and rooms of an  
eighteenth-century  
Irish manor house  
James in the House of  
Aunt Prudence Simon  
and Schuster  
Conventional wisdom  
has it that the Middle  
East crisis is the

product of a clash of  
civilizations between  
Islam and the West.  
THE FALL OF THE  
HOUSE OF BUSH  
frames that conflict as  
part of an entirely  
different paradigm --  
namely, the ongoing  
war between faith and  
reason, between  
fundamentalisms  
(Islamic, Jewish,  
Christian) and the  
modern, scientific,  
post-Enlightenment  
world. It tells the story  
of how radical,

neoconservative ideologues secretly formed an alliance with the Christian Right in the Bush White House - - and how, driven by delusional idealism and ideological and religious zeal, they waged unilateral and pre-emptive war in the Middle East as well as a domestic war against reason, science and civil liberties.

Extending the investigative reach deployed so devastatingly in HOUSE OF BUSH, HOUSE OF SAUD, Craig Unger's brilliant exposé shows the real intentions -- and likely outcomes -- of the Bush administration's true playbook.

Simon and Schuster  
An acerbic, withering account of the ascent of the Bush family to the pinnacle of the

American political and social elite and the implications of the dynasty's hold on power for democracy in America. With an unerring instinct for fakery and humbug, Phillips traces the convoluted trail of Bush mendacity through three generations. The picture he paints of a family willing to do ANYTHING to hold power and a country so craven as to vote for it is both very funny and completely dismaying in equal measure.

### **Destiny and Power** Penguin

With more than 200 photographs, videos, letters, and speeches, this Deluxe eBook edition of Decision Points brings to life the critical decisions of George W. Bush's presidency. George W.

Bush served as president of the United States during eight of the most consequential years in American history. The decisions that reached his desk impacted people around the world and defined the times in which we live. Decision Points takes readers inside the Texas governor's mansion on the night of the 2000 election, aboard Air Force One during the harrowing hours after the attacks of September 11, 2001, into the Situation Room moments before the start of the war in Iraq, and behind the scenes at the White House for many other historic presidential decisions on the financial crisis, Hurricane Katrina, Afghanistan, and Iran. In addition, it offers intimate new details on

his quitting drinking, his discovery of faith, and his relationship with his family. The Deluxe eBook edition also includes: • Videos from the defining moments of the presidency, including Bush's inspiring Ground Zero speech to the 9/11 rescue workers, intimate family home movies, and a special introduction to the edition from the president himself • Full texts of his most important speeches, including his addresses to the nation about 9/11, Afghanistan and Iraq, and his second Inaugural • Handwritten letters from the president's personal correspondence • And more than 50 new photos not contained in the print version of

Decision Points A groundbreaking first in bringing multimedia to presidential memoir, the Deluxe eBook edition of Decision Points will captivate supporters, surprise critics, and change perspectives on eight remarkable years in American history—and on the man at the center of events.

House of Bush, House of Saud St Lynns Press The author of *Midnight's Children* and *The Satanic Verses* describes his 1986 trip to Nicaragua and shares his impressions of the true Nicaragua--the people, politics, land, poetry, and problems behind the headlines. Reprint.

University Press  
“There is a myth in the United States—you’ve heard it many times. It says that all American mothers hope that their child will grow up to be President of the United States...”

—Barbara Bush Not since Abigail Adams has one woman been both the wife and mother of presidents. Barbara Bush’s prominent place in American history is matched only by her extraordinary popularity: Republicans and Democrats alike appreciate her wit, her compassion, and her

devotion to her family. Dignified, loyal, and unpretentious, the former First Lady defied skeptics to become one of the most admired first ladies in history—and she remains a beloved public figure today. In this inspiring follow-up to her number-one bestselling memoir, Mrs. Bush covers the momentous eight years between President George H. W. Bush’s leaving office and President George W. Bush’s 2001 inauguration. Reflections comprises Mrs. Bush’s diary entries, travelogues, family photographs, even secret recipes. She discusses her experiences in the White House, on the campaign trail, and in the public eye, as well as her own views about

such controversial issues as her husband's resignation from the NRA, the caning of an American student in Singapore, and—in her candid epilogue—her family's reactions to September 11, 2001. Throughout, the extraordinary amount of love and pride Mrs. Bush feels for her husband, five children, and fourteen grandchildren is always clear. Reflections will delight Barbara Bush's millions of admirers with her touching anecdotes and personal revelations from the past decade of a full and fascinating life.

*The Fall of the House of Bush* Penguin

Summary of Destiny and Power: by Jon Meacham | Includes Analysis Preview: Destiny and Power:

The American Odyssey of George Herbert Walker Bush by Jon Meacham is a biography of George H.W. Bush, the 41st president of the United States, who served from 1988 to 1992. The author argues that as president and as a politician, Bush used prudence and compromise to an extent that would seem out of place in today's era of highly partisan US politics. George H.W. Bush had a varied career before winning the presidency: he was a Navy pilot, oilman, congressman, ambassador to the UN, envoy to China, head of the Republican Party, and later director of the CIA. In the executive branch, he first served as vice president of the United

States under Ronald Reagan for eight years before beginning his own presidency...

### **ARC OF JUSTICE**

Instaread

Drawing on hundreds of newly available, top-secret KGB and party Central Committee documents, historian Matthew E. Lenoe reexamines the 1934 assassination of Leningrad party chief Sergei Kirov. Joseph Stalin used the killing as the pretext to

unleash the Great Terror that decimated the Communist elite in 1937-1938; these previously unavailable documents raise new questions about whether Stalin himself ordered the murder, a subject of speculation since 1938. The book includes translations of 125 documents from the various investigations of the Kirov murder, allowing readers to reach their own conclusions about Stalin's involvement in the assassination.

### **THE MOUSE IN THE HOUSE**

Simon and Schuster  
A devastating account of the inner workings of the George W. Bush administration, written with the extensive cooperation of former U.S. Treasury Secretary Paul O'Neill. As readers

are taken to the very epicentre of government, this news-making book offers a definitive view of Bush and his closest advisers as they manage crucial domestic policies and global strategies within the most secretive White House of modern times.

*House of Bush, House of Saud* Cornell University Press  
When a frightened little mouse seeks shelter from a storm, a wonderful adventure begins! The Mouse in the House is a tale of a small creature seeking to hide from the thunder and the rain. Once inside the house, the curious little guy explores every room, finding things he never knew existed. Before long, the mouse realizes he has

stumbled upon something so wonderful. Come inside with the mouse and see just how wonderful the house can be!  
*American Dynasty*  
Knopf Books for Young Readers  
#1 NEW YORK TIMES BESTSELLER • George W. Bush, the 43rd President of the United States, has authored a personal biography of his father, George H. W. Bush, the 41st President. Forty-three men have served as President of the United States. Countless books have been written about them. But never before has a President told the story of his father, another President, through his own eyes and in his own words. A unique and intimate biography, the book covers the entire scope

of the elder President Bush's life and career, including his service in the Pacific during World War II, his pioneering work in the Texas oil business, and his political rise as a Congressman, U.S. Representative to China and the United Nations, CIA Director, Vice President, and President. The book shines new light on both the accomplished statesman and the warm, decent man known best by his family. In addition, George W. Bush discusses his father's influence on him throughout his own life, from his childhood in West Texas to his early campaign trips with his father, and from his decision to go into politics to his own two-term Presidency.

## **THE DAILY SHOW (THE BOOK)**

Yale University Press  
An electrifying story of the sensational murder trial that divided a city and ignited the civil rights struggle In 1925, Detroit was a smoky swirl of jazz and speakeasies, assembly lines and fistfights. The advent of automobiles had brought workers from around the globe to compete for manufacturing jobs, and tensions often flared with the KKK in ascendance and violence rising. Ossian Sweet, a proud Negro doctor-grandson of a slave-had made the long climb from the ghetto to a home of his own in a previously all-white neighborhood. Yet just after his arrival, a mob gathered outside his house;

suddenly, shots rang out: Sweet, or one of his defenders, had accidentally killed one of the whites threatening their lives and homes. And so it began—a chain of events that brought America's greatest attorney, Clarence Darrow, into the fray and transformed Sweet into a controversial symbol of equality. Historian Kevin Boyle weaves the police investigation and courtroom drama of Sweet's murder trial into an unforgettable tapestry of narrative history that documents the volatile America of the 1920s and movingly re-creates the Sweet family's journey from slavery through the Great Migration to the middle class. Ossian Sweet's story, so richly and

poignantly captured here, is an epic tale of one man trapped by the battles of his era's changing times. *Arc of Justice* is the winner of the 2004 National Book Award for Nonfiction.

**Rav Kook** Grand Central Publishing Newsbreaking and controversial -- an award-winning investigative journalist uncovers the thirty-year relationship between the Bush family and the House of Saud and explains its impact on American foreign policy, business, and national security. *House of Bush, House of Saud* begins with a politically explosive question: How is it that two days after 9/11, when U.S. air traffic was tightly restricted, 140 Saudis, many immediate kin to Osama Bin Laden,

were permitted to leave the country without being questioned by U.S. intelligence? The answer lies in a hidden relationship that began in the 1970s, when the oil-rich House of Saud began courting American politicians in a bid for military protection, influence, and investment opportunity. With the Bush family, the Saudis hit a gusher -- direct access to presidents Reagan, George H.W. Bush, and George W. Bush. To trace the amazing weave of Saud- Bush connections, Unger interviewed three former directors of the CIA, top Saudi and Israeli intelligence officials, and more than one hundred other sources. His access to major players is

unparalleled and often exclusive -- including executives at the Carlyle Group, the giant investment firm where the House of Bush and the House of Saud each has a major stake. Like Bob Woodward's *The Veil*, Unger's *House of Bush, House of Saud* features unprecedented reportage; like Michael Moore's *Dude, Where's My Country?* Unger's book offers a political counter-narrative to official explanations; this deeply sourced account has already been cited by Senators Hillary Rodham Clinton and Charles Schumer, and sets 9/11, the two Gulf Wars, and the ongoing Middle East crisis in a new context: What really happened when America's most powerful political family became

seduced by its Saudi counterparts?  
*What Happened* Crown Craig Unger begins his House of Bush House of Saud, a massive seller in the US likened to All the President's Men, with an explosive question: how is it that two days after the attack on the World Trade Centre, when U.S. air traffic was tightly restricted, 140 Saudis, many immediate kin to Osama Bin Laden, were permitted to leave the country without being questioned by U.S. intelligence? The answer lies in a hidden relationship that began in the 1970s, when the oil-rich House of Saud began courting American politicians in a bid for military protection, influence, and investment

opportunity. With the Bush family, the Saudis hit a gusher - direct access to presidents Reagan, George H.W. Bush, and George W. Bush. To trace the amazing weave of Saud-Bush connections, Unger interviewed three former directors of the CIA, top Saudi and Israeli intelligence officials, and more than one hundred other sources. His access to major players is unparalleled and often exclusive - including executives at the Carlyle Group, the giant investment firm where the House of Bush and the House of Saud each has a major stake.

*The Fall of the House of Bush* Public Affairs  
 A sobering expos of the secret relationship between neo-

conservative policy makers and the Christian right argues that Middle East instability reflects an ongoing battle between fundamentalist groups, in a behind-the-scenes account that cites Bush's role in promoting the war in Iraq and ultimately bringing about his own downfall. By the author of House of Bush, House of Saud. 200,000 first printing.

**THE BUSH FAMILY  
HOUSE OF BUSH  
HOUSE OF GOD**

Yale University Press  
NEW YORK TIMES  
BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For

almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and

adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton,

feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

#### Half-hours in the Bush-house Macmillan

While visiting his great-aunt, a young boy spends the afternoon being chased through the house by an assortment of creatures led by the Mouse King.
