"*Europe and the People without History*" Eric R. Wolf ... Europe And The People Without History is a book by anthropologist Eric Wolf. First published in 1982, it focuses on the expansion of European societies in the modern era . "Europe and the people without history" is history written on a global scale, tracing the connections between communities, regions, peoples and nations that are usually treated as discrete subjects. Europe and the People Without History - Wikipedia This book should be titled "Europe and the history without people". It is a protracted screed of social science theories and a history of the world told from the perspective of an iron pot being traded for a beaver fur. The whole thing is an argument against social science types writing history. Europe and the People Without History by Eric R. Wolf Offering insight and equal consideration into the societies of the "civilized" and "uncivilized" world, Europe and the People Without History deftly explores the historical trajectory of so-called modern globalization.
