Rejoice! This book is for you! Shaped like a fun and colorful camera, this interactive board book is perfect for pretend play and screen-free fun. Place the open book in front of your eyes, pull out the tabs with a

flash and a viewfinder, and take an imaginary photograph. Using simple text, Click! My First Camera Book introduces photography terms and subjects like still life, action shot, nature, portrait, and fashion photography to artists in training and prompts them to explore their world. On the Wildlife Photo pages, the book tasks readers with "snapping" a picture of their pet, and in the Food Photography section, readers are asked to "take" a picture of their favorite lunch. Featuring: Pull-out tabs, with pretend flash and viewfinder, that promote imaginary play Round corners for extra safety Illustrated by the fantastically whimsical artist Tim Palin (Superhero Playbook), Click! My First Camera Book is a great statement on the power of imagination.

One in five relationships starts on an online dating site, but little straightforward guidance exists for users. Enter digital dating whisperer Laurie Davis . . . In a

world where we communicate as much via texts as we do through body language, this book empowers readers to log on and double click for love, taking them through the journey all online daters face—from choosing the right site, creating a profile, and navigating dates, to logging off with their perfect match. Love @ First Click is every online dater's guide to exploring the web with no-fail techniques. For example, uploading the right photos can attract someone who might otherwise pass you over. Setting a time limit on the first meet-up can leave your date excited to see you again. And the phrasing in your date's thank-you text after dinner can uncover how your click mate really feels about you. Whether you're a digital dating vet or virgin, this is the ultimate guide to online dating that will take your online crush to offline love.

Amazon's business model is deceptively simple: Make online shopping so easy and convenient that customers won't think twice. It can almost be summed up by the button on every page: "Buy now with one click." Why has Amazon been so successful? Much of it has to do with Jeff Bezos, the CEO and founder, whose unique combination of character traits and business strategy have driven Amazon to the top of the online retail world. Richard Brandt charts Bezos's rise from computer nerd to world-changing entrepreneur. His success can be credited to his forward-looking insights and ruthless business sense. Brandt explains: Why Bezos decided to allow negative product reviews, correctly guessing that the earned trust would outweigh possible lost sales. Why Amazon zealously guards some patents yet freely shares others. Why Bezos called becoming profitable the "dumbest" thing they could do in 1997. How Amazon.com became one of the only dotcoms to survive the bust of the early 2000s. Where the company is headed next. Through interviews with Amazon employees, competitors, and observers, Brandt has deciphered how Bezos makes decisions. The story of Amazon's ongoing evolution is a case study in how to reinvent an entire industry, and one that anyone in business today ignores at their peril.

We sold 347 eBooks in January of 2011. In just six months, by July 2011, we were selling 65,000 eBooks a month. From that modest beginning, by 2011's end, we had sold over 400,000 eBooks. This book will give you the details on how we did that and built a seven-figure indie publishing house in just two years. Whether you have been published by a New York publisher, an independent press, an ePublisher, self-published or considering all of your options, this book contains all the information you need to make an informed decision about your career as an author in today's fast moving digital world. We start out with content and theory, giving you a

feel for where the industry has been and where it is going. We cover the various types of publishing, goal setting and help you find where you fit in the 3 P's (Product, Platform and Promotion). From there we go into the digital process and the nuts and bolts of covers, editing and uploading. Finally we cover pre and post publication strategies. Everything from creating your own unique branding plan, social media and marketing, pricing, understanding the market, metadata and discoverability. All of which is your roadmap to being a successful author regardless of your path to publication. Its a great time to be an author. Lead, follow or get the hell out of the way!

### SECRETS TO BECOMING A SUCCESSFUL AUTHOR BOXSET

Author Theresa Sneed

A true story of abuse. Three sisters. A shattered Irish childhood. Joyce, June and Paula Kavanagh were three sisters born to a family of ten in Ballyfermot, Dublin in the 1960s. Their father abused all three of them in the family home throughout their childhood. In 1989, the sisters made the brave decision to bring charges against their father and, in 1990, the state took a successful case against him. He was convicted and imprisoned. Click, Click is the story of their abuse; the exposure of a man prolific in his paedophilia; and an Irish childhood lost in a dysfunctional, abusive and torturous environment. Importantly, however, it is also the story of three women's healing; their coming to terms with their abuse, and their forgiveness of themselves and others. The Kavanagh sisters have refused to allow their abuse to define them. With fierce humour, insight and honesty, they now share their story and show that with love and determination, you can indeed conquer all. *One Click* Macmillan

After her Click'd catastrophe, Allie Navarro is determined to redeem herself. So when the class gets an assignment to create a mobile game from recycled code, Allie pairs up with Courtney, her best friend from CodeGirls camp, to create the perfect app: Swap'd. Kids buy, sell, and trade stuff at school all the time. Candy. Clothes. Video games. Slime. Why not make a fiercely competitive, totally anonymous, beat-the-clock game out of it? Once Swap'd is in full-swing, Allie is certain that it's the answer to all her problems. She's making quick cash to help Courtney buy that really expensive plane ticket to come visit her. It's giving her an excuse to have an actual conversation with her super-secret crush. And it looks like she might finally beat her archenemy-turned-friend,

Nathan. She's thought of everything. Or? has she? The second book in the Click'd series by New York Times best-selling author Tamara Ireland Stone weaves together middle school friendship, first crushes, and serious coding skills in another fun, fast-paced, and empowering novel that will have readers cheering Allie on from the first page to the last.

"If I could give an aspiring writer one piece of advice, it would be to read this book." — Hugh Howey, New York Times best selling author of Wool "Tim Grahl is fast becoming a legend, almost single-handedly changing the way authors around the world spread ideas and connect with readers. If you've got a book to promote, stop what you're doing right now and start reading Your First 1000 Copies." — Daniel H. Pink, New York Times bestselling author of Drive and When "Your First 1000 Copies is a must-read for authors trying to build a connection with their readers." — Dan Heath & Chip Heath, co-authors of Made to Stick, Switch, and Decisive "I watched in awe as Tim Grahl had 5 clients on the New York Times bestseller list in the same week. There is no one I trust more to learn about book marketing." - Pamela Slim, Author, Body of Work "Tim was an early pioneer in teaching book authors how Internet marketing actually works." - Hugh MacLeod, author of Ignore Everybody and Evil Plans Imagine if you had a direct connection with thousands of readers who loved reading your books. And imagine if those readers eagerly awaited the launch of your next book. How would that direct relationship with your readers change your writing career? How would you feel knowing that every time you started a new book project, you already had people excited to buy it and ready to recommend it to others? In Your First 1000 Copies, seasoned book marketing expert Tim Grahl walks you through how successful authors are using the online marketing tools to build their platform, connect with readers and sell more books. Tim has worked with over 100 different authors from top best sellers such as Hugh Howey, Daniel Pink, Barbara Corcoran Charles Duhigg, Chip and Dan Heath, Ramit Sethi and Pamela Slim to authors just get started on their first writing project. He has worked with authors across all fiction and non-fiction genres. Along with his client work, he has studied many other successful authors to learn what works and what doesn't. The result is Your First 1000 Copies where he walks you through the Connection System, a plan that every author can immediately start using. The

plan looks like this: - Permission - How to open up communication with your readers where you can reliably engage them and invite them to be involved. - Content - How to use content to engage with current readers and connect with new ones. - Outreach - How to ethically and politely introduce yourself to new readers. - Sell - How all of these steps can naturally lead to book sales without being pushy or annoying This is a system that any author can immediately put in place to start building their platform. Whether you're a seasoned author looking to step into the new publishing landscape, or you're a brand new author, Your First 1000 Copies will give you the tools to connect with readers and sell more books.

Frustrated with the plethora of conflicting information on how to self-publish? Wouldn't it be wonderful to sit down with someone who has already made the mistakes, done the analysis, and will provide you the short cuts—the secrets about the things that work? Now you have that chance with the Career Author Secrets series. Indie Publishing (Self Publishing) has changed dramatically in the past five years. There are now new, easier tools to use for every part of the process—editing, formatting, distribution, sales, and analysis. This boxset contains three books. Secrets Every Author Should Know: Publishing Basics It contains everything a DIY author needs to get her book from manuscript to professional publication in both ebook and print, including: \* Why books don't sell \* Options for DIY or contracting professionals \*The truth about ISBNs & Copyright Registration \* Secrets for formatting your book the easy way \* Creating book covers that sell \* Making decisions about distribution Secrets to Pricing and Distribution: Ebook, Print and Direct Sales Once you have a finished book, you need to get it into readers' hands. Loading your book to a vendor looks deceptively easy. However, the career author knows that each vendor has its own methods for promoting books, performing searches, and identifying ready buyers. You need to take advantage of these differences in order to maximize your profits and discoverability. Capitalize on competitive retail pricing in different markets, and use effective metadata to draw more readers to your books. Learn to: \* Write compelling book blurbs for each title that focus on "reader cookies" and • marketing. \* Unlock keywords and get access to hidden category options. \* Take advantage of search algorithm nuances at Amazon, Barnes and Noble, Kobo, and

Apple. \* Use aggregators to increase distribution opportunities around the world. \* Evaluate opportunities for direct sales to bookstores and individual consumers. *Secrets to Effective Author Marketing: It's More Than 'Buy My Book'* This book provides specific techniques to exploit the value of your books without resorting to the typical overexposure in social media and newsletters with "Buy My Book" sales messaging. Instead, focus on the top three proven techniques that actually sell books. Follow step-by-step instructions and timelines to learn how to: 1) Create an Effective Plan for Communicating to Readers; 2) Use Social Media and Email lists to Engage with Your Readers; and 3) Plan for Effective Campaigns for both Book Launches and Backlist Rejuvenation throughout the year. In addition this book provides techniques to: \* Distinguish specific groups of readers most likely to buy your novel or nonfiction book. \* Understand your competition and the advantages that your book offers. \* Clarify hooks that capture attention of the media, reviewers, and readers. \* Identify where and how to reach readers, reviewers, and media. \* Create and implement a consistent brand throughout all marketing efforts. \* Effectively select, from 100+ options, the appropriate marketing tactics and timing that matches

your book intentions and values. \* Maximize organic reach and stay to a budget of less than \$100 per book campaign. \* Develop a long-term online marketing plan. **Atomic Habits** Create A Story You Love Young fans of Ernie Cline's Ready Player One will love this classic video game inspired mystery filled with elements of Escape from Mr. Lemoncello's Library and From the Mixed Up Files of Mrs. Basil E. Frankweiler. What if playing video games was prepping you to solve an incredible real-world puzzle and locate a priceless treasure? Twelve-year-old Ted Gerson has spent most of his summer playing video games. So when his great-uncle dies and bequeaths him the all so-called treasure in his overstuffed junk shop of an apartment, Ted explores it like it's another level to beat. And to his shock, he finds that eccentric Great-Uncle Ted actually has set the place up like a real-life escape-the-room game! Using his specially honed skills, Ted sets off to win the greatest game he's ever played, with help from his friends Caleb and Isabel. Together they discover that Uncle Ted's "treasure" might be exactly that—real gold and jewels found by a Japanese American unit that served in World War II. With each puzzle Ted and his friends solve, they get closer

to unraveling the mystery—but someone dangerous is hot on their heels, and he's not about to let them get away with the fortune. Praise for Click Here to Start: "As addictive as your favorite video game. I couldn't put it down."-Adam Gidwitz, New York Times bestselling author of A Tale Dark and Grimm "Humor, believable characters, and adventure...keeps readers in suspense to the end. A winner for mystery enthusiasts."-Kirkus Reviews "In this clever debut, Markell takes readers on a clue-filled adventure...[and] maintains an energetic, entertaining balance of character-driven narrative and tricky challenges."-Publishers Weekly "Markell's highly entertaining debut novel...is a well-paced read with fully realized and likable characters,...[and] should have strong appeal to gamers, fans of video game-based stories, and reluctant readers."-SLJ "This book will appeal to a wide audience. Readers who enjoyed Schreiber's Game Over, Pete Watson will enjoy the video game component; fans of Fitzgerald's Under the Egg will enjoy reading more about the Monuments Men; detective story aficionados will revel in the inclusion of The Maltese Falcon story. This is a great book to hand to just about any middle grade reader."-YA Books Central A School Library Guild selection An Amazon Best Books of the Month Selection
