CDs. Practice exams are very similar to the real exam, so whatever you score on the practice exams you will surely score on the real exam. I don't rate this book with five stars because I also had some problems with the audio CDs.

[Barron's TOEIC Practice Exams](#)

I use this book with all my students preparing for the TOEIC and of course, the more practice exams they do the better. It has been 3 years since Barron's published the last edition which has been of great help. However, I bought this book and the sample exams have the same questions as the ones on the 5th edition. Just some minor variations.
