B is for Burglar, from Sue Grafton's #1 New York Times bestselling Kinsey Millhone Alphabet mystery series Beverly Danziger looked like an expensive, carefully wrapped package from a good but conservative shop. Only

her compulsive chatter hinted at the nervousness beneath her cool surface. It was a nervousness out of all proportion to the problem she placed before Kinsey Millhone. There was an absent sister. A will to be settled--a matter of only a few thousand dollars. Mrs. Danziger did not look as if she needed a few thousand dollars. And she didn't seem like someone longing for a family reunion. Still, business was slow, and even a private investigator has bills to pay. Millhone took the job. It looked routine. Elaine Boldt's wrappings were a good deal flashier than her sister's, but they signaled the same thing: The lady had money. A rich widow in her early forties, she owned a condo in Boca Raton and another in Santa Teresa. According to the manager of the California building, she was last seen draped in her \$12,000 lynx coat heading for Boca Raton. According to the manager of the Florida building, she never got there. But someone else had and she was camping out illegally in Mrs. Boldt's apartment. The job was beginning to seem a bit less routine. It turned tricky when Beverly Danziger ordered Millhone to drop the case and it took on an ominous quality when Aubrey Danziger surfaced, making all kinds of wild accusations about his wife. But it only became sinister when Millhone learned that just days before Elaine Boldt went missing, her next-door neighbor and bridge partner had been murdered and the killer was still at large. A house destroyed by arson. A brutally murdered a woman. A missing lynx coat. An apartment burgled of valueless papers, another ransacked in a melée of mindless destruction. And more murder. As Millhone digs deeper into the case, she finds herself in a nightmarish hall of mirrors in which reality is distorted by illusion and nothing--except danger--is

quite what it seems. She's his best friend's little sister. He's the biggest player of them all. They shouldn't be together. But this summer's just too tempting. Sixteen-year-old Emilia Moretti's goal for the summer is simple: forget her brother's best friend—Nick Grawsky—ever existed. It should be easy: He's spending his summer in the Hamptons, adding girls in tiny bikinis to his list of broken hearts. Guarantee he won't be telling them they're like his little sisters. This summer, Emilia won't stay awake at night thinking about him. She'll need flawless ballet movements to have a shot at next year's showcase, and she's

finally ready to search for her birth parents. But when Nick decides to stay in the city, Emilia's resolve disappears in a pirouette. Maybe it's the spin they needed to be together. As long as she doesn't get stuck believing in happily ever after... Nick is tired of pretending to be the happy, let's-have-fun guy. His father wants him to change his career from professional dancer to...lawyer. He needs to put all of his focus on dancing to prove to Daddy Dearest he's good enough to make it big. And he may have a case of the bluest balls in history courtesy of Emilia. She's off-limits: The bro code with Roberto even forbids the dirty thoughts he has about her. Besides, he's not boyfriend material. He only has time for flings, for girls who don't expect much, for girls he doesn't want to kiss goodnight. He knows he should resist her, but he's not sure he wants to... At least for this summer. It's going to be a summer like no other.

Volume 2 McGraw Hill Professional

Vincenzo Malinconico is a wildly unsuccessful lawyer who spends most of his time at the office trying to look busy. His wife has left him. His teenage children worry him to death. And he suffers from a chronic inability to control his sentence structure. When he is asked

to fill in as the public defender for alleged Mafioso Mimmo lo Burzone, Malinconico seizes the opportunity to turn his life around. Without dwelling too long on what it might mean to be employed by the mob, he rushes to re-learn the Italian criminal code, all the while attempting to resist any further advances from his employers. Malinconico's life becomes a comical battle to finish what he has started without falling further into the clutches of the mafia. *I Hadn't Understood* is one of the subtlest and most cunning accounts of the mafia's influence on everyday life in recent decades. And it is certainly the most entertaining. Written with a neurotic's love of detail and wry humor, *I Hadn't Understood* is an engaging story of family, fatherhood, and the perils of navigating the Italian legal system.

A Time to Kill McGraw Hill Professional Join the bestselling author of *Ciao, America!* on a lively tour of modern Italy that takes you behind the seductive face it puts on for visitors—la bella figura—and highlights its maddening, paradoxical true self You won't need luggage for this hypothetical and hilarious trip into the hearts and minds of Beppe Severgnini's fellow Italians. In fact, Beppe would prefer if you left behind the baggage his crafty and elegant countrymen have smuggled into your subconscious. To get to his Italia, you'll need to forget about your idealized notions of Italy. Although *La Bella Figura* will take you to legendary cities and scenic regions, your real destinations are the places where Italians are at their best, worst, and most authentic: The highway: in America, a red light has only one possible interpretation—Stop! An Italian red light doesn't warn or order you as much as provide an invitation for

reflection. The airport: where Italians prove that one of their virtues (an appreciation for beauty) is really a vice. Who cares if the beautiful girls hawking cell phones in airport kiosks stick you with an outdated model? That's the price of gazing upon perfection. The small town: which demonstrates the Italian genius for pleasant living: "a congenial barber . . . a well-stocked newsstand . . . professionally made coffee and a proper pizza; bell towers we can recognize in the distance, and people with a kind word and a smile for everyone." The chaos of the roads, the anarchy of the office, the theatrical spirit of the hypermarkets, and garrulous train journeys; the sensory reassurance of a church and the importance of the beach; the solitude of the soccer stadium and the crowded Italian bedroom; the vertical fixations of the apartment building and the horizontal democracy of

the eat-in kitchen. As you venture to these and many other locations rooted in the Italian psyche, you realize that Beppe has become your Dante and shown you a country that "has too much style to be hell" but is "too disorderly to be heaven." Ten days, thirty places. From north to south. From food to politics. From saintliness to sexuality. This ironic, methodical, and sentimental examination will help you understand why Italy—as Beppe says—"can have you fuming and then purring in the space of a hundred meters or ten minutes."
