Myths, Goddesses, and Gods from China
JHU Press

Every year, at the Wa Huang Gong temple in Hebei Province, China, people gather to worship the great mother, Nuwa, the oldest deity in Chinese myth, praising her for bringing them a happy life. It is a vivid demonstration of both the ancient reach and the continuing relevance of mythology in the lives of the Chinese people. Compiled from ancient and scattered texts and based on groundbreaking new research, Handbook of Chinese Mythology is the most comprehensive English-language work on the subject ever written from an exclusively Chinese perspective. This work focuses on the Han Chinese people but ranges across the full spectrum

of ancient and modern China, showing how key myths endured and evolved over time. A quick reference section covers all major deities, spirits, and demigods, as well as important places (Kunlun Mountain), mythical animals and plants (the crow with three feet; Fusang tree), and related items (Xirang-a kind of mythical soil; Bu Si Yao-mythical medicine for long life). No other work captures so well what Chinese mythology means to the people who lived and continue to live their lives by it. With more than 40 illustrations and photographs, fresh translations of primary sources, and insight based on the authors' own field research, Handbook of Chinese Mythology offers an illuminating account of a fascinating corner of the world of myth.

A GUIDE TO GODS, HEROES AND

SPIRITS

BEYOND BOOKS HUB

Discusses the myths and gods of ancient China and their sources.

CHINESE MYTHOLOGY

Cambridge University Press

In Chinese Mythology, Anne Birrell provides English translations of some 300 representative myth narratives selected from over 100 classical texts, many of which have never before been translated into any Western language. Organizing the narratives according to themes and motifs common to world mythology, Birrell addresses issues of source, dating, attribution, textual variants, multiforms, and context. Drawing on exhaustive work in comparative mythology, she surveys the development of Chinese myth studies, summarizes the contribution of Chinese and Japanese scholars to the study of

Chinese myth since the 1920s, and examines special aspects of traditional approaches to Chinese myth. The result is an unprecedented guide to the study of Chinese myth for specialists and nonspecialists alike.

The Japanese Myths Shanghai Press
Asian myths and folktales comprise a vast body of lore and contain the historical traces of thousands of years of migration and cultural interchange. Through the form of illustration, the artists in this volume portray these ancient stories in a visual, artistic and intuitive way, re-interpreting their philosophies and aesthetics. The book contains both single and series illustration, and aims to explore the tacit connection between illustrated works and Asian myths and to serve as inspiration for both illustrators and lovers of stories.

Essential Chinese Mythology Flame Tree Collections

How did the crow get its black feathers?
How do the gods protect the people from drought and other natural disasters?
Explore the rich mythologies and legends of the many cultures of the peoples of South and Southeast Asia. Famous Myths

and Legends is a beautifully photographed and illustrated 12-volume series designed to narrate the ancient mythologies and inherited stories from the many diverse cultures throughout the world.

The Ages of Chaos and Heroes Scholastic Inc.

The West's first encounters with the folk tales and myths of the East proved to be a heady experience, as they were based on an entirely different value system and worldview than those that are reflected in the Greek myths and most subsequent Western folk tales. In *Myths and Legends of China*, author E.T.C. Werner offers up a rich tapestry of Chinese folk narratives. A must-read for fans of world myths, fairy tales, and legends.

Illustrated Myths & Legends of China
Tuttle Publishing

Collects stories from ancient Chinese mythology, including the creation of the world, the story of the Yellow Emperor, and the importance of dragons who would intervene to help the Chinese people.

Moon Princess CreateSpace

Sienna is unhappy. Her mother has disappeared and she feels alone in Shanghai. Her only friend is Rufus--a

sarcastic invisible dog with a VERY clear idea of how things should be done. When their mean housekeeper starts acting suspiciously, Sienna decides to investigate. She follows a trail of clues that leads her to a new friend, Feng, who also has an invisible animal friend and has lost a family member. Together they embark on a hunt through China that leads them to new friends, even more invisible animals, and a mysterious moonlit temple where Sienna's mother and Feng's brother were last seen. Are the disappearances linked to a priceless statue of the famous moon princess? And can they discover the dangerous truth?

Myths and Legends of China

Independently Published

Chinese culture is rich with marvelous folklore, and this exquisitely designed collection draws on that magnificent historical repository. It features more than 200 fables and tales chosen from *Strange Stories* from a Chinese Studio and other classic compendiums. Here are legends of ancient demons, strange ghosts, magic swords, evil sorcerers, diabolical transformations, flying ogres, fairy foxes, powerful gods, and more. They include:

The Painted Wall, The Flower Nymphs, The Boatmen of Lao-lung, The King of the Nine Mountains, The Disowned Princess, and dozens more.

Chinese Mythology Classical Mythology Gorgeous Collector's Edition. Legends of the Sea, Bells, Mirrors and Tea, Japanese mythology is delightful and enigmatic, full of spirits, gods and legendary creatures. It draws on Buddhist and Shinto traditions to explain the nature of the world of the island of Japan, the mystical Mount Fuji and the heavenly status of the long line of emperors. The warrior class of the imperial court, and the natural spirits of the countryside represent parallel and interdependent aspects of Japanese society, explored through ancient legend and folklore. Flame Tree Collector's Editions present the foundations of speculative fiction, authors, myths and tales without which the imaginative literature of the twentieth century would not exist, bringing the best, most influential and most fascinating works into a striking and collectable library. Each book features a new introduction and a Glossary of Terms.

In Chinese Mythology, there is so much symbolism, and there are so many wise lessons to discover. It's almost criminal that Western civilization studies Greek or Roman myths but leaves all the Chinese gods and goddesses to themselves. In this guide, we'll delve deeper into these mystical beings and the beliefs

surrounding them, whether modern or ancient. You will read about subtopics like: The intriguing legend of the Monkey King and the journey through China. Stories that involve the Chinese goddess of the moon. The significance of dragons and lions in China. Zodiac signs in the Orient and their meanings. The myth about the goddess of compassion and the legend of the white snake. And there is more. With this knowledge in the back of your head, you will show greater comprehension of the signs, symbols, and traditions of the Chinese, which have been preserved and developed over centuries.

[Myths & Legends of Japan](#) Core Library This is your lucky day! You just got a book of 3 manuscripts for a discounted price. Do yourself a favor and pick up this fascinating account of Chinese folklore and mythology, which includes the following three books: Book 1: As you begin to read or listen to this book, you will become familiar with all the gods and goddesses of Chinese culture. The historical context will become clear, as well as the institutions, the law, the rules about sexuality, marriage, and children, and so much more. Understanding these aspects of

their society before fully becoming engaged in the folklore that was the popular belief at the time, is essential to your comprehension of the cultural anecdotes in those tales. Towards the end of the book, you'll also learn about Confucianism, Monism, Taoism, Buddhism, and other dominating religious or spiritual paths that have been common in China. Book 2: Have you ever heard about the Old Mother of Waters? How about Miao Shan? Or the medicine god? The Chinese had so many gods that it was probably a huge task to remember or memorize them all. For almost everything, there was either a god or a goddess. But a simple list of all the gods wouldn't suffice to satisfy your appetite for the mystery of religious history in this massive country. So to help you enjoy the book, the intricate stories of betrayal, supernatural powers, love, and hatred are described in detail in this guide. You will learn about the fire and water gods the Chinese believed in, the ruler of the heavens they perceived, and the complicated patterns some of these heroes or villains supposedly created in their lives. Book 3: In this book in the series, the most important legends from

China will come to light. You will read about the famous monkey who became a god through his clever trickery and struggles, for instance. This is an amazing story that has inspired millions to depict the protagonist in paintings, sculptures, and other art works. Another interesting story that has been shown in Asian movies in great detail, is the battle of all the Chinese gods. The eight immortals that are mentioned in Chinese mythology will be described, and so many other things that will keep you reading or listening.

Asian Mythology A Captivating Guide to Chinese Mythology, Japanese Mythology and Hindu Mythology

Illustrated Myths & Legends of China

World's Greatest Myths and Leg

E.T.C. Werner's definitive collection of Chinese mythology, beautifully presented in this new edition from Empire Classics.

Chinese Mythology Reed Mitchel Beazley

Myths & Legends of Japan is a comprehensive anthology of folklore from Japan, ranging from creation myths, to animal stories, to legends of mountains,

along with discussions and opinions on them. Some might find the presentation a bit dated, with Davis giving his very 'early twentieth century' take on Japanese culture. Stories include: Heroes And Warriors; The Period Of The Gods; Buddha Legends; Jizō, The God Of Children; Legend In Japanese Art; Legends Of Mount Fuji; Yuki-Onna, The Lady Of The Snow; Animal Legends; Bird And Insect Legends; Legends Of The Sea; Supernatural Beings, and more.
