybee Verlag  
 A Tale of Two Cities, novel by Charles Dickens, published both serially and in book form in 1859. The story is set in the late 18th century against the background of the French Revolution. Although Dickens borrowed from Thomas Carlyle's history, The French Revolution, for his sprawling tale of London and revolutionary Paris, the novel offers more drama than accuracy. The scenes of large-scale mob violence are especially vivid, if superficial in historical understanding. The complex plot involves Sydney Carton's sacrifice of his own life on behalf of his friends Charles Darnay and Lucie Manette. While political events drive the story, Dickens takes a decidedly antipolitical tone, lambasting both aristocratic tyranny and

revolutionary excess-the latter memorably caricatured in Madame Defarge, who knits beside the guillotine. The book is perhaps best known for its opening lines, "It was the best of times, it was the worst of times," and for Carton's last speech, in which he says of his replacing Darnay in a prison cell, "It is a far, far better thing that I do, than I have ever done; it is a far, far better rest that I go to, than I have ever known."

*A Tale of Two Cities* Oxford University Press

*A Tale of Two Cities* (1859) is a novel by Charles Dickens, set in London and Paris before and during the French Revolution. The novel tells the story of the French Doctor Manette, his 18-year-long imprisonment in the Bastille in Paris and his release to life in London with his

daughter Lucie, whom he had never met; Lucie's marriage and the collision between her beloved husband and the people who caused her father's imprisonment; and Monsieur and Madame Defarge, sellers of wine in a poor suburb of Paris. The story is set against the conditions that led up to the French Revolution and the Reign of Terror. Charles Dickens (1812 - 1870) was an English writer and social critic. He created some of the world's best-known fictional characters and is regarded by many as the greatest novelist of the Victorian era. His works enjoyed unprecedented popularity during his lifetime, and by the 20th century critics and scholars had recognised him as a literary genius. His novels and short stories enjoy lasting

popularity.

Grammardog LLC

A Tale of Two Cities (1859) is a novel by Charles Dickens, set in London and Paris before and during the French Revolution. The novel depicts the plight of the French peasantry demoralised by the French aristocracy in the years leading

up to the revolution, the corresponding brutality demonstrated by the revolutionaries toward the former aristocrats in the early years of the revolution, and many unflattering social parallels with life in London during the same period. It follows the lives of several characters through these events. A Tale of Two Cities was published in weekly instalments from April 1859 to November 1859 in Dickens's new literary periodical titled All the Year Round. All but three of Dickens's previous novels had appeared only as monthly installments. It was the time of the French Revolution - a time of great change and great danger. It was a time when injustice was met by a lust for vengeance, and rarely was a distinction made between the innocent and the

guilty. Against this tumultuous historical backdrop, Dickens' great story of unsurpassed adventure and courage unfolds. Unjustly imprisoned for 18 years in the Bastille, Dr. Alexandre Manette is reunited with his daughter, Lucie, and safely transported from France to England. It would seem that they could take up the threads of their lives in peace. As fate would have it though, the pair are summoned to the Old Bailey to testify against a young Frenchman - Charles Darnay - falsely accused of treason. Strangely enough, Darnay bears an uncanny resemblance to another man in the courtroom, the dissolute lawyer's clerk Sydney Carton. It is a coincidence that saves Darnay from certain doom more than once. Brilliantly plotted, the novel is rich in drama, romance, and

heroics that culminate in a daring prison escape in the shadow of the guillotine. Novel by Charles Dickens, published both serially and in book form in 1859. The story is set in the late 18th century against the background of the French Revolution. Although Dickens borrowed from Thomas Carlyle's history, *The French Revolution*, for his sprawling tale of London and revolutionary Paris, the novel offers more drama than accuracy. The scenes of large-scale mob violence are especially vivid, if superficial in historical understanding. The complex plot involves Sydney Carton's sacrifice of his own life on behalf of his friends Charles Darnay and Lucie Manette.

### **A TALE OF TWO CITIES**

Independently Published

*A Tale of Two Cities* (1859) is the second historical novel by Charles Dickens, set in London and Paris before and during the French Revolution. It depicts the plight of the French proletariat under the brutal oppression of the French aristocracy in the years leading up to the revolution, and the corresponding savage brutality demonstrated by the revolutionaries toward the former aristocrats in the early years of the revolution. It follows the lives of several protagonists through these events, most notably Charles Darnay, a French once-aristocrat who falls victim to the indiscriminate wrath of the revolution despite his virtuous nature, and Sydney

Carton, a dissipated English barrister who endeavours to redeem his ill-spent life out of love for Darnay's wife, Lucie Manette.
