*Riddle Me a Death* Hay House, Inc

Karan Johar is synonymous with success, panache, quick wit, and outspokenness, which sometimes inadvertently creates controversy and makes headlines. KJo, as he is popularly called, has been a much-loved Bollywood film director, producer, actor, and discoverer of new talent. With his flagship Dharma Production, he has constantly challenged the norms, written and rewritten rules, and set trends. But who is the man behind the icon that we all know? Baring all for the first time in his autobiography, *An Unsuitable Boy*, KJo reminisces about his childhood, the influence of his Sindhi mother and Punjabi father, obsession with Bollywood, foray into films, friendships with Aditya Chopra, SRK and Kajol, his love life, the AIB Roast, and much more. In his trademark frank style, he talks about the ever-changing face of Indian cinema, challenges and learnings, as well as friendships and rivalries in the industry. Honest, heart-warming and insightful, *An Unsuitable Boy* is both the story of the life of an exceptional film-maker at the peak of his powers and of an equally extraordinary human being who shows you how to survive and succeed in life.

Murder in a Small New England Town. Someone is killing the good citizens of Glastonbury. A teacher. A mother of two small children. An elderly man. There is no connection between them, no obvious motive for their deaths. Then the killer sends messages to the police, but their meaning is a riddle. Police Agent Peter Murphy thinks the messages are intended for him, but he doesn't know why. But the killer does, and if Murphy can't solve the riddle soon, the bodies will pile up. One of them might be Murphy. So begins the game of cat and mouse, but it is not a game for the faint of heart. To the cleverest goes victory, and to the loser, death.

*India, the Grand Experiment* John Wiley & Sons Literary Nonfiction. Autobiography. Asian & Asian American Studies. Graphic Novel. Translated from the Japanese by Kumar

Sivasubramanian. In 2004, having never before left Japan, 56-year-old manga author Yukichi Yamamatsu travelled to India, armed with little money, less English, no sigmoid colon, and absolutely no idea of what to expect. He did, however, bring with him his formidable art skills, a missionary zeal for spreading Japanese comics culture, and a keen pair of eyes—through which we are treated to a hilarious, brutally honest look at India as it presents itself to the foreign visitor. This is the true story of Yukichi's adventures—playing marbles, searching for bathrooms, betting on horses, visiting a brothel—and his madcap mission to sell Hindi translations of samurai manga on the mean streets of the nation's capital.

### THE SECRET

S. Chand Publishing

Opening in July 1914, as Mohandas Gandhi leaves South Africa to return to India, *Gandhi: The Years That Changed the World, 1914-1918* traces the Mahatma's life over the three decades preceding his assassination. Drawing on new archival materials, acclaimed historian Ramachandra Guha follows Gandhi's struggle to deliver India from British rule, to forge harmonious relations between India's Hindus and Muslims, to end the pernicious practice of untouchability, and to nurture India's economic and moral self-reliance. He shows how in each of these campaigns, Gandhi adapted methods of nonviolence that successfully challenged British authority and would influence revolutionary movements throughout the world. A revelatory look at the complexity of Gandhi's thinking and motives, the book is a luminous portrait of not only the man himself, but also those closest to him—family, friends, and political and social leaders.

### GANDHI: THE YEARS THAT CHANGED THE WORLD, 1914-1948

Oxford University Press

Tavleen Singh's acclaimed and bestselling memoir begins in the summer of 1975 when, not yet twenty-five, she started working as a junior reporter in the Statesman in New Delhi. Within five weeks, Prime Minister Indira Gandhi declared the Emergency, and soon reckless policies said to be authored by her younger son were unleashed on India's citizens. In 1984, following Indira Gandhi's assassination, Rajiv Gandhi became Prime Minister, fortified by a huge mandate from a nation desperate for change. But, belying its hopes, the young leader chose for himself a group of advisors, friends and acolytes just as unaware as him of the ground realities of a complex nation. It was the beginning of a political culture of favouritism and ineptitude that would take hold at the highest levels of government, stunting India's ambitions and frustrating its people for years to come. A sharp account of these turbulent years, Durbar describes the Nehruvian era of Singh's childhood, the Emergency of her youth and the political shifts that followed, bringing with them insurgencies, massacres, and crises internal and external. This remarkable memoir, vivid with the colour of election campaigns and society dinners, low conspiracies and high corruption, reminds us of this truth: that if

India is to achieve a better future, the past cannot be ignored or forgotten.

[CBSE New Pattern Accountancy Class 11 for 2021-22 Exam \(MCQs based book for Term 1\)](#) Vintage

An authentic, heartfelt and compelling narrative – straight from the horse’s mouth – that reveals for the first time numerous unknown aspects of the life and times of one of the greatest legends of all time who stands out as a symbol of secular India. Dilip Kumar (born as Yousuf Khan), who began as a diffident novice in Hindi cinema in the early 1940s, went on to attain the pinnacle of stardom within a short time. He came up with spellbinding performances in one hit film after another – in his almost six-decade-long career – on the basis of his innovative capability, determination, hard work and never-say-die attitude. In this unique volume, Dilip Kumar traces his journey right from his birth to the present. In the process, he candidly recounts his interactions and relationships with a wide variety of people not only from his family and the film fraternity but also from other walks of life, including politicians. While seeking to set the record straight, as he feels that a lot of what has been written about him so far is ‘full of distortions and misinformation’, he narrates, in graphic detail, how he got married to Saira Banu, which reads like a fairy tale! Dilip Kumar relates, matter-of-factly, the event that changed his life: his meeting with Devika Rani, the boss of Bombay Talkies, when she offered him an acting job. His first film was *Jwar Bhata* (1944). He details how he had to learn everything from scratch and how he had to develop his own distinct histrionics and style, which would set him apart from his contemporaries. After that, he soon soared to great heights with movies such as *Jugnu*, *Shaheed*, *Mela*, *Andaz*, *Deedar*, *Daag* and *Devdas*. In these movies he played the tragedian with such intensity that his psyche was adversely affected. He consulted a British psychiatrist, who advised him to switch over to comedy. The result was spectacular performances in laugh riots such as *Azaad* and *Kohinoor*, apart from a scintillating portrayal as a gritty tonga driver in *Naya Daur*. After a five-year break he started his ‘second innings’ with *Kranti* (1981), after which he appeared in a series of hits such as *Vidhaata*, *Shakti*, *Mashaal*, *Karma*, *Saudagar* and *Qila*.

### **KING OF BOLLYWOOD**

Routledge

'Just as heat is inherent in fire, so is our desire to become better.' Why are personal growth and life transformation so difficult? Does Creation wish that we fail? Of course not! The purpose behind the Universe's grand design is to make us succeed. Our own

unawareness of the laws of the Universe creates the impediment. Just as physical phenomena are regulated by laws, there are spiritual principles governing the journey of life as well.

Knowledge of them helps us understand why success comes so easily to some but remains a struggle for others; why some are still putting on their shoes, while others have finished the race. The beauty is that, like the physical laws of nature, the divine principles governing happiness and fulfilment in life are also eternally valid. In this book, Swami Mukundananda explains the 7 divine laws in an easily graspable manner. With knowledge of the Vedic scriptures and witty anecdotes that everyone can relate to, this book will empower you to become the best version of yourself.

**Unsuitable Boy** Harper Collins

For 7 to 9-year-old boys and girls. Stealing or theft is taking something without permission or payment. Help your child realise stealing is not an acceptable thing to do. Max Turner, Ant Turner’s younger sister, decides she wants to be more like her older brother and do boy things. She starts by painting her pink girly bike green, but then thinks what it really needs are go-faster stickers. As she has no money, she steals them from a shop. Billy Field finds out and sets out to help her undo her misdoings. Does Max get caught? Will she own up to her what she’s done? Will she understand the consequences of stealing? *Billy Helps Max* is the fifth title in the *Billy Growing Up* series. Each book addresses a unique topic—bullying, arrogant pride, jealousy, lying, stealing, lack of self-belief, understanding money, and secrets. Written to help parents, guardians and teachers deal with the issues that challenge pre-teen children; each topic is presented in a gentle way through storytelling. Setting the issues in a meaningful context helps children to understand the challenges, and to see things from a different perspective. The books act as icebreakers allowing for discussions of difficult subjects. Additionally, each title is supported by a free activity book to reinforce the learning, while having fun. Buying this book today will aid your child in working out right from wrong, and honesty from dishonesty.

*India: The Ancient Past* provides a clear and systematic introduction to the cultural, political, economic, social and geographical history of ancient India from the time of the pre-Harappan culture nine thousand years ago up until the beginning of the second millennium of the Common Era. The book engages with methodological and controversial issues by examining key themes such as the Indus-Sarasvati civilization, the Aryan controversy, the development of Vedic and heterodox religions, and the political economy and social life of ancient Indian kingdoms. This fully revised and updated second edition includes: Three new chapters examining the differences and commonalities between the north and south of India; Extended discussion on contested issues, such as the origins of the Aryans and the role of

feudalism in ancient India; New source excerpts to introduce students to the most significant works in the historiography of India, and questions for discussion; Study guides, including a list of key issues, suggested readings and a selection of internet sources for each chapter; Specially designed maps to illustrate different time periods and geographical regions This richly illustrated guide provides a fascinating account of the early development of Indian culture and civilization that will appeal to all students of Indian history.

Here is the astonishing true story of Bollywood, a sweeping portrait about a country finding its identity, a movie industry that changed the face of India, and one man's struggle to become a star. Shah Rukh Khan's larger than life tale takes us through the colorful and idiosyncratic Bollywood movie industry, where fantastic dreams and outrageous obsessions share the spotlight with extortion, murder, and corruption. Shah Rukh Khan broke into this \$1.5 billion business despite the fact that it has always been controlled by a handful of legendary film families and sometimes funded by black market money. As a Muslim in a Hindu majority nation, exulting in classic Indian cultural values, Shah Rukh Khan has come to embody the aspirations and contradictions of a complicated culture tumbling headlong into American style capitalism. His story is the mirror to view the greater Indian story and the underbelly of the culture of Bollywood. "A bounty for cinema lovers everywhere." --Mira Nair, Director, *The Namesake* and *Monsoon Wedding* "King of Bollywood is the all-singing, all-dancing back stage pass to Bollywood. Anupama Chopra chronicles the political and cultural story of India with finesse and insight, through fly-on-wall access to one of its biggest, most charming and charismatic stars." --Gurinder Chadha, director of *Bend it Like Beckham* "The "Easy Rider Raging Bull" of the Bollywood industry and essential reading for any Shah Rukh Khan fan." --Emma Thompson, actress "Anu Chopra infuses the pivotal moments of Shah Rukh Khan's life with an edge-of-your-seat tension worthy of the best Bollywood blockbusters." --Kirkus

*A Text Book of Botany* Hachette UK

For nearly thirty years from 1940, the Gemini Studios of Madras was the most influential film-producing organization of India and its founder, the brilliant multi-faceted entrepreneur S. S. Vasan lent substance and quality to the rather fragile and unpredictable movie business. Sahitya Akademi award-winning Tamil writer Ashokamitran worked for the Gemini Studios from 1952 to 1966. A full twenty years after Ashokamitran renounced films, poet-editor Pritish Nandy persuaded him to record his reminiscences and the result was a series of articles making up *My Years with Boss*.
