Is your story suffering from prosaic protagonists and apathetic antagonists? You need some writing prompts to put the spark into those characters. 501 Writing Prompts to Help Bring Your Characters to Life, with Better Results than Dr. Frankenstein (Guaranteed) is bound, literally and figuratively, to give your characters meaningful inner (and outer) lives. 501 Writing Prompts to Help Bring Your Characters to Life's holistic approach to character development will inspire you through 501 (or more!) prompts, including 100 new visual prompts, many of which are in color. With ideas for your character's job (or lack thereof), idiosyncrasies, personal possessions, and appearance, you will find a new way of thinking about them. Whether you feel stuck fleshing out a character, totally blocked, or just want a new way of thinking about characters, the evocative prompts in this book are designed to let you into a character's world the way stories do: With evocative details that show you who they might be. If you never found the rigorous, outline-based "plotter" approach to

writing useful, then this book is for you. Even if you did find it useful, this book is for you. This is especially true if someone has given you a copy. *Guarantee is rhetorical

The revolutionary literary vision that sowed the seeds of Objectivism, Ayn Rand's groundbreaking philosophy, and brought her immediate worldwide acclaim. This modern classic is the story of intransigent young architect Howard Roark, whose integrity was as unyielding as granite...of Dominique Francon, the exquisitely beautiful woman who loved Roark passionately, but married his worst enemy...and of the fanatic denunciation unleashed by an enraged society against a great creator. As fresh today as it was then, Rand's provocative novel presents one of the most challenging ideas in all of fiction—that man's ego is the fountainhead of human progress... "A writer of great power. She has a subtle and ingenious mind and the capacity of writing brilliantly, beautifully, bitterly...This is the only novel of ideas written by an American woman that I can recall."—The New York Times

Have you ever wanted to write a story, but you didn't know how? Or are you good at writing stories, but stuck for ideas? Are you currently writing a story, but you have writers block? Well, have I got the book for you friend. I can call you friend because we've just built up a rapport with my rhetorical questions. This is a book chock full of writing prompts. These are little things that will help you along to writing some amazing stuff that spills out of your mind. You're wondering: "But what kind of prompts are they? I've seen writing prompts before, but they're all lame." That's a good thing to be wondering, friend. I've crafted and homebrewed only the finest of prompts for your pleasure. You won't be confined to any one genre, you'll find a limitless amount of prompts ranging from comedy to serious to horror. I say limitless, but I meant 1,000 prompts precisely. I said 1,000 precisely, but there's slightly more if you count the introduction. Listen, friend, I promise not to fib from this point on. The book is split into a few sections: Beginners Writing Prompts (it's a super short section, don't worry); Constrained Writing (that's where you are forced into absolutely specific criteria for the prompt); Flash Fiction (either a word count or a time count is imposed upon you); Ripper Prompts (you are given a list of items for "Random Item Prompts"); and the bulk of the book ends with basic writing prompts with which you can write as much as you please with no tricks! If you're still reading this description, allow me to tell you more uses for this book: Creative writing classes! Yes, teachers, I've done the work for you. I'll even let you lie and say the prompts were crafted in your mind. Corporate synergy teams! That's right, group building exercise makers, you can relax in your fine leather chair and state that you know just how to get the company working together. Present some of these writing prompts and you'll be a hit. Temporarily disenfranchised millionaire authors in waiting! Your hit novel is contained in one of these prompts, I'm certain of it! Use this book for scripts, for blogs, for journals, for impressing potential clients. Otherwise I am sure it would make an attractive door wedge! Have I used enough exclamation marks to convince you? No? Check out these sections and be dazzled... Section Information: Section 1: Beginners Writing Prompts (20 Prompts) Section 2: Flash Fiction Prompts (80 Prompts) Section 3: Random Items Prompts AKA Rippers (20 Prompts - List of 26 random items) Section 4: Constrained Writing (30 Prompts) Section 5: Writing Prompts (850 Prompts) **Creative Writing** CreateSpace

Disney's Villains meet Gotham in this gritty fairy tale-inspired crime series. Mary Elizabeth Heart is a high school senior by day, but by night she's an intern at the Monarch City police department. She watches with envy from behind a desk as detectives come and go, trying to contain the city's growing crime rate. For years, tension has simmered between the city's wealthy elite, and their plans to gentrify the decaying neighborhood called the Scar - once upon a time the epicenter of all things magic. When the daughter of one of the city's most powerful businessmen goes missing, Mary Elizabeth is thrilled when the Chief actually puts her on the case. But what begins as one missing person's report soon multiplies, leading her down the rabbit hole of a city in turmoil. There she finds a girl with horns, a boyfriend with secrets, and what seems to be a sea monster lurking in a poison lake. As the mystery circles closer to home, Mary finds herself caught in the fight between those who once had magic, and those who will do anything to bring it back. This dark and edgy YA series explores the reimagined origins of Maleficent, Ursula, Captain Hook, and other infamous Disney Villains like you've never seen before.

Sharp-eyed Marianne lives in a white tower made of steel and concrete with her father and the other Professors. Outside, where the land is thickly wooded and wild beasts roam, live the Barbarians, who raid and pillage in order to survive. Marianne is strictly forbidden to leave her civilized world but, fascinated by these savage outsiders, decides to escape. There, beyond the wire fences, she will discover a decaying paradise, encounter the tattooed Barbarian boy Jewel and go beyond the darkest limits of her imagination. Playful, sensuous, violent and gripping, *Heroes and Villains* is an ambiguous and deliriously rich blend of post-apocalyptic fiction, gothic fantasy, literary allusion and twisted romance.

- Effectively introduce your characters
- Build a believable protagonist
- Develop strong anti-heroes and compelling villains
- Juggle multiple points of view without missing a beat
- Craft authentic dialogue that propels the story forward
- Motivate your characters with powerful objectives and a believable conflict
- Show dynamic character development over the course of a story

No matter what your genre, *Creating Characters* gives you the tools necessary to create realistic, fascinating characters that your readers will root for and remember long after they've finished the story.

Character Reactions from Head to Toe Sourcebooks, Inc.

Compelling fiction starts with characters who have well-crafted layers that make them memorable, relatable, and fascinating. But trying to convey those layers often results in bulky descriptions that cause readers to skim. Occupations, though, can cover a lot of characterization ground, revealing personality traits, abilities, passions, and motivations. Dig deeper, and a career can hint at past trauma, fears, and even the character's efforts to run from—or make up for—the past. Select a job that packs a powerful punch. Inside *The Occupation Thesaurus*, you'll find:

- * Informative profiles on popular and unusual jobs to help you write them with authority
- * Believable conflict scenarios for each occupation, giving you unlimited possibilities for adding tension at the story and scene level
- * Advice for twisting the stereotypes often associated with these professions
- * Instruction on how to use jobs to characterize, support story structure, reinforce theme, and more
- * An in-depth study on how emotional wounds and basic human needs may influence a character's choice of occupation

A brainstorming tool to organize the various aspects of your character's personality so you can come up with the best careers for them Choose a profession for your character that brings more to the table than just a paycheck. With over 120 entries in a user-friendly format, *The Occupation Thesaurus* is an entire job fair for writers.
