### **12 Principles of Soulful Success**

Hachette Books

Johnwick Nathan is a rising American entrepreneur who at the age of 27 has transformed a passion for serving others into a multimillion-dollar enterprise. What is most amazing about his meteoric success is that its Primary Principle is love. Johnwick's belief—as proven by his own experience—is that maintaining a mindset of servanthood, putting the benefit of others first, is not only a highly efficient approach to your personal life but also to your business. How has he done it? In contemplating his own success, Johnwick here identifies the principles that drive him each and every day. These are not steps—a sequence of actions that an

author claims will lead to a pie-in-the-sky outcome. These are principles, and if practiced wholeheartedly, they can transform your life and the lives of the people you serve.

CRC Press

"Success is defined by a continuing desire to be the person God called you to be and to achieve those goals that God helps you to set," says Charles Stanley. In *Success God's Way*, Stanley teaches God's principles for success, including ten steps to help you reach God's goals in your life, and what to do about the seven success blockers that entangle believers. "Dr. Stanley has defined success in a timeless manner?knowing and doing the will of God. When a person knows Christ personally and consistently obeys the principles of Scripture, he is prepared for success God's way." ?Franklin Graham,

Chairman and CEO, Samaritan's Purse; CEO, Billy Graham evangelistic Association "In a society that increasingly judges the success of individuals by the clothes they wear, the car they drive, the club they belong to, or the career they choose, the church desperately needs to reaffirm biblical standards. Once again, Dr. Stanley has brought clear focus to a timely issue. *Success God's Way* challenges readers to reexamine whether or not they are sacrificing genuine, lasting success on the altar of a worldly, temporary counterfeit and therefore settling for a lot less than what God wants to give them." ?Anne Graham Lotz, International Bible Teacher and Bestselling Author "In an age when our thinking is skewed, our zeal is waning, and our desire for excellence is deadened by apathetic self-centeredness, this book presents many biblical insights that challenge us to hear God's Word to Joshua

to meditate on God's Word and be strong and courageous so we can have success." ?Kay Arthur, Precept Ministries International

*The 21 Ways for Achieving Results, Prosperity, and Fulfillment by Changing Your Leadership Mindset* Thomas Nelson

Here is a book for every young person who seeks true success and lasting happiness. In it, Fr. Edward Garesche explains how to find the success that transcends money, fame, and pleasure. He shows how believers can accept criticism gracefully and use it prudently, how to discipline the imagination, the critical difference between pleasure and happiness, and more.

*The Art of Significance* Createspace Independent Publishing Platform

The New York Times bestseller that will help you get off the "escalator" and tackle the work that leads to real success How do successful people achieve results? In short, they do it the old-fashioned way, with focus and self-discipline. Popular speaker and strategist Rory Vaden presents a simple program for "taking the stairs"—that is, resisting the temptations of "quick fixes," eliminating distractions, and transcending personal setbacks in order to reach your goals. Whatever your vision of success is, this proven program will help you get there—one stair at a time.

*Achieving Success at Work & in Life, One Conversation at a Time* Penguin

On his quest to find the key elements behind success in modern world, author spent 14 years studying and examining diverse success strategies. After going through several phases of success & failure and examining the reason behind it, he found some ideas and concepts to be non-negotiable. They played a very significant role in determining whether our efforts will bear fruit or not. Success Code is a collection of these marked pieces of information. This book will introduce you to a practical, reality-based program designed to shatter all hurdles and lead you towards your dream life. You are now holding a key to your better future! Some of the secrets to success you will learn inside: - How to make a fresh start right now? - How to preserve your focus and protect it against everyday distractions? - Learn how small shifts in your behavior can create BIG changes in your life? - How to develop a success mindset? The deciding factor behind success and failure. - Research proven: A secret ingredient which makes up 85% of the success in life. - How to create and define your vision (Step-by-step)? - A "step-by-step" process for figuring out solution of ANY problem

you come across. - How we create and strengthen our mental beliefs? - How your negative beliefs BLOCK you from success and what to do about it? - 3 powerful ways to find and eliminate your negative beliefs? - A step-by-step procedure to strengthen positive beliefs in your mind. - 4 step guide for creating extremely effective plans. - How to take an 'idea' or 'concept' and turn it into a real world application? - Why a BLUEPRINT PLAN gives you an edge over regular, everyday planning? - A step-by-step process to identify which information is useful and which to ignore. - What to do when you are over-burdened with work? - The best exercises to completely destroy the habit of procrastination? - How to think about 'mistakes'? - How to achieve your goals three times faster...? (An inspiring success story) - A step-by-step guide to start taking action even if you feel 'unprepared'. - My proven method for maintaining great mood and energy while working hard? - What to do when your work feels overwhelming? - How to NEVER let big projects and goals shake your confidence? - What to do when you are not in the mood to take action? - A simple, everyday exercise to build your willpower and discipline... - 7 part guide on how to take MASSIVE action and become unstoppable! - How to end your "excuse making" habit FOREVER? - 4 best techniques to BOOST your motivation levels through the roof! - 3 success rituals used by celebrities to increase their motivation. - How to not waste time & get distracted? - How to use your free time in the best possible manner. - How reading best success books can imprint "success" on your subconscious mind? - How to FULLY overcome your fear of failure & rejection? - How to become comfortable in situations that make you nervous? - An easy technique to reduce the intensity of fear overnight. - How to use Mental Practice - a technique proven by science - to perform at your best? - What makes top 1% achievers of the society different from rest of us? - 3 scientifically proven techniques to develop habit of persistence. - Learn secrets of the great achievers and how to be successful yourself. - How to direct your focus and energy like a laser beam and cut through obstacles blocking your success path? - Learn how to develop a success attitude and persist when confronted with failures & setbacks? - Find out how to turn around rejections & failures so that they HELP you reach your goal faster. - The single BIGGEST realization that will eliminate the whole idea of failure from your mind. And we have just scratched the surface. There's

much more inside the book! "If we encounter a man with rare intellect, we should ask him what books he reads" - Ralph Waldo Emerson

"Payal has beautifully defined success as to 'reach where you want from where you are.' She emphasizes rightful karma or focused execution to keep you on the right path so that you are always walking in a direction that takes you toward your goal." Dr. Arun Arora, CEO, EDVANCE "This book is full of practical tips on how to become a successful leader and the best part is Payal has narrated it wonderfully with appropriate fables and relevant case studies.... Her entrepreneurial attitude and impactful wisdom are commendable and evident in the IPL series." Swapna Hari, Director, Cognizant "This book by Payal Nanjiani will join the best of business literature for emphasizing attitude as our biggest asset." Swami Mukundananda of Jagadguru Kripaluji Yog (JKYog) Institute Gathering insights from 20 years of the author's executive coaching in the United States and abroad, this book presents 21 mindfulness strategies for business leaders, corporate heads, entrepreneurs, and professionals. During the author's coaching sessions for business and corporate leaders and her trainings at corporations, mid-sized businesses, small businesses, and start-up organizations, she discovered that there is a wide gap between those who achieve success and those who do not. This gap indicates that there is still something significant missing in the business world. Success Is Within fills this gap by encouraging business professionals to "mind the mind." Written in accessible, easy-to-digest language, and targeted towards busy US business professionals who long for thought-leadership to boost their success, the book argues that success depends on changing

one's mindset in key ways. Each chapter focuses on one way to transform one's mindset to achieve success. The union of these 21 ways provides a uniquely comprehensive program for leadership success in business and corporate careers. Drawing from a blend of Eastern and Western wisdom, the book blends true-life storytelling about the challenges of actual business professionals with insights drawn from traditional parables from classic "wisdom books" to inspire readers to think-through how to transform their mindsets. Ultimately, the book helps magnify one's inner power: the power of one's mind. The book calls on business professionals to unleash their "inner leader." When they recognize the power of their inner leader, they will become unstoppable.

#### Three Simple Steps Penguin

**UNLIMITED YOU** "Why creating money for money's sake or achieving success for the sake of success is the wrong approach of making life meaningful and successful on purpose." Unlimited You reveals the missing link between achieving success and achieving it with meaning and purpose. Learn how to draw up and revise your success blueprint and dramatically increase your chances of personal or financial success. Some True Success Principle from Unlimited You Don't blame others for your failures if you don't want to blame others for your success. Believing in yourself means believing in your dream and you know that you'll grow into the person who is capable of achieving it. When you have a giant "WHY," the right "HOW" will come. Create new thought habits. Choose to think thoughts of wealth and abundance, and thoughts of insufficiency and poverty will wither away. You are not who you were back then. Today, your results speak from a voice of experience and wisdom; and as you grow, your results will continue to grow too! Each mistake and failure you've experienced - and learned from - is a layer that must be shed in order to uncover the authentic you. Ask for what you want in terms of what you want, not what you wish to get away from. Give ALL of your thought energy to what you WANT. You can do truly great things to benefit others when you have wealth to share.

**My Story of Discovering What Really Works in Life and Business** Currency BUSINESS STRATEGY. "The 4 Disciplines of Execution" offers the what but also how effective execution is achieved. They share numerous examples of companies that have done just that, not once, but over and over again. This is a book that every leader should read! (Clayton

Christensen, Professor, Harvard Business School, and author of "The Innovator's Dilemma). " Do you remember the last major initiative you watched die in your organization? Did it go down with a loud crash? Or was it slowly and quietly suffocated by other competing priorities? By the time it finally disappeared, it's likely no one even noticed. What happened? The whirlwind of urgent activity required to keep things running day-to-day devoured all the time and energy you needed to invest in executing your strategy for tomorrow. "The 4 Disciplines of Execution" can change all that forever.

#### **Achieving Your Wildly Important Goals** Simon and Schuster

For generations, record companies have dominated the music industry. Artists were unable to get their material to the masses without label backing, meaning that the path to stardom inevitably involved artists having to sign exploitative record contracts. These "record deals" were profoundly one-sided, and usually imposed brutal, predatory terms on artists. Fortunately, times have changed and artists no longer need labels. It is a new music business, and it is time for a new kind of music business book. Break the Business is the musician's guide to achieving music industry success through embracing an independent, entrepreneurial, and artist-centered business model.

#### **Unlimited You** Center Street

The essential guide to standing up for your values at work. Protect your integrity by committing to The Conscience Code. A fast-track colleague elbowing their way up the corporate ladder in your organization is faking their sales reports. Your entrepreneur boss asks you to lie to would-be investors. The team leader is a serial sexual harasser. What should you do? Nobody prepared you for this part of professional life. You face a gut-wrenching choice: "go along to get along" or risk your job by speaking up for what you know is right. At the Wharton School of Business, MBA students have shared all these stories, and many more, with award-winning Professor G. Richard Shell. They want to stay true to themselves but fear the consequences of speaking up—for their families, office relationships and, ultimately, their careers. They are not alone. Surveys show that more than 40% of employees report seeing ethical misconduct at work, and most fail to report it—killing office morale and allowing the wrong people to set the example. Shell created The Conscience Code to point to a better path: recognize that these conflicts

are coming, learn to spot them, then follow a research-based, step-by-step approach for resolving them skillfully. By committing to the Code, you can replace regret with long-term career success as a leader of conscience. The Conscience Code: Solves a crucial problem faced by professionals everywhere: What should they do when they are asked to compromise their core values to achieve organizational goals? Teaches readers to recognize and overcome the five organizational forces that push people toward actions they later regret. Lays out a systematic, values-to-action process that people at all levels can follow to maintain their integrity while achieving true success in their lives and careers. Driven by dramatic, real-world examples from Shell's classroom, today's headlines, and classic cases of corporate wrongdoing, The Conscience Code shows how to create value-based workplaces where everyone can thrive.

#### *Secrets Of The Richest Man Who Ever Lived* CreateSpace

The tenth-anniversary edition of the book that changed lives in profound ways, now with a new foreword and afterword. In 2006, a groundbreaking feature-length film revealed the great mystery of the universe—The Secret—and, later that year, Rhonda Byrne followed with a book that became a worldwide bestseller. Fragments of a Great Secret have been found in the oral traditions, in literature, in religions and philosophies throughout the centuries. For the first time, all the pieces of The Secret come together in an incredible revelation that will be life-transforming for all who experience it. In this book, you'll learn how to use The Secret in every aspect of your life—money, health, relationships, happiness, and in every interaction you have in the world. You'll begin to understand the hidden, untapped power that's within you, and this revelation can bring joy to every aspect of your life. The Secret contains wisdom from modern-day teachers—men and women who have used it to achieve health, wealth, and happiness. By applying the knowledge of The Secret, they bring to light compelling stories of eradicating disease, acquiring massive wealth, overcoming obstacles, and achieving what many would regard as impossible.

#### *12 Principles of Soulful Success: Achieving True Success by Benefiting Others*

Johnwick Nathan

Rocket scientist, internet entrepreneur, and popular speaker Mary Spio presents practical advice for beating the odds, breaking the mold, and charting your own path to achieve true success Mary Spio

went from being a barefoot girl in Ghana to a rocket scientist with major patents with Boeing. Mary is also an internet entrepreneur who speaks throughout the world about how anyone with a dream and some tools can harness the digital world for success and prosperity. In *IT'S NOT ROCKET SCIENCE*, she presents advice and empowering stories that will inspire readers to move beyond their comfort zones into mastery and empowerment. *IT'S NOT ROCKET SCIENCE* reveals the habits and traits of people who defy convention, overcome limited thinking, and crush the odds to achieve breakthrough success--and shows readers how to strike their own uncommon path. It shares the secrets to cultivating curiosity, creativity, compassion, audacity, passion, obsessive focus and tenacity to attain their dreams and change the world. It's not Rocket Science is an inspiring and entertaining read for anyone who desires to be empowered with the mindset needed to propel their life to new heights. - Learn how some of the world's most successful people shatter boundaries. - Discover how your difference creates your relevance and your significance. - Uncover your inner spark and learn how to fuel your own flame. - Understand why a Defy-ing Moment is a defining moment. - Find your path to success -however you define it. [The Power for True Success](#) Penguin

WHY THIS BOOK? This is NOT a 'self-help' book, because nothing like that really exists. This book will make you aware (if you are not already) of the incredible inner power (called inner ability) that you already possess within you. It is intended to be a guide to activating the power of your inner ability, so as to start or help you continue on your journey towards true and lasting success--what you were really created for. This book is based on a ten-year study of how people have used and still use the three most important, foundational, universal, timeless and infallible principles for becoming truly successful. The 'Power of Inner Ability' is the outcome of this study. It outlines the three core principles for achieving true and lasting success. It also explains and gives examples of how you can apply these same three core principles of true success to any undesired circumstances in your life, and begin to see positive, significant changes. I call these principles of true success 'The ODD Principles'. These are the same principles used by any truly successful person you know or have ever heard of. These principles underscore every personal development book you will ever read, every self-improvement course

you will ever take and every seminar on personal improvement you will ever attend. When you understand how these core principles work, you will be able to apply them to any area of your life: finances, relationships, parenting and every other goal you set. True success is attainable if these core principles are obeyed. This book has been written in such a way that, the three core principles outlined within, if applied, will move you towards profound personal changes and will act as a driving force or a guide for achieving true and lasting success. The principles outlined in this book will work for you, regardless of the country in which you reside, your background, your race, the colour of your skin, your gender, your formal education or lack thereof, if you obey them. How many self-help books are written by authors whose biggest success is selling self-help books? Three Simple Steps is different. Despite stock market crashes, dot-com busts, and the specter of recession, the author started a virtual company from home, using a few thousand dollars of his savings. A few years later, without ever hiring an employee or leaving his home office, he sold it for more than \$100 million. As the economy slipped into another free fall, he did this again with a company in a different field. He accomplished this through no particular genius. Rather, he studied the habits of the many successful men and women who preceded him, and developed three simple rules that, if followed diligently, virtually ensure success. Using them first to escape poverty, then to achieve a life of adventures, he finally turned them toward financial independence. Written in a straightforward and no-nonsense style, Three Simple Steps shows you how to take back control of your destiny and reshape your mind for increased creativity, serenity and achievement. While building on the wisdom of great thinkers and accomplished individuals from East and

West, Three Simple Steps isn't a new age text or guide to esoteric fulfillment. Rather, it's a practical guide to real-life achievement by a pragmatic businessman who attributes his incredible successes to these very simple ideas. Three Simple Steps is a must-read guide for everyone who wants to achieve more, live better and be happier.

[Redefining Rich](#) TarcherPerigee

In 2007, pitcher Barry Zito signed a seven-year, \$126 million contract with the San Francisco Giants. At that time, it was the largest contract ever given to a pitcher. He was at the top of his game, in peak physical condition, and had the kind of financial security most people can only dream of. He was also miserable. And it began to show. Zito's career declined over the next few years until he hit rock bottom--watching from the bench as his team won the World Series in 2010. In the months that followed, Zito came face-to-face with the destructiveness of his own ego--his need to be viewed as the best. He also came face-to-face with God and with the truth that he was loved no matter what he achieved. In *Curveball*, Zito shares his story with honesty and transparency. The ups and the downs. The wins and losses. By sharing his experiences as a man who had everything except happiness, Zito offers readers a path through adversity and toward a life defined by true success.
