## THE GREATNESS GUIDE BOOK 2

TarcherPerigee

Tinderbox tells the exclusive, explosive, uninhibited true story of HBO and how it burst onto the American scene and screen to detonate a revolution and transform our relationship with television forever. The Sopranos, Game of Thrones, Sex and the City, The Wire, Succession...HBO has long been the home of epic shows, as well as the source for brilliant new movies, news-making documentaries, and controversial sports journalism. By thinking big, trashing tired formulas, and killing off cliches long past their primes, HBO shook off the shackles of convention and led the way to a bolder world of content, opening the door to all that was new, original, and worthy of our attention. In *Tinderbox*, award-winning journalist James Andrew Miller uncovers a bottomless trove of secrets and surprises, revealing new conflicts, insights, and analysis. As he did to great acclaim with SNL in *Live from New York*; with ESPN in *Those Guys Have All the Fun*; and with talent agency CAA in *Powerhouse*, Miller continues his record of extraordinary access to the most important voices, this time speaking with talents ranging from Abrams (J. J.) to Zendaya, as well as every single living president of HBO—and hundreds of other major players. Over the course of more than 750 interviews with key sources, Miller reveals how fraught HBO's journey has been, capturing the drama and the comedy off-camera and inside boardrooms as HBO created and mobilized a daring new content universe, and, in doing so, reshaped storytelling and upended our

entertainment lives forever.

**Turn the Ship Around** by L. David Marquet (Summary) Simon and Schuster

"Followers and newcomers to Nhat Hanh's teaching alike will find this collection inspiring for everyday practice and for social engagement in the world."—Publishers Weekly This collection of autobiographical and teaching stories from peace activist and Zen Master Thich Nhat Hanh is thought provoking, inspiring, and enjoyable to read. Collected here for the first time, these stories span the author's life. There are stories from Thich Nhat Hanh's childhood and the traditions of rural Vietnam. There are stories from his years as a teenaged novice, as a young teacher and writer in war torn Vietnam, and of his travels around the world to teach mindfulness, make pilgrimages to sacred sites, and influence world leaders. The tradition of teaching the Dharma through stories goes back at least to the time of the Buddha. Like the Buddha, Thich Nhat Hanh uses story-telling to engage people's interest so he can share important teachings, insights, and life lessons.

**Take the Stairs** Jaico Publishing House  
"This counterintuitive and powerfully effective approach to creativity

demonstrates how every corporation and organization can develop an innovative culture. The traditional attitude toward creativity in the American business world is to 'think outside the box'-- to brainstorm without restraint in hopes of coming up with a breakthrough idea, often in moments of crisis. Sometimes it works, but it's a problem-specific solution that does nothing to engender creative thinking more generally. 'Inside the Box' demonstrates Systematic Inventive Thinking (SIT), which systemizes creativity as part of the corporate culture."--Provided by publisher.
