SIRI, WHO AM I?

Tor Books

#1 WORLDWIDE BESTSELLER • An intelligent, lightning-paced thriller set within the hidden chambers, tunnels, and temples of Washington, D.C., with surprises at every turn. • Don't miss the Peacock original series Dan Brown's The Lost Symbol! "Impossible to put down.... Another mind-blowing Robert Langdon story."

—The New York Times Famed Harvard symbologist Robert Langdon answers an unexpected summons to appear at the U.S. Capitol Building. His plans are interrupted when a disturbing object—artfully encoded with five symbols—is discovered in the building. Langdon recognizes in the find an ancient invitation into a lost world of esoteric, potentially dangerous wisdom. When his mentor Peter Solomon—a long-standing Mason and beloved philanthropist—is kidnapped, Langdon realizes that the only way to save Solomon is to accept the mystical invitation and plunge headlong into a clandestine world of Masonic secrets, hidden history, and one inconceivable truth ... all under the watchful eye of Dan Brown's most terrifying villain to date.

Whisper Down the Lane HarperCollins

Book of Souls picks up the action a year after the conclusion of the international sensation *Library of the Dead*. Will Piper's life has been forever changed by the astonishing secret he discovered hidden at the government's clandestine installation deep under the Nevada desert. His uneasy retirement from the FBI is interrupted when a long-missing book surfaces at an auction house in London. A group of ex-Area 51 employees recruits Will to assist them in obtaining the book and in helping them solve a mystery that will affect the fate of all mankind. As government operatives try to stop him, Will discovers the ancient missing volume has had a profound effect on history. Remarkably, a newly found puzzle sonnet by a young William Shakespeare seems to have been inspired by the book. As Will peels back the onion to solve a series of clues hidden in the poem, he finds the book has influenced not only Shakespeare but also the religious philosophy of John Calvin, the father of predestination, and the prophecies of the seer Nostradamus. When the final clue yields the ultimate secret, Will is forced to confront a truth which humanity may not be prepared to accept.

The Desolations of Devil's Acre Createspace Independent Publishing Platform

When Jacob Portman was a boy, his grandfather regaled him with stories of his fantastic life at Miss Peregrine's home during the Second World War, even sharing photos of the remarkable children with whom he resided. As Jacob grew up, though, he decided that these photos were obvious fakes, simple forgeries

designed to stir up his youthful imagination. Or were they...?

Following his grandfather's death - a scene Jacob literally couldn't believe with his own eyes - the sixteen-year-old boy embarks on a mission to disentangle fact from fiction in his grandfather's tall tales. But even his grandfather's elaborate yarns couldn't prepare Jacob for the eccentricities he will discover at Miss Peregrine's Home for Peculiar Children!

Brent Spiner's explosive and hilarious novel is a personal look at the slightly askew relationship between a celebrity and his fans. If the Coen Brothers were to make a *Star Trek* movie, involving the complexity of fan obsession and sci-fi, this noir comedy might just be the one. Set in 1991, just as *Star Trek: The Next Generation* has rocketed the cast to global fame, the young and impressionable actor Brent Spiner receives a mysterious package and a series of disturbing letters, that take him on a terrifying and bizarre journey that enlists Paramount Security, the LAPD, and even the FBI in putting a stop to the danger that has his life and career hanging in the balance. Featuring a cast of characters from Patrick Stewart to Levar Burton to *Trek* creator Gene Roddenberry, to some completely imagined, this is the fictional autobiography that takes readers into the life of Brent Spiner, and tells an amazing tale about the trappings of celebrity and the fear he has carried with him his entire life. Fan Fiction is a zany love letter to a world in which we all participate, the phenomenon of "Fandom."

"A wild ride. . . with endless turns and a happily-ever-after ending fit for a Friday night, feel-good rom-com movie."—USA Today A Millennial with amnesia uses her Instagram account to piece together her identity in this hilarious and whip-smart comedy about the ups and downs of influencer culture. Mia might look like a Millennial but she was born yesterday. Emerging from a coma with short-term amnesia after an accident, Mia can't remember her own name until the Siri assistant on her iPhone provides it. Based on her cool hairstyle (undercut with glamorous waves), dress (Prada), and signature lipstick (Chanel), she senses she's wealthy, but the only way to know for sure is to retrace her steps once she leaves the hospital. Using Instagram and Uber, she arrives at the pink duplex she calls home in her posts but finds Max, a cute, off-duty postdoc supplementing his income with a house-sitting gig. He tells her the house belongs to JP, a billionaire with a chocolate empire. A few texts later, JP confirms her wildest dreams: they're in love, Mia is living the good life, and he'll be back that weekend. But as Mia and Max work backward through her Instagram and across Los Angeles to learn more about her, they discover an ugly truth behind her perfect Instagram feed, and evidence that her head wound was no accident. Did Mia have it coming? And if so, is it too late for her to rewrite her story?

The Memory of Souls Penguin

One of our preeminent historians of race and democracy argues that the period since 2008 has marked nothing less than America's Third Reconstruction. In *The Third Reconstruction*, distinguished historian Peniel E. Joseph offers a powerful and personal new interpretation of recent history. The racial reckoning that unfolded in 2020, he argues, marked the climax of a Third Reconstruction: a new struggle for citizenship and dignity for Black Americans, just as momentous as the movements that arose after the Civil War and during the civil rights era. Joseph draws revealing connections and insights across centuries as he traces this Third Reconstruction from the election of Barack Obama to the rise of Black Lives Matter to the failed assault on the Capitol. America's first and second Reconstructions fell tragically short of their grand aims. Our Third Reconstruction offers a new chance to achieve Black dignity and citizenship at last—an opportunity to choose hope over fear.

"A diabolically creepy hybrid of horror and psychological suspense that thrills as much as it unsettles. You'll keep turning the pages even as your hands shake."—Riley Sager, New York Times best-selling author of *Home Before Dark* A pulse-pounding, true-crime-based horror novel inspired by the McMartin preschool trial and Satanic Panic of the '80s. Richard doesn't have a past. For him, there is only the present: a new marriage, a first chance at fatherhood, and a quiet life as an art teacher in Virginia. Then the body of a ritualistically murdered rabbit appears on his school's playground, along with a birthday card for him. But Richard hasn't celebrated his birthday since he was known as Sean . . . In the 1980s, Sean was five years old when his mother unwittingly led him to tell a lie about his teacher. When school administrators, cops, and therapists questioned him, he told another. And another. And another. Each was more outlandish than the last—and fueled a moral panic that engulfed the nation and destroyed the lives of everyone around him. Now, thirty years later, someone is here to tell Richard that they know what Sean did. But who would even know that these two are one and the same? *Whisper Down the Lane* is a tense and compulsively readable exploration of a world primed by paranoia to believe the unbelievable.
