Spanish Classics for Guitar in Tablature Schott & Company Limited

This is a superb collection of 8 original flamenco concert guitar solos and two exciting guitar quartets. The selections feature Juan Serrano's usual technical brilliance

and capture the vitality, fire and haunting Moorish moods characteristic of flamenco music. All solos are in notation and tablature. Selections include: Ensueno (Petenera for Four Guitars); Flamenco Dance (Sevillanas for Four Guitars); Canto Minero (Taranto); Mantillas de Feria; Capricho de Huelva (Fandangos); Alma (Bulerías in A minor); Andalusian Dance (Tanguillo); Blazing Guitar (Rumba); Memory of Love (Bolero); Ana Maria (Tientos). All of the solos

are on the CD, but the quartets are not.

### **FODOR'S SEE IT SPAIN**

Createspace Independent Publishing Platform  
Written in Spanish and English, this book contains 12 of Juan Serrano's finest flamenco guitar solos. Selections include: Bella Mar (Verdiales); Ensueno (Petenera); Fantasy (Zambra); Juani (Farruca); Lidia; Majestuosas (Serguiriyas); Munequita (Zapateado); Nancy (Rumba); Nostalgia (Guajiras); Posadas

(Soleares); Tentacion (Bulerias); and Verde Selva (Danzon). All solos are scored in notation and tablature.

*Easy to Intermediate Sheet Music Solos by the Spanish Masters* Mel Bay Publications

This book was written for the student who wants to learn to play flamenco guitar correctly in the shortest time possible. A fanciful historical essay on the origins of the flamenco style begins this modest 32-page volume. Several of the most common techniques are

used in the various introductory pieces, including various forms of rasgueos and the 4-note tremolo. Classical guitarists with 1-2 years of experience will enjoy these challenging exercises and pieces. All studies and solos are shown in notation and tablature, and are included on the enclosed CD.

### **TAB LICKS: SCALES & MODES FOR GUITAR**

Alfred Music  
The legendary flamenco guitarist and best-selling

Mel Bay Publications author, Juan Serrano, is well-known for his sound recordings, transcriptions of his music, and technical methods for flamenco guitar. Now the music that formed his technical repertory and was the musical foundation given to his by his father, Antonio el del Lunar, (guitarist for all the flamenco singers of his time including Pastora Pavon-Nina de los Peines) is at your fingertips in this book that contains completely unreleased flamenco puro that is the

foundation of one of the world's leading guitarists. These falsetas or variations on flamenco forms (toques) are graded so they are valuable for beginners, intermediate, advanced, and professional flamenco guitarists-or for classical guitarists that want to learn flamenco. This book is a repertoire book that is a valuable supplement to other Juan Serrano books on Mel Bay, such as Flamenco Guitar: Basic Techniques, or the Flamenco/Classical Tradition: A Technical

Guitar Method and Introduction to music. This new book includes standard notation and guitar tablature. This repertoire allows students to solidify right-hand arpeggios, rasgueados, and picados; and left-hand techniques such as ligados and apagados, while learning valuable repertoire that can be used by the concert artist.

### **FINGERSTYLE GUITAR**

Routledge  
Este segundo volumen, de una serie de dos partes, contiene un libro, audio y video en línea del reconocido guitarrista de flamenco Juan Martin. Se proporcionan más de 21 solos, graduados progresivamente en los

tres grados superiores, de 6 a 8, para adaptarse a los jugadores en etapas intermedias y más avanzadas, que ya tienen alguna experiencia en el instrumento y las técnicas del flamenco. La música para todos estos está escrita con precisión en notación y ficha de flamenco (cifra) y (a excepción de los dos solos finales) también se incluye en el audio en línea complementario. Video en línea contiene más de 60 minutos de música. Todo el texto está disponible en inglés y

español. Incluye acceso a audio y video en línea. This second volume, of a two-part series, contains a book, online audio and video by internationally recognized flamenco guitarist, Juan Martin. Provided are more than 21 solos, progressively graded in the three higher grades, 6 to 8, to suit players at intermediate and more advanced stages, who already have some experience of the instrument and techniques of flamenco. The music for all these is accurately written in

notation and flamenco tab (cifra) and (except for the two final solos) is also included on the online audio. The online video contains over 60 minutes of music. All text is provided in both English and Spanish. Includes access to online audio and video.

**30 Easy Spanish Guitar Solos** Spanish Classics for Guitar in Tablature Scott Tennant, world-class classical guitarist and well-respected guitar educator, has brought together the most comprehensive technique

handbook for the classical guitarist. It is presented here in both standard music notation and TAB. In addition to technical information not available elsewhere, he has compiled selections from Giuliani's 120 Right-Hand Studies; musical examples by Bach, Turina, Rodrigo and others; Tarrega arpeggio studies; and original compositions by Andrew York and Brian Head. Essential information and a great sense of humor are effectively combined in this best-selling book.

### **Hal Leonard guitar method**

Hal Leonard Corporation

This book and accompanying video provide a thorough introduction to flamenco guitar. What are the essential elements and techniques of flamenco guitar playing? How does one capture the real essence of authentic flamenco guitar? These are questions that Juan Martin, celebrated virtuoso flamenco guitarist and teacher, addresses in this first book of a projected three-

volume series. The method is designed for the complete beginner and requires no prior knowledge of the guitar or flamenco music. It also provides invaluable insight and material for more advanced players who want to capture the essential sounds, rhythms and emotional power of true flamenco. The series begins with in-depth demonstrations of how the basic building blocks of flamenco guitar technique are used in actual flamenco music. The material then

progresses to a detailed exploration of the individual rhythmic forms - the palos. In this book, the fundamental palos of Solea and Alegrias are presented to emphasize the basic rhythms and provide examples of falsetas - the melodic passages. Martin then shows how to apply these when collaborating with a dancer and singer. The music is transcribed in standard notation and tablature (cifra), and the online video contain over 3.5 combined hours of explanation and

demonstrations. Provides a detailed introduction to basic techniques, using examples of authentic flamenco to show these techniques in action. Then progresses to demonstrations of the Solea and Alegrias, including music for the soloist and the guitar accompanying the dancing and singing. Includes access to online video.

*The Trooper for 4 Guitars with TAB* Mel Bay Publications (Schott). Gerhard Graf-Martinez is a passionate

flamenco guitarist and teacher. The wealth of his knowledge is captured in this two-volume work, which also reflects valuable experience gained from his activities as a tutor at national and international seminars and workshops. The CD included with volume 1 contains all the pieces and musical examples for volumes 1 and 2. Besides being a pure pleasure to listen to, it also conveys the authentic sound and the pulsating "compas" of this music. This is the only way to learn to play the

music properly yourself. This is an excellent self-study course that includes many photographs, some to illustrate techniques, others of guitars, guitarists, etc. Self-contained chapters cover all basic techniques plus compas, palmas, nail care, and an overview of current guitarists, guitar makers, construction and sound of Flamenco guitars, etc. All musical examples are in standard notation and tablature (tabs), and performed on the accompanying CD. **by Iron Maiden** Alfred  
 Music Publishing  
 The acclaimed first  
 volume of this exciting

series gave extensive  
 insights into basic  
 techniques of flamenco  
 guitar playing and the two  
 important rhythmic forms  
 (palos) of Solea and  
 Alegrias. This second  
 volume continues on with  
 an exploration of further  
 essential rhythmic palos.  
 The first of these is the  
 Bulerias. Juan Martin  
 brings his many years of  
 experience as an  
 internationally renowned  
 flamenco soloist and  
 accompanist for singers  
 and dancers to  
 unravelling its mysteries,  
 explaining and

demonstrating very  
 clearly the different  
 elements of its rhythmic  
 structure and the various  
 ways it may be accented  
 and counted. He uses  
 traditional and more  
 modern examples of the  
 different kinds of rhythm  
 and melodic passages  
 (falsetas) to provide an  
 invaluable understanding  
 of this wonderful palo. The  
 second rhythmic form is  
 devoted to the popular  
 flamenco Rumba, then  
 Tangos, Tientos and that  
 most profound of all the  
 palos, the deeply moving  
 Seguiriyas. Juan's solo

playing is complemented by demonstrations of the guitar's role in accompanying the flamenco dance (baile) and song (cante) with the help of outstanding dancers Raquel de Luna and Miguel Infante and singers Amparo Heredia (La Repompilla) and Carlos Brias. The music for solo guitar is transcribed in standard notation and tablature (cifra) and the online video contain nearly three hours of explanation and demonstrations. The series is complemented

by two other best-selling Juan Martin volumes published by Mel Bay. These provide progressively graded solo material to extend the repertoire, from beginner to concert level. Includes access to online video. [Learn to Play Flamenco Guitar with Step-by-Step Lessons and Authentic Pieces to Study and Play](#) Hal Leonard Corporation This book and CD are made for all aficionados of flamenco guitar and for guitarists of any other style who enjoy variety in their musical sources.

They present ten pieces composed and recorded in the traditional forms of flamenco music, written in notation and tablature. the author explains the form and characteristics of each piece in introductory notes, helping the player understand the differences between an Alegrías, and a Soleares, or among any of the traditional flamenco forms. the demonstration recording will give players an example of the interpretation of the pieces. These pieces

capture the energy, technical prowess, grace, and depth of feeling that give flamenco music its unique magic.
