BORN IN FIRE

St. Martin's Press

The #1 New York Times bestselling author of *Year One* and *Of Blood and Bone* concludes her stunning new trilogy praised as “A match for end-of-the-world classics like Stephen King’s *The Stand*.” After the sickness known as the Doom destroyed civilization, magick has become commonplace, and Fallon Swift has spent her young years learning its ways. Fallon cannot live in peace until she frees those who have been preyed upon by the government or the fanatical Purity Warriors, endlessly hunted or locked up in laboratories, brutalized for years on end. She is determined to save even those who have been complicit with this evil out of fear or weakness—if, indeed, they can be saved. Strengthened by the bond she shares with her fellow warrior, Duncan, Fallon has already succeeded in rescuing countless shifters and elves and ordinary humans. Now she must help them heal—and rediscover the light and faith within themselves. For although from the time of her birth, she has been The One, she is still only one. And as she faces down an old nemesis, sets her sights on the enemy’s stronghold, and pursues her destiny—to finally restore the mystical shield that once protected them all—she will need an army behind her...

Megan's Mate Harvest House Publishers

In her stunning 200th novel, #1 New York Times bestselling author Nora Roberts proves why no one is better “when it comes to flawlessly fusing high-stakes suspense with red-hot romance” (Booklist, starred review). Daughter of a cold, controlling mother and an anonymous donor, studious, obedient Elizabeth Fitch finally let loose one night, drinking too much at a nightclub and allowing a strange man’s seductive Russian accent to lure her to a house on Lake Shore Drive. Twelve years later, the woman now known as Abigail Lowery lives alone on the outskirts of a small town in the Ozarks. A freelance security systems designer, her own protection is supplemented by a fierce dog and an assortment of firearms. She keeps to herself, saying little, revealing nothing. Unfortunately, that seems to be the quickest way to get attention in a tiny southern town. The mystery of Abigail Lowery and her sharp mind, secretive nature and

unromantic viewpoint intrigues local police chief Brooks Gleason, on both a personal and professional level. And while he suspects that Abigail needs protection from something, Gleason is accustomed to two-bit troublemakers, not the powerful and dangerous men who are about to have him in their sights. And Abigail Lowery, who has built a life based on security and self-control, is at risk of losing both.

Shelter in Place Penguin

A new epic of love and war among gods and humans, from Nora Roberts—the #1 New York Times bestselling author of *The Awakening*. The world of magick and the world of man have long been estranged from one another. But some can walk between the two—including Breen Siobhan Kelly. She has just returned to Talamh, with her friend, Marco, who’s dazzled and disoriented by this realm—a place filled with dragons and faeries and mermaids (but no WiFi, to his chagrin). In Talamh, Breen is not the ordinary young schoolteacher he knew her as. Here she is learning to embrace the powers of her true identity. Marco is welcomed kindly by her people—and by Keegan, leader of the Fey. Keegan has trained Breen as a warrior, and his yearning for her has grown along with his admiration of her strength and skills. But one member of Breen’s bloodline is not there to embrace her. Her grandfather, the outcast god Odran, plots to destroy Talamh—and now all must unite to defeat his dark forces. There will be losses and sorrows, betrayal and bloodshed. But through it, Breen Siobhan Kelly will take the next step on the journey to becoming all that she was born to be.

THE BECOMING

Large Print Press

The conclusion of the epic trilogy from the #1 New York Times bestselling author of *The Awakening* and *The Becoming*. Talamh is a land of green hills, high mountains, deep forests, and seas, where magicks thrive. But portals allow for passage in and out—and ultimately, each must choose their place, and choose between good and evil, war and peace, life and death... Breen Siobhan Kelly grew up in the world of Man and was once unaware of her true nature. Now she is in Talamh, trying to heal after a terrible battle and heartbreaking losses. Her grandfather, the dark god Odran, has been defeated in his attempt to rule over Talamh, and over Breen—for now. With the enemy cast out and the portal sealed, this is a time to rest and to prepare. Breen spreads her wings and realizes a power she’s never experienced before. It’s also a time for celebrations—of her first Christmas in both Talamh and Ireland, of solstice and weddings and births—and daring to find joy again in the wake of sorrow. She rededicates herself to writing her stories, and when his duties as taoiseach permit, she

is together with Keegan, who has trained her as a warrior and whom she has grown to love. It's Keegan who's at her side when the enemy's witches, traitorous and power-mad, appear to her in her sleep, practicing black magick, sacrificing the innocent, and plotting a brutal destruction for Breen. And soon, united with him and with all of Talamh, she will seek out those in desperate need of rescue, and confront the darkness with every weapon she has: her sword, her magicks—and her courage...
