## **RICH DAD, POOR DAD**

Grand Central Publishing  
In Rich Dad Poor Dad, the #1 Personal Finance book of all time, Robert Kiyosaki shares the story of his two dad: his real father, whom he calls his poor dad,' and the father of his best friend, the man who became his mentor and his rich dad.' One man was well educated and an employee all his life, the other's education was street smarts" over traditional classroom

education and he took the path of entrepreneurship a road that led him to become one of the wealthiest men in Hawaii. Robert's poor dad struggled financially all his life, and these two dads these very different points of view of money, investing, and employment shaped Robert's thinking about money. Robert has challenged and changed the way tens of millions of people, around the world, think about money and investing and he has become a global advocate for financial education and the path to financial freedom. Rich Dad Poor Dad (and the Rich Dad series it spawned) has sold over 36 million copies

in English and translated editions around the world. Rich Dad Poor Dad will explode the myth that you need to earn a high income to become rich challenge the belief that your house is an asset show parents why they can't rely on the school system to teach their kids about money define, once and for all, an asset and a liability explain the difference between good debt and bad debt teach you to see the world of money from different perspectives discuss the shift in mindset that can put you on the road to financial freedom

### WHO STOLE MY PENSION?

Crown Business

President Donald J. Trump lays out his professional and personal worldview in this classic work—a firsthand account of the rise of America's foremost deal-maker. "I like thinking big. I always have. To me it's very simple: If you're going to be thinking anyway, you might as well think big."—Donald J. Trump Here is Trump in action—how he runs his organization and how he runs his life—as he meets the people he needs to meet, chats with family and friends, clashes with enemies, and challenges conventional thinking. But even a maverick plays by rules, and Trump has formulated time-tested guidelines for success. He isolates the common elements in his greatest accomplishments; he shatters myths; he names names, spells out the zeros, and fully reveals the deal-maker's art. And throughout, Trump talks—really talks—about how he does it. Trump: The Art of the Deal is an unguarded look at the mind of a brilliant entrepreneur—the ultimate read for anyone interested in the man behind the spotlight. Praise for Trump: The Art of the Deal "Trump makes one believe for a moment in the American dream again."—The New York Times "Donald Trump is a deal maker. He is a deal maker the way lions are carnivores and water is wet."—Chicago Tribune "Fascinating . . . wholly absorbing . . . conveys Trump's larger-than-life demeanor so vibrantly that the reader's attention is instantly and fully claimed."—Boston Herald "A chatty, generous, chutzpa-filled autobiography."—New York Post **Faith and Finances** HarperCollins Trump Strategies for Real Estate offers unbeatable insider advice for every serious real estate investor—beginners and old pros alike. For more than twenty-

five years, author George Ross has been one of Donald Trump's chief advisors and intimately involved with many of Trump's biggest real estate deals. Now, Ross teams up with bestselling real estate author Andrew McLean to present Trump's real estate investment strategies so that even small investors can invest like Trump. You'll learn how Trump identifies potential properties and how he finances, negotiates, and markets his big deals. Not everyone has Trump's money or name, but everyone, even you, can use his tactics and strategies to win big in real estate.

*Think Like a Champion* RDA Press, LLC Learn how the United States can stop and reverse its relative economic decline in this fascinating analysis of American Money, Credit and Capital In *The Money Revolution: How to Finance the Next American Century*, economist and bestselling author Richard Duncan lays out a farsighted strategy to maximize the United States unmatched financial and technological potential. In compelling fashion, the author shows that the United States can and should invest in the industries and technologies of the future on an unprecedented scale in order to ignite a new technological revolution that would cement the country's geopolitical preeminence, greatly enhance human wellbeing, and create unimaginable wealth. In this book, you will find: An important new history of the Federal Reserve that details the transformation of the country's central bank from the passive lender of last resort created by its founders in 1913 into the world's most powerful economic institution today. A fascinating discussion of the evolution of money and monetary policy in the United States over the past century. An examination of the role that credit has played in generating economic growth, especially since Dollars ceased to be backed by Gold five decades ago. A detailed description of the country's capital structure and its dangerous deficiencies. An urgent call-to-action for the United States to begin a multi-trillion-dollar investment program targeting industries of the future. *The Money Revolution: How to Finance the Next American Century* is a page-turning read ideal for anyone interested in the future of the United States. Its gripping thesis offers anyone with a personal or professional interest in America's economy, financial system, or geopolitical position in the world an engrossing intellectual journey. *Make America Great Again!* Gramedia Pustaka Utama

It's estimated that there are over 50

million pensioners—in the United States alone. Like the United States, the United Kingdom, Japan, Italy, Germany and many other countries around the world are all in big trouble when it comes to the solvency of their pension funds. *Who Stole My Pension?* was written to give them guidance, resources, and tools so they can take action... and stop the looting. We are in the early stages of the greatest retirement crisis in the history of our nation and, indeed, the entire world. According to the World Health Organization, nearly two billion people around the world are expected to be over age 60 by 2050, a figure that's more than triple what it was in 2000. For better or for worse, never before have there been more elderly people living on planet Earth. One thing is certain: Doing nothing--sitting back, confident your pension check is "in the mail"--is not an option. That's a risk you can't afford to take. According to Edward Siedle, a former attorney with the United States Securities and Exchange Commission and America's leading expert in pension looting, "In the decades to come, we will witness hundreds of millions of elders worldwide, including America's Baby Boomers, slipping into poverty. Too frail to work, too poor to retire will become the "new normal" for many of the aged." Kiyosaki, who like Siedle saw this crisis looming years ago, complements the facts and stats Siedle puts forth with strategies on how retirees can take control--not only their pensions, but their financial futures. Kiyosaki writes about the fact that his father, a highly educated man he calls his poor dad, wasn't poor until he lost his job, his paycheck--and his pension. "His PHD couldn't save him," says Kiyosaki, who has dedicated his life to teaching and financial literacy advocacy. In *Who Stole My Pension?* the authors focus on the most misunderstood and ignored cause of the pension crisis: mismanagement of pensions and investments. The culprits that are looting the pensions of public school teachers, firefighters, police, as well as private sector workers, are on Wall Street. The Wall Street casinos charging high fees for gambling in risky hedge funds and other speculative investments, outrageous investment-industry conflicts of interest, and outright violations of the law. *Who Stole My Pension?* is an in-depth assessment of the pension crisis that the world is facing today and what millions around the world--employees who expected to have pension income at retirement--can do about it. The authors recount a history of pension failures, inexperienced boards, gambling, looting and other horror stories--with a focus on

action steps workers and retirees can take to quickly determine if a pension is being mismanaged as well as the concrete steps they can take to end decades of pension mismanagement. They detail critical questions retirees can ask--and guidance regarding how to act on what they learn. **Success in 50 Steps** Creators Publishing From the #1 bestselling author of "Rich Dad, Poor Dad" comes the ultimate guide to real estate--the advice and techniques every investor needs to navigate through the ups, downs, and in-betweens of the market.

**Day Trading 101** Perseus Books Group A comprehensive guide to day trading, with prescriptive information and actionable advice to help you achieve financial success. **Why the Biggest Stock Market Crash in History Is Still Coming...and How You Can Prepare Yourself and Profit from It!** Business Plus

How to Keep the Dream Alive! Network marketing is one of the fastest-growing career opportunities in the United States. Millions of people just like you have abandoned dead-end jobs for the chance to achieve the dream of growing their own businesses. What many of them find, however, is that the first year in network marketing is often the most challenging—and, for some, the most discouraging. Here, Mark Yarnell and Rene Reid Yarnell, two of the industry's most respected and successful professionals, offer you strategies on how to overcome those first-year obstacles and position yourself for lifelong success. The Yarnells provide you with a wealth of savvy advice on everything you need to know to succeed in network marketing, such as proven systems for recruiting, training, growing and supporting your downline, and much more. In an easy, step-by-step approach, you will learn how to:

- Deal with rejection
- Recruit and train
- Avoid overmanaging your downline
- Remain focused
- Stay enthusiastic
- Avoid unrealistic expectations
- Conduct those in-home meetings
- Ease out of another profession

You owe it to yourself to read this inspiring book! "This will be the Bible of Network Marketing." — Doug Wead, former special assistant to the president, the Bush Administration

**The Money Revolution** John Wiley & Sons

For years, Robert Kiyosaki has firmly believed that the best investment one can ever make is in taking the time to truly understand how one's finances work. Too many people are much more interested in the quick-hitting scheme, or trying to find a short-cut to real wealth. As Kiyosaki has preached over and over again, one has to truly understand the process of how money works before one can start out on trying to escape the daily financial Rat Race. Now, in this latest book in the popular Rich Dad Poor Dad series, Kiyosaki lays out his 5 key principles of Financial Intelligence for all to understand. In **INCREASE YOUR FINANCIAL IQ**, Kiyosaki provides real insights on these key steps to wealth:

- o How to increase your money -- how to assess what you're really worth now, what your prospects are, and how to start mapping out your financial future.
- o How to protect your money -- for better or for worse, taxes are a way of life. Kiyosaki shows you that "it's not what you make....it's what you keep."
- o How to budget your money -- everybody wants to live large, but you have to learn how to live within your budget. Kiyosaki shows you how you can.
- o How to leverage your money -- as you build your financial IQ, knowing how to put your money to work for you is a crucial step.
- o How to improve your financial information -- Kiyosaki shows you how to accelerate your wealth as you learn more and more.

**Overcome Your Fears, Experience Success, and Achieve Your Dreams!** RDA Press, LLC Faith and Finances is a timely and much needed exposition on the subject of money.

**Why We Want You to Be Rich** ReadHowYouWant.com

The Loopholes of Real Estate reveals the tax and legal strategies used by the rich for generations to acquire and benefit from real estate investments. Clearly written, The Loopholes of Real Estate shows you how to open tax loopholes for your benefit and close legal loopholes for your protection.

**Think Like a Billionaire** Perseus Books Group

First he made five billion dollars. Then he

made The Apprentice. Now The Donald shows you how to make a fortune, Trump style. **HOW TO GET RICH** Real estate titan, bestselling author, and TV impresario Donald J. Trump reveals the secrets of his success in this candid and unprecedented book of business wisdom and advice. Over the years, everyone has urged Trump to write on this subject, but it wasn't until NBC and executive producer Mark Burnett asked him to star in The Apprentice that he realized just how hungry people are to learn how great personal wealth is created and first-class businesses are run.

Thousands applied to be Trump's apprentice, and millions have been watching the program, making it the highest rated debut of the season. In **Trump: How To Get Rich**, Trump tells all--about the lessons learned from The Apprentice, his real estate empire, his position as head of the 20,000-member Trump Organization, and his most important role, as a father who has successfully taught his children the value of money and hard work. With his characteristic brass and smarts, Trump offers insights on how to

- invest wisely
- impress the boss and get a raise
- manage a business efficiently
- hire, motivate, and fire employees
- negotiate anything
- maintain the quality of your brand
- think big and live large

Plus, The Donald tells all on the art of the hair! With his luxury buildings, award-winning golf courses, high-stakes casinos, and glamorous beauty pageants, Donald J. Trump is one of a kind in American business. Every day, he lives the American dream. Now he shows you how it's done, in this rollicking, inspirational, and illuminating behind-the-scenes story of invaluable lessons and rich rewards.

*From Understanding Risk Management and Creating Trade Plans to Recognizing Market Patterns and Using Automated Software, an Essential Primer in Modern Day Trading* Vanguard Press

The host of the hit reality show The Apprentice presents an invaluable collection of grounded, hard-hitting advice on business success, from people who have made it to the boss's chair at some of America's most thriving companies. How can you find the way to the top? Ask people who are already there. Because you can't know it all. No matter how smart you are, no matter how comprehensive your education, no matter how wide-ranging your business experience, there's simply no way to acquire all the wisdom you need to make your business flourish. You need to learn from those who have blazed a trail before you. Donald Trump has asked many of the brightest, most

successful businesspeople he knows—and some he doesn't know—to answer this question: What's the best business advice you ever received? The result is a compelling resource of wisdom and wit that reveals how some of the most accomplished people conduct their personal and business affairs, giving an inside look into the secrets of corporate success. But the advice doesn't only come from the upper echelons of the Fortune 500. Thoughts poured in from executives at thriving companies large and small, ranging from well-known icons such as Staples, American Airlines, Lillian Vernon, and Boeing to family-run operations like Orleans Homebuilders and Carlson Companies. *The Way to the Top* brings together the core ideas that have guided more than 150 of today's top businesspeople, offering a range of inspiring and practical advice on making good decisions, conducting yourself appropriately, developing your career, communicating with others, leading a team effectively, and much more. Some of the entries are simple entreaties, some portray intriguing vignettes, and others outline lists of guiding principles; all are illuminating, instructive, and insightful. A telling to-do list for the aspiring professional, *The Way to the Top* belongs on every business bookshelf.

[The Rise and Election of Donald Trump](#)  
RDA Press, LLC

*Buying and Selling a Business* reveals key strategies used to sell and acquire business investments. Garrett Sutton, Esq. is a best selling author of numerous law for the layman books, and he guides the reader clearly through all of the obstacles to be faced before completing a winning transaction. "Buying and Selling a Business" uses real life stories to illustrate how to prepare your business for sale, analyze acquisition candidates and assemble the right team of experts. The book also clearly identifies how to understand the tax issues of a business sale, how to use confidentiality agreements to your benefit and how to

negotiate your way to a positive result. Robert Kiyosaki, the best selling author of *Rich Dad/Poor Dad* has this to say about *Buying and Selling a Business*, "Garrett Sutton's information is priceless for anyone who wants to increase his or her knowledge of the often secret world of the rich, what the rich invest in, and some of the reasons why the rich get richer." *Buying and Selling a Business* is a timely business book for our times.

*The Faith of Donald J. Trump* Lulu Press, Inc

*How to Finance the Next American Century* John Wiley & Sons

In *Never Give Up*, Donald Trump tells the dramatic stories of his biggest challenges, lowest moments, and worst mistakes—and how he uses tenacity and creativity to turn defeat into victory. Each chapter includes an inspiring story from Trump's career and concludes with expert commentary and coaching from adversity researcher and author Paul Stoltz. Inspirational and intelligent, *Never Give Up* will help you deal with your own personal challenges, failures, and weaknesses.

*How to Get Rich* Peter Pauper Press, Inc.

It's Robert Kiyosaki's position that "It is our educational system that causes the gap between the rich and everyone else." He laid the foundation for many of his messages in the international best-seller *Rich Dad Poor Dad* -- the #1 Personal Finance book of all time -- and in *Why the Rich Are Getting Richer*, he makes his case... In this book, the reader will learn why the gap between the rich and everyone else grows wider. In this book, the reader will get an explanation of why savers are losers. In this book, the reader will find out why debt and taxes make the rich richer. In this book, the reader will learn why traditional education actually causes many highly educated people, such as Robert's poor dad, to live poorly. In this book, the reader will find out why going to school, working hard, saving money, buying a house, getting out of debt, and investing for the long term in the stock market is the worst financial advice for most people. In this book, the reader will learn the answers Robert found on his life-long search, after repeatedly asking the question, "When will we learn about money?" In this book, the reader will find out why real financial education may never be taught in schools. In this book, the reader will find out "What financially education is... really."

*More Important Than Money* Random House

Over the years, President Donald Trump has written many bestselling books, but he has also written shorter essays that encompass his philosophy about how to live life to the fullest, both personally and professionally. In these pieces, which have been personally selected by Trump for this book, he gives his special perspective in what amounts to an "informal education" about success in business and in life. With a foreword by Rich Dad, Poor Dad, author Robert Kiyosaki, Trump's business acumen is on full display in such essays as: \*Keep the Big Picture in Mind \*Essays, Assets, and Stephen King \*Imagination: A Key to Financial Savvy \*Financial Literacy \*Think Like a Genius \*How to Get Rich
