MORRIS SARAI

Labor Relations: Striking a Balance - John Budd - Google Books Labor Relations Striking A Balance The labor relations system is in flux. Designing new policies, practices, and strategies that are effective hinges on a deep understanding of the employment relationship and the past, present, and future of labor relations. Labor Relations: Striking a Balance: John Budd ... This textbook presents labor relations as a system for striking a balance between the employment relationship goals of efficiency, equity, and voice, and between the rights of labor and management. It is important to examine these goals to discover what motivates contemporary U.S. labor relations processes, and to

evaluate whether these processes remain effective in the 21st century. Labor Relations: Striking a Balance - University of Minnesota- Presents labor relations as a system for balancing employment relationship goals (efficiency, equity, and voice) and the rights of labor and management. - By weaving these themes alongside the importance of alternative perspectives, students can learn how the traditional labor relations processes work, why these processes exist and how to evaluate if they are working. Labor Relations: Striking a Balance Budd's well-received and award-winning presentation shows labor relations as a system for striking a balance between employment relationship goals (efficiency, equity, and voice) and between the rights of labor and management. Labor Relations moves beyond a process-based focus in studying this topic by placing... Labor Relations: Striking a Balance by John W.
